बी. के. दत्ता, अवर सचिव

New Delhi, the 2nd July, 2010

**S.O. 1644.**—Whereas by the notification of the Government of India in the Ministry of Petroleum and Natural Gas number S.O. 3036 dated 4-11-2009 issued under sub-section (1) of Section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962) the Central Government declared its intention to acquire the right of user in the land in Tehsil-Tirtol, District-Jagatsinghpur, in Orissa State, specified in the Schedule appended to that notification for the purpose of laying pipeline for the transportation of Petroleum products from Paradip (Orissa) to Raipur (Chhattisgarh) and Ranchi (Jharkhand) by Indian Oil Corporation Limited.

And whereas, copies of the said notification were made available to the public on 15th December, 2009.

And whereas, the Competent Authority has, under sub-section (1) of Section 6 of the said Act, submitted his report to the Central Government;

And whereas, the Central Government has after considering the said report, decided to acquire the right of user in the land specified in the Schedule appended to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of Section 6 of the said Act, the Central Government hereby declares that the right of user in the said land specified in the Schedule appended to this notification is hereby acquired for laying the pipeline;

And, further, in exercise of the powers conferred by sub-section (4) of Section 6 of the said Act, Central Government hereby directs the right of user in the said land shall, instead of vesting in the Central Government vest on date of publication of this declaration, in Indian Oil Corporation Limited, free from all encumbrances.

का.आ. 1645.—केन्द्रीय सरकार ने पेट्रोलियम और खनिज पाइपलाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962 का 50) (जिसे इसमें इसके पश्चात् उक्त अधिनियम कहा गया है) की धारा 3 की उप-धारा (1) के अधीन जारी भारत सरकार के पेट्रोलियम और प्राकृतिक गैस मंत्रालय की अधिसूचना संख्या का.आ. 3035(अ), तारीख 4 नवम्बर, 2009 द्वारा, उस अधिसूचना से संलग्न अनुसूची में विनिर्दिष्ट उड़ीसा राज्य की तहसील : जगतसिंहपुर जिला: जगतसिंहपुर की भूमि में, पारादीप-सम्बलपुर-रायपुर-राँची पाइपलाइन परियोजना के कार्यान्वयन के लिए इंडियन ऑयल कॉर्पोरेशन लिमिटेड द्वारा उड़ीसा राज्य में पारादीप से रायपुर (छत्तीसगढ़) एवं राँची (झारखण्ड) तक पेट्रोलियम उत्पादों के परिवहन के लिए पाइपलाइन बिछाने हेतु उपयोग के अधिकार का अर्जन करने के अपने आशय की घोषणा की थी;

और, उक्त अधिसूचना की प्रतियां जनता को तारीख 15 दिसम्बर, 2009 तक उपलब्ध करा दी गई थी;

और, उक्त अधिनियम की धारा 6 की उप-धारा (1) के अधीन सक्षम प्राधिकारी ने केन्द्रीय सरकार को अपनी रिपोर्ट दे दी है;

और, केन्द्रीय सरकार ने, उक्त रिपोर्ट पर विचार करने के पश्चात् इस अधिसूचना से उपाबद्ध अनुसूची में विनिर्दिष्ट भूमि में उपयोग के अधिकार अर्जित करने का विनिश्चय किया है;

अतः, अब, केन्द्रीय सरकार, उक्त अधिनियम की धारा 6 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, यह घोषणा करती है कि इस अधिसूचना से उपाबद्ध अनुसूची में विनिर्दिष्ट भूमि में पाइपलाइन बिछाने के उपयोग का अधिकार अर्जित किया जाता है;

और, केन्द्रीय सरकार, उक्त अधिनियम की धारा 6 की उपधारा (4) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, यह निर्देश देती है कि उक्त भूमि में उपयोग का अधिकार, इस घोषणा के प्रकाशन की तारीख से केन्द्रीय सरकार में निहित होने के बजाए, सभी विल्लिंगमों से मुक्त होकर इंडियन ऑयल कॉर्पोरेशन लिमिटेड में निहित होगा।

[No. R-25011/9/2010-OR-1]

B. K. DATTA, Under Secy.

6. The management has examined one witness to substantiate the case. The management witness Shri Chandra Bhushan Singh Chauhan is Branch Manager of State Bank of India, Lidhora Branch. He has stated that the workman had worked only 103 days during the period from 1983 to 1985. This fact is admitted in the pleading of the Union/workman. It is also an admitted fact that the period of 1983 to 1985 was only taken into account as per settlement for selection for appointment. He has further stated that he was selected and was placed in the panel but he was not appointed for want of vacancy and the panel was valid till 1997. He has further stated that the cases of Rajkumar Verma, Mathura Prasad Verma and Asharam Sahu were on better footing as they had worked more days than the workman till the cut out year. His evidence is un rebutted. There is no other evidence on the record to disbelieve the evidence. Thus the issue is decided in favour of the management and against the Union/workman. The reference, is accordingly, answered.

7. In the result, the award is passed without any order to costs.

8. Let the copies of the award be sent to the Government of India, Ministry of Labour and Employment as per rules.

#### AWARD

1. Central Government, MOL, New Delhi vide reference No. (supra) has referred the following dispute to this Tribunal for adjudication—
2. Whether the action of the management of Indian Grassland and fodder Research Institute, Jhansi in terminating the services of Sri Madan Son of Sri Nathu and Sri Goti Ram son of Sri Asharam Prajapati with effect from 1-11-95 orally is legal and justified? If not to what relief the workman is entitled?
3. As in both the above industrial dispute cases a common question of fact and law is involved therefore, it is proposed to decide the above cases by means of this common award, as prayed by both the parties.
4. Brief facts of the case are that the claimants Sri Madan and Sri Bhooti Ram were engaged by the

opposite party in the year August 1992 and they continued to work till 1-11-95. They were regular employees of the opposite party and they did not work for 3 years. They also worked for more than 240 days in a year but the opposite party department has terminated their services orally in violation of the provisions of Industrial Disputes Act, 1947. They had never been given any notice or retrenchment compensation at the time of their respective termination of their service. It is also alleged that opposite party was giving them assurance to keep them as an employee but they refused to take them in employment on 16-1-04 specifically then they filed the present dispute. Opposite party has also violated the provision of Section 6N of Industrial Disputes Act so they have committed unfair labour practice. It is also contended that the opposite party has still engaged certain juniors to the claimants and they are still working and have been made permanent, which is in violation of the provisions of Section 25H of the Act.

5. Therefore, they have prayed that the order dated 1-11-95 regarding termination of their service be held as null and void and they be reinstated in the service of the opposite party.

6. Opposite party has filed written statement in which it is alleged that the Indian Grass Land and Fodder Research Institute, Gwalior Road, Jhansi, is purely a research institute, which was set up for undertaking scientific research in agriculture etc., which functions under the Department of Agriculture Research and Education which is an autonomous body registered under the Society Registration Act, 1860. Union Minister of Agriculture (GOI) is the President of the aforesaid body. Above institute is not engaged in activity which can be called within a trade or manufacture, therefore, the above institute is not an industry as defined under section 2(j) of the Act. It also stated that the work of the institute is of occasional seasonal and or intermittent nature and depends upon vagaries of nature. Such work is not of regular nature. Institute gets different time bound adhoc projects for specific periods to conduct research. It is alleged that no cause of action has arisen on the alleged date i.e. 1-11-95. The applicant has not worked for 240 days in a year preceding to the date of alleged cause of action. It is alleged that the applicant had actually worked in short spells in time bound project at Parit Bhumi Vikas Pariyojna at District Datia M.P. The land has been provided by the Forest Department Datia to the Institute. The applicant being a local man

used to approach the Pariyojna Adhikari from time to time in years 1992, 1993, 1994, 1995 and in case of need he was simply engaged as a casual labour for short period. He never worked continuously as per provisions of Section 25B of the Act. It was a time bound project which was completed in the year 1995 and all the development and achievement of the said project were handed over to the District Magistrate Datia vide order dated 1-3-95 and the project was closed with effect from 31-3-95. The claim filed by the applicant is highly belated and over stayal and is not maintainable under the Act. Therefore, they alleged that they have never committed breach of any provisions of the Act and that there is no relationship of master and servant hence the claim is liable to be rejected.

7. Claimant has filed rejoinder reiterating his own stand and denying the allegations of the written statement.

8. Perused the oral as well documentary evidence and heard the arguments.

9. It is admitted case by the claimant that no appointment letter for the post of chowkidar has been issued to the claimants.

10. Opposite party has adduced Dr N.S. Sharma Senior Farm Manager of the Institute as M.W.1. He specifically stated that the claimants have worked under Parit Bhumi Vikas Pariyojna Datia M.P. as a casual labour which was provided by the Forest Department of Datia. This project was completed on 31-3-95 and was handed over to District Magistrate Datia. Claimants were engaged as casual labour according to the need of work. They have never given any application for any post and their names were never sent through the employment exchange. They were not paid on monthly basis and that they had never worked continuously in the project and that they have never been given any order of termination.

11. In cross he has specifically stated that the work being of seasonal nature the claimants were engaged according to the necessity of work. He has further stated that as per order of the GOI only those employees who worked in between 31-8-92 to 1-9-93 and worked for more than 240 days they have been given temporary status. As the claimants had not worked during that period for 240 days and more so they were not given temporary status.

12. It is also the contention of the opposite party that the claimants had given the date of termination in Para 4 of statement of claim which is 16-1-04, whereas in the end of the claim

statement again stating that his services have been terminated on 1-11-95 which is self contradictory. I have given due thought to this point. Both the dates are self contradictory on one side he claimed that he has been specifically removed on 16-1-04, whereas in the end of the claim statement and in the reference order the date of termination has been mentioned as 1-11-95, Therefore, there is no explanation for this contradiction from the side of the claimants.

13. It is true that initial burden lies on the shoulder of the claimant to prove that they have worked for more than 240 days in a calendar year preceding 12 months from the date of termination. It is contended by them that they have given an application to summon the, record from the opposite party but this application was not allowed vide order dated 30-11-06. I would like to say that if the claimants were aggrieved by this order they may have gone to higher court against this order. I perused the order which states that the opposite party is not maintaining records of such persons like the claimant and the application was also found to be devoid of merit therefore, the same was rejected by my learned predecessor.

14. It is true to take the advantage that the claimants have worked for more than 240 days they have to prove and to give more cogent evidence. Simply stating will not amount that they have been continuously working. Whereas the opposite party has specifically stated that the work was of seasonal and intermittent nature and not of permanent nature. When the project was completed, the same was handed over to the District Magistrate Datia vide order 1-3-95, a copy of the same has been filed by the opposite party which is annexure 1. Claimant has not given any evidence in rebuttal against it. Therefore, when the institute is involved in research work and with time bound project and if there does not exist any project how, a worker can be engaged.

15. It is also the contention of the claimant that some juniors to the claimant have still been engaged by the opposite party and made permanent. This fact has been opposed by the opposite party.

16. I have also examined this issue also and find that the claimants have not mention the names of the persons in their respective claim statement who are junior to them. They have tried to name one Mr. Chhotey Raja, V. Singh Thakur and Rakesh, but no evidence has been furnished by the claimant. Then on what basis the claimants

are saying that the above persons have been made regular and permanent. This contention falls down because as per the contention of the opposite party their project had already expired and this has already been proved by them through documentary evidence. Therefore, the argument of the claimants on this point does not carry any weight and is liable to be struck down.

17. Opposite party has produced certain rulings.

1. 2008 (116) FLR 979 SC between G M Tanda, Thermal Power Project & Jai Prakash Srivastava and others. It was held that employment was only an ad hoc employment - engaged to look after the pending acquisition cases- there does not exist any post - employment was for short period on contractual basis - held industrial court could ordinarily not direct reinstatement as there is no relationship of employee and employer - question of retrenchment compensation or notice pay does not arise.

2. 2006 (110) 552 SC Chief Engineer Ranjeet Sagar Dam and others versus Shyam Lal. It has been held that the initial burden of proof was on the workman to show that he had worked for 240 days continuously.

18. Considering the above discussion it is held that the both the claimant have not been able to prove the fact that they ever had worked continuously for more than 240 days in a calendar year preceding the date of their respective termination of service, therefore, there is no applicability of any of the provisions of the Industrial Disputes Act in their respective case. Accordingly it is held that both the claim petitions in the above cases are liable to be rejected and as such the claimants are held not entitled for any relief as claimed by them.

19. References are decided accordingly.

20. Let a copy of this award be placed on the record of Industrial Dispute Case No. 25 of 2005.

### AWARD

The matrix of the facts as culled out from the proceedings are as under :

1. The Government of India, Ministry of Labour by its Order No. L- 12012/179/2005-IR (B-1) dated 2nd March, 2007 in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of the Industrial Disputes Act, 1947 have referred the following dispute to this Tribunal for adjudication :

“Whether the action of the management of State Bank of India through its Asstt. General Manager, State Bank of India, Regional Office, New Mondha, PB No. 5, Nanded, Dist. Nanded (MS) and the Branch Manager, State Bank of India ADB Dongarkhedra, Tq. Kalamuri, Distt. Hingoli (MS) retrenching the disputant workman Shri Gajanan Sakham Kale with effect from 31-1-2005 is legal and justified and whether he is entitled for reinstatement and absorption in service with full back wages? If not, what relief to the disputant workman is entitled to ?”

2. Claim Statement is filed by the concerned Workman at Exhibit 7 stating and contending that, he joined 1st Party at Balapur, District Akola, main Branch of 1st Party, on 9-1-1988. He worked continuously upto 9-3-1997. He was originally orally terminated on 9-3-1997 which he challenged by approaching the Competent Authority. As a result of that Reference was sent by the Government of India, Ministry of Labour regarding termination of his service by order dated 9-3-1997 which was allowed and Award was passed by CGIT-1, Mumbai, with directions to 1st Party to take the concerned workman i.e. 2nd Party in the employment with benefits of back wages from 9-3-1997.

3. It is case of the 2nd Party that, pursuant to the said Award 2nd Party reported on duty at Zonal Office at Aurangabad. However, directions given by CGIT-1, Mumbai, were not followed by the Zonal Office at Aurangabad and he was not reinstated. Then he was asked to report at Aurangabad on 7-1-2004 and was posted at Nanded but was not allowed to work at Nanded and was informed to report after 10 days. It is his case that, on 16-1-2004 he was asked to report at Dongarkhandala where he joined and worked there till the date of this termination i.e. 31-1-2005.

4. According to 2nd Party he worked continuously from 9-1-1988 till 31-1-2005 so he is entitled to seniority. According to 2nd Party previously also before his termination from 9-3-1997. 1st Party absorbed juniors to him viz. Hiralal Ram Singh Thakur, Prakash Dashrath Rajode and Ram Choudhary Bhonde but he was terminated. He states that, as per Settlement dated 17-11-1987 which was modified on 16-7-1980 and 27-10-1988 as well as on 30-7-1996 both agreed to absorb temporary employees

and decided to give opportunity to temporary employees. It is his case that, accordingly panel for eligible workmen for subordinate cadre was created and process of absorption was kept alive till 31-3-1997. He states that, he was selected for empanelment, however, he was not taken. As far as Award of CGIT-1, Mumbai dated 20-5-2003 in Reference No. CGIT-1/18 of 1998 is concerned, he states that, since he was reinstated he acquired senior position in the Panel. It is his case that, however, no list was published and he being a senior most was retrenched first which was not just and proper. He states that, posts of Messengers are still vacant with 1st Party and one Girhe who was junior to him is still working there at Ballapur Branch and one Sunil Anpadh is absorbed as a permanent employee who is also junior to him. He states that, by order of retrenchment issued to him which is in contravention of Section 25-F of the Industrial Disputes Act, 1947 as his legal dues were not paid to him. It is his case that, 1st Party ought to have paid compensation as per Section 25-F before issuing termination order which is not done by the Management. He states that, termination under challenge is illegal and require to be quashed and set aside with directions to 1st party to reinstate him with benefit of back wages and continuity of service.

5. This is disputed by 1st Party by filing Written Statement at Exhibit 9 stating and contending that, 1st Party was engaged as a temporary employee. It is case of the 1st Party that, it used to employ temporary employees on regular scale as well as on casual/daily wages basis. It is contention of 1st Party that, it also engages employees on ad hoc basis due to exigencies of work. It is case of the 1st Party that, since 1975 or thereabout and in the year 1987 1st Party contemplated discontinuance of the employment of such temporary, casual/daily wages employees who were taken initially on casual/daily wages. It is case of the 1st Party that, on that All India State Bank Staff Federation pressed for regularization of such temporary/casual employees. It is case of the 1st Party that, in the year 1984 panel of temporary employees having 90 days temporary services as on 31-10-1984 was prepared after interviews. It is further contended by the 1st Party that, the Bank entered into Settlement dated 17-11-1987 where said temporary employees were classified into temporary employees who served for 240 days in 12 months, those who completed 270 days in aggregate after 1-7-1975 and other group who completed minimum 30 days as temporary service in a calendar year after 1-7-1975 or a minimum of 70 days. It is stated by 1st Party that, the said Settlement laid down eligibility criteria and provided that, only those who fulfill the eligibility criteria and who are medically fit will be considered for absorption in permanent vacancy in the existing requirement of the staff. It is stated that, by said settlement interview were to be conducted by Selection Committee to determine the suitability of such

temporary employees for permanent employment and names of such employees will be finalized by the Committee who will finalise panel for full time and part time employees. It is further stated by 1st Party that, between 1-7-1975 to 31-12-1987 or any other day as may be fixed by the Bank and these Panels will be valid upto December, 1991. It is further stated that, as per Clause 2 of the said Settlement permanent part time employees will be given preference in filling up the full time vacancies and after exhausting this group of employees, the remaining part time or full time vacancies will be filled up by such temporary employees. It is further stated that, another Settlement was arrived at with the Federation on 16-7-1988 modifying the earlier settlement dated 17-11-1987 and stipulating, inter alia that such appointment of temporary employees would be against vacancies that would arise upto 1992 instead of 1991. It is further case of the 1st Party that, it was also stated that temporary employees those who have worked during the period 1-7-1975 to 31-12-1988 will be considered for Panel instead of 1-7-1975 to 31-12-1987. It is further case of the 1st Party that, on 27-10-1988 the Bank and the Federation entered into another Settlement by which casual and ad hoc nature of work were also permitted to be empanelled, provided they worked for the period mentioned in the categories (a), (b) and (c) outlined in paragraph 2(ii) of the abovesaid. It is stated that, it was agreed by the said Settlement that, similar Panels of wait listed employees will be set up for category after fulfilling eligibility criteria for absorption against vacancies that would arise between 1988 and 1992. It is stated by the Bank that, 1st Party and the Federation once again entered into Settlement on 9-1-1999 inter alia providing for separate panels for temporary employees and daily wage earners will be set up for filling existing vacancies. It is further stated that, in pursuant to the conciliation proceedings held on 9-6-1995 another Settlement took place on 30-7-1999 whereby it was agreed that, the Panels for temporary employees and daily wage/casual employees would be kept alive upto March, 1997 for filling up vacancies existing/arrived at as on 31-12-1994. It is further stated by 1st Party that, both the Panels i.e. of temporary employees and daily wages/casual employees lapsed on 31-3-1997 and therefore, no temporary employee can be engaged by the Bank. It is further stated by the 1st Party that, accordingly at the temporary employees had to be disengaged from 1-4-1997. It is case of the 1st Party that, the concerned workman Kale was working intermittently in purely temporary capacity as Messenger/ Watchman/Water boy of the Bank's Belapur and ADB Bellapur Branches under the control of the Bank's Nagpur Zonal office during the period sometime in January, 1988 to 8th March, 1997. It is contended by the 1st Party that, his services were disengaged after 8-3-1997 in terms of Bipartite Settlement by temporary employees. It is further stated that, being aggrieved he approached Assistant Labour Commissioner (Central), Nagpur and raised the dispute and Reference was made, on failure report of the Assistant

Labour Commissioner (Central), Nagpur, to CGIT-1 for adjudication who decided it in favour of the concerned workman. It is stated by the Bank that, it did comply with the Award passed by the CGIT-1 and the concerned workman Kale was paid back wages as directed by CGIT-1 and the concerned workman was appointed purely temporary basis as a subordinate employee. It is stated by the 1st Party that, 2nd Party concerned workman Kale was discontinued by the Bank by order dated 31-1-2005 mentioning reason for discontinuance of his services as mentioned in para-3 of said order. It is stated by the 1st Party that, an amount of Rs. 92,052 towards retrenchment compensation were paid to him as his legal dues which is just and proper and according to 1st Party 2nd Party concerned workman Kale cannot get more than that. It is stated by the 1st Party that here dispute raised by the concerned workman is not proper and does not require to entertain. It is denied that, 2nd Party is entitled to reinstatement. It is denied that, he has right to be reinstated with benefit of back wages and continuity of service. So it is prayed that, prayer prayed by the 2nd Party of reinstatement be rejected.

6. 2nd Party filed rejoinder at Exhibit 10 making out the same story and repeating the prayer prayed of reinstatement with benefit of back wages and continuity of service.

7. In view of the above following Issues were framed at Exhibit 16 which I answer as under :

ISSUES	FINDINGS
1. Does 2nd Party establish his Relations of 'employee' and 'employer' with 1st Party	No
2. Is 2nd Party entitled to the prayer of reinstatement and other reliefs as sought?	No
3. What order?	As per order passed below.

#### REASONS :

8. It is case of the 2nd Party that, he worked with 1st Party from 9-1-1988 in its main Branch at Ballapur, District Akola. He claims that, he worked upto 9-6-1997. It is his case that, he was terminated on 9-3-1997 and said termination was challenged by him and dispute was referred by Reference No. CGIT-1/18 of 1988 which was decided in his favour. It is his case that, in the said decision CGIT-1, Mumbai ordered 1st Party to reinstate him with benefits of back wages and continuity of service. It is his case that, as per said Award he reported on duty but he was not accommodated by 1st Party as per directions of the CGIT-1. He states that, thereafter he was posted at Nanded but he was not allowed by Nanded office to work and was

asked to report after 10 days. It is his case that, then he reported on duty on 16-1-2004 at Dongarkhandala and he worked there upto 31-1-2005. He states that, he worked with 1st Party from 9-1-1988 till 31-1-2005 continuously and as such he became permanent employee of the 1st Party. It is his case that, at the time of his initial termination juniors like Hiralal Shyamal Hakur, Pratap Singh Dashrath Rajode and Ramchoudhary Bhonde were absorbed as permanent employees but he was not considered and absorbed. It is his case that, as per the Award he became senior most employee in the temporary cadre and require to absorb but it was not considered. It is his case that, there is a post of messenger vacant with the 1st Party and one Girhe who is junior employee is still working at Bellapur Branch, District Akola, and one Sunil Anpadh was absorbed as permanent employee who was junior to 2nd Party concerned workman. It is his case that, from all this attitude he submit that, 1st Party is not absorbing the 2nd Party concerned workman as its employee and did not want to take him in the employment as a permanent employee. It is his case that, though he is senior most he was retrenched on 12-2-2005 without following due process of law. No seniority list was published, no procedure was followed of any type as laid down under the provisions of the Industrial Disputes Act, 1947. Even he claims to proper retrenchment compensations were offered while retrenching him. So he prays that, he be reinstated by quashing and setting aside the retrechment dated 31-1-2005 directing 1st Party to absorb him as a permanent employee. Said is disputed by the 1st Party saying that, he cannot be absorbed as permanent employee. According to 1st Party Bank did used to engage temporary employee on regular scale and casual on daily wages as on ad hoc basis due to exigencies of work. It is case of the 1st Party that, as per Settlement of 1975 concerned workman is not entitled for absorption since he is not fulfilling the eligibility criteria agreed and decided in the Settlement dated 1-7-1997. Since he is not eligible to be absorbed, he cannot be reinstated or made permanent or absorbed in the establishment of the 1st Party. It is case of the 1st Party that, then there was Settlement dated 16-7-1988 which also expect the employee who are engaged for casual or ad hoc nature of work should fulfil the condition as mentioned in the said Settlement. However, concerned workman is not fulfilling the said terms and conditions and as such he cannot be absorbed. Even Settlement of 1975 does not give benefit to the concerned workman. According to 1st Party there is a Panel for temporary employees and daily wagers and casual employees. According to 1st Party said Panel lapsed on 31-3-1997 therefore no temporary employee could be engaged by the Bank. It is case of the 1st Party that, therefore Gajanan Kale, the concerned workman was working intermittently in purely temporary post and not as a permanent employee as alleged cannot be absorbed. It is case of the 1st Party that, services of Shri Kale were disengaged by letter dated 31st January, 2002. It is case

of the 1st Party that, since 2nd Party is not fulfilling the qualifications to absorb him as a permanent employee he cannot be considered for the same. According to 1st Party no temporary from the Panel of the employees compiled in 1992 has been absorbed in permanent employment of the Bank. It is case of the 1st Party Bank that, though the concerned workman empanelled for absorption in Bank's services in the Panel prepared on 1-12-1992 he could not be absorbed in available vacancies till 31-3-1997 when said Panel got lapsed. It is denied by 1st Party that junior employees are kept and employee like 2nd Party who is senior is not absorbed. It is denied that, no provisions of retrenchment were followed. No specific case is made out about violation of the provisions before retrenching 2nd Party, the concerned workman. According to 1st Party by following due process of law he was terminated which is just and proper and he is not entitled for any relief as prayed.

9. To prove that, 2nd Party placed reliance on his affidavit filed at Exhibit 20 in lieu of his examination-in-chief, where he repeats the above story of his employment as well as about Award passed by CGIT-1, Mumbai, where he was ordered to be reinstated. He also gave story how he reported for his duties as per the Award and how he was not considered and how he was taken and retrenched. He also states that, how retrenchment is illegal. In the cross he states that, no appointment letter was issued to him by the Bank. He admits that, he did not protest to the posting given to him at Dongarkada Branch, District Hingoli. He admits that, one Hiralal Ram Singh Thakur and Pratap Singh D. Rajure are Watchmen. He admits that Sunil Bhagwan Anpat is taken as a Messenger. He admits that H.R. Thakur is a Messenger and P.D. Rajure is working as a Watchman. He admits that page 27 of Exhibit 13 was given to him at the time of his termination. He admits that, the Bank offered him a cheque of Rs. 92052/- dated 31-1-2005 at the time of his retrenchment. He admits that, he did not know what amount he was to get as his legal dues as retrenchment compensation. Against that, Management examined its witness Arun Purshottam Kulkarni by filing his affidavit at Exhibit 28 in lieu of his examination-in-chief. He speaks about norms of the employees and states that, said system was in existence in 1997 and as such employee of this type could not be absorbed and nobody was entitled for absorption as stated in the said statement. In the cross he states that, 2nd Party joined 1st Party in 1988. He admits that, as per Settlement empanelment of the employees was prepared of the individual employees. He also admits that, thereafter there was same type of Settlement in 1988 as well as in 1991. He admits that, as per empanelment of 1991 name of the 2nd Party was at Serial No. 1 of waiting list of which copy is produced at Serial No. 1 of Exhibit 12. He admits that, in the said Panel one Sunil Anpat was shown at Serial No. 10. He admits that, last Settlement took place on 30-7-1996. He admits that,

even in the said empanelled waiting list name of 2nd Party was in Panel on waiting list. He admits that, no permission was taken from the Government to retrench 2nd Party concerned workman. On that 1st Party closed evidence by filing closing purshis at Exhibit 29.

10. Written arguments are submitted by 1st Party's Advocate at Exhibit 30 with citations at Exhibit 31 and it is replied by 2nd Party by filing written arguments at Exhibit 32.

11. Perused the evidence led by both the parties and the written arguments.

12. Admittedly no appointment letter was issued to the concerned workman. Admittedly no interview was taken of the 2nd Party before recruiting him in the employment. Admittedly no interview process was followed i.e. due process before taking 2nd Party in the employment. From the evidence led by both it reveals that, 2nd Party was in the panel. He was taken as temporary employee. Even admittedly he was not taken by following due process of law or by following interview process. In that premises judgment given by Apex Court in the case of *Secretary, State of Karnataka and ors, V/s Umadevi (3)* and ors published in (2006) 4 SCC page 1 was of the same prayer as of the 2nd Party. In the said judgment Apex Court observed that, absorption regularization or permanent continuance, confirmation in the employment of the employee who was taken on ad hoc basis cannot be automatically followed in the public undertakings as such type of procedure gives back door entry to the employee who got chance to work with the employers by serving employers for particular period without any selection and by following due process of law. Here admittedly 2nd Party was not interviewed and selected by following due process of selection. It is not even his case that, he is qualified and still he was not considered. Even it is not his case that, he was called for interview or he was interviewed or was selected by Selection Committee and then he was posted. His case is that, he worked as a temporary employee. That he worked for a particular number of years and that working he want to use as his qualification and on that he want to qualify himself to become a regular employee. In my considered view the ratio laid down by the Apex Court (Supra) does not permit employee of this type to claim permanency as it closes chances of others who are also in the queue of the employment or standing in the queue for the employment. Even while giving decision by the Apex Court in *National Fertilizer Ltd. & ors. V/s. Somvir Singh* published in (2006) 5 SCC page 493 Apex Court observed regularization is not a mode of employment. It also observed that, if appointment is made without following the rules, the same being nullity the question of confirmation of such a employee on the expiry of the purported probation would not arise. It also observed that, there may be that merely they are working.

for a long time was not a ground for directing regularization of their services of employees of this type. Even ratio laid down by Apex Court while deciding Civil Appeal No. 2167 of 2007 in the case of State of Orissa & ors. V/s Prasana Kumar Sahoo published in AIR 2007 SC page 2588 reveals that same view is taken by Apex Court and observed that, though regularization as is well known it does not confer any legal right on a person for regularization without compliance of the mandatory provisions of the Recruitment Rules. It is also observed by Apex Court while deciding the case of Municipal Corporation, Jabalpur Vs Om Prakash Dubey published in (2007) 1 SCC page 373, that if due procedure of selection is not followed in that case employee who is working without following the recruitment procedure cannot claim permanency. In another case the Apex Court in case of U.P. Power Corporation Ltd., and anr. V/s Bijli Mazdoor Sangh and ors. published in (2007) (5) SCC page 755 follows the ratio laid in case of Umadevi. He also placed reliance on citation published in 2007 (5) SCC page 326 given in the case of Kendriya Vidyalaya Sangathana and anr V/s L.V. Subramanyeswara and anr. where it is observed by the Apex Court that, if the workman is continued in service for a long time under the interim orders of the High Court such is not entitled for regularization. He also placed reliance on the judgment given in the case of Post Master General Kolkata & anr. V/s Tutu Das (Dutta) published in (2007) (5) SCC page 317, citation published in 2007 (6) SCC page 207 the case of Hindustan Aeronetics Ltd, vs Dan Bahadur & ors., citation published in (2008) 2 SCC page 717 the case of Hindustan Petroleum Corporation Ltd., V/s Ashok Rangha Ambre, citation published in (2009) 4 SCC page 343 in the case of State of Karnataka and ors. 13. Here it is not shown by the 2nd Party that, how procedure of retrenchment is not followed. It is not shown how amounts paid is not as per his legal dues and as per Section 25 F of the Industrial Disputes Act, 1947 to which he is entitled to get. He is unable to show how action taken by 1st party is illegal. Simply he says that, since he worked for a number of years continuously, he became permanent and require to be absorbed. As stated above only long service without qualifications and serving with employer without following recruitment rules, has no

meaning as said service does not qualify such an employee to claim permanent absorption as observed by Apex Court in the case Umadevi Supra. Much capital is made by 2nd Party that, though he worked for years together is not absorbed. However, it is case of the 1st party that, since he was not recruited by following due process of law he cannot be absorbed. It is their case that, simply that, he worked for years together does not qualify him to claim permanency or absorption as observed by Apex Court.

14. Considering all this and considering the decision of Apex Court more precisely in the case of Umadevi (3) supra I am of the considered view that, the 2nd party is not entitled for absorption. So I answer these issues accordingly and passes the follow order:

## AWARD

The Government of India, Ministry of Labour by its order No. L-22012/255/2003-IR(C-M-II) dated 18-5-2004 referred the following dispute under section 10(1)(d) of the I.D. Act, 1947 for adjudication to this Tribunal between the management of M/s. Singareni Collieries Company Ltd. and their workman. The reference is,

### SCHEDULE

“Whether the action of The General Manager, M/s. Singareni Collieries Company Ltd., Sreerampur in denying payment of subsistence allowance at the rate of 50 per cent of the wages to Sri K. Devaiah, Pump Operator, SKP-3 & 3A, Sreerampur Division, for the suspended period from 9-6-1997 to 17-6-1997 and the departmental enquiry conducted by the management is legal and justified? If not, to what relief he is entitled to?”

2. The Petitioner filed his claim statement stating therein that the payment of subsistence allowance is mandatory if a workman is placed under suspension but in case of the Petitioner no subsistence allowance was provided during the period of suspension. Petitioner workman was reinstated without awarding any punishment. Thus, the Petitioner was entitled for full pay for the suspension period from 9-6-97 to 17-6-97 as per Sec.10 (A) of Industrial Employment (Standing Order) Act, 1946 and hence he has raised this dispute before the Central Government and a reference has been made. The Petitioner has been reinstated without any punishment, accordingly he should be paid the wages for the suspension period.

3. Respondent's management has filed counter statement stating therein that the Petitioner was deputed to work as pump operator in SRP-3 & 3A Incline and was engaged to operate 3 Seam 35 Dip Poty Pump in III shift on 3-6-1997. He had gone to the workspot but sat idle without operating the pump though the pump was in working condition. Due to this negligent act of the Petitioner the Respondent has to pay full back wages to six fillers who were engaged to work in that work place. Thus, charge sheet No. SRP. 3 & 3A/201650 dated 4.6.1997 was issued to him suspending the workman from 9-6-97 to 17-6-97. A domestic enquiry was conducted in which the Petitioner workman participated and charges against the Petitioner were found to have been proved. On the basis of the proved charges against the Petitioner though severe punishment was warranted against the Petitioner taking a lenient view, the Respondent management imposed punishment of suspension for 10 days. Confirming his suspension form 9-7-97 to 17-6-97 as period of punishment. The contention of the Petitioner that no punishment was awarded to him is misleading. Petitioner was punished with suspension which is one way of the punishment provided in the standing orders, as such, he was not paid for suspension period and he is not entitled for the pay of the suspension period. The

enquiry has been conducted legally and validly. Hence, it can not be questioned nor the Petitioner is entitled for any relief.

4. Petitioner has filed xerox copy of letter dated 9-2-2004 informing him that in the matter of charge sheet served upon the Petitioner dated 17-11-2001 and the matter was enquired by appointing Enquiry Officer in which the Petitioner has taken part. He has been found guilty by the Enquiry Officer and the Petitioner was asked to explain about the enquiry report. The Petitioner has further filed charge sheet dated 17-11-2001 and his explanation dated 19-11-2001 and his representation dated 29-2-2004, he has not filed his affidavit nor appeared for cross examination.

5. Respondent filed the documents relating to the enquiry proceeding containing a copy of charge sheet, explanation of the Petitioner, notice for participating in the enquiry in 11 pages calling upon the Petitioner to appear before the Enquiry Officer on different dates. Enquiry proceedings along with witness examined before the Enquiry Officer, cross examination conducted by the Petitioner and report of the Enquiry Officer. On the basis of the enquiry, the suspension of the Petitioner was confirmed

6. Petitioner remained absent on several occasions and the absence of the Petitioner dated 17-2-2009, departmental enquiry was held by the management and the departmental enquiry was held to be valid and legal and the case was posted for hearing the arguments of the parties on the question of imposition of the sentence and non-payment of the subsistence allowance or pay for suspension period.

7. On the date of arguments also the Petitioner remained absent. However, Learned Counsel for the Respondent appeared and argued on behalf of the Respondent. I have heard Respondent's counsel and have gone through the claim statement submitted by the Petitioner and documents produced by both the parties on this file. Learned Counsel for the Respondent has argued that in this case a very little question has to be decided by this tribunal that, “whether the action of the management in non-payment of suspension allowance for the period from 9-6-97 to 17-6-97 was justified and legal or not?”

8. It has further been argued that under the terms of the reference, this tribunal to look into the legality and validity of the departmental enquiry which was challenged by the Petitioner but on the date of hearing on the question of validity and legality of the departmental enquiry, since the Petitioner did not participated in the proceeding of this court, this tribunal has given a finding that the departmental proceeding is legal and valid. Now, only a limited question has to be determined by this tribunal regarding action of the management for non-payment of the subsistence allowance for the period from 9-6-97 to 17-6-97.

9. Counsel for Respondent has argued that under the terms of the standing order a punishment by way of

suspension has also been provided. In the case of the Petitioner, the charges regarding his non-performance of the duty on the allotted date was found to be proved by the Enquiry Officer who submitted his report on the basis of E.R. Petitioner has been asked to submit explanation which was submitted by the Petitioner against the enquiry report which was approved by Disciplinary Authority. Since, suspension order is one of the punishments provided in the standing order. Management took lenient view in the matter of punishment and Punishing Authority simply approved the suspension order and subsistence allowance was not paid to him and thereby the Respondent management has not committed any illegality or irregularity and the action of the management is fully justified and legal. He has relied on case law of Hon'ble Supreme Court reported in 1993 Suppl.(2) SCC page 210 Umesh Chandra Misha and Union of India and ors. In that matter Hon'ble Supreme Court while dealing with the above cited case, it has opined that the suspension in the case of Petitioner was not of the nature of pending enquiry. In this case though initially the Petitioner was suspended after issuance of the charge sheet but after the issuance of the charge sheet and upon the receipt of the explanation of the Petitioner departmental enquiry was held and it was found that the Petitioner was guilty of non-performance of his duty on the alleged date of his slackness from the duty and by way of punishment his suspension was confirmed. Thus, the contention of the Petitioner that he was not awarded any punishment is incorrect since the standing order enumerates that suspension is also a way of the punishment and thus for not making payment for suspension period is justified and no fault can be found with the order of the management. The action of the management is justified. He has further relied on the case law reported in 2004(1) LLN 837 of Madras High Court wherein in the matter of Sri Ganapathy Mills Company Ltd., Vs. Deputy Commissioner of Labour, Tirunelveli wherein the management has imposed punishment of suspension in consonance with the standing order the Hon'ble Madras High Court concluded that employee is not entitled for subsistence allowance for the period of suspension. This case law is fully applicable in the present case.

10. In the present case Petitioner was suspended for negligence of the duty, charge sheet was issued to him, he replied to the charge sheet, departmental proceeding held, the Petitioner participated in the enquiry, Enquiry Officer submitted report concluding that the misconduct against the Petitioner is proved and the Disciplinary Authority passed the order of the confirmation of suspension. Hence, the suspension is by way of punishment and the action of the management is fully justified and legal. To my mind, the Petitioner is not entitled for any wages or subsistence allowance for the period of suspension. The reference is answered as such and hence, this award.

Accordingly, an Award is passed. Transmit.

Dictated to Smt. P. Phani Gowri, Personal Assistant transcribed by her corrected and pronounced by me on this the 5th day of February, 2010.

## AWARD

In exercise of powers conferred by clause (d) of Sub-section(1) and sub-section 2(A) of Section 10 of the Industrial Disputes Act, 1947(14 of 1947), Government of India through the Ministry of Labour vide its letter No. L-22012/237/97- IR(CM-II) dated 21-07-1998 has been pleased to refer the following dispute for adjudication by this Tribunal.

## SCHEDULE.

"Whether the management of Bhojudih Coal Washery of M/s. Bharat Coking Coal Ltd. is justified in not departmentalising the 16 contract workers (as shown in the annexure) employed in the job of maintenance of Water Supply System at Intake Well at Bhojudih Coal Washery? If not, to what relief are the workmen concerned entitled and from which date ?"

On receipt of the Order No. L-22012/237/97- IR(CM-II) dated 21-07-1998 and Corrigendum dated 16-09-98 of the above mentioned reference from the Government of India, Ministry of Labour, New Delhi for adjudication of the dispute, a reference case No.38 of 1998 was registered on 10-08-1998 and accordingly an order to that effect was passed to issue notices through the registered post to the parties concerned directing them to appear in the court on the date fixed and to file their written statements along with the relevant documents and a list of witnesses in support of their claims. In pursuance of the said order notices by the registered post were sent to the parties concerned.

Both the parties made their appearance through their respective counsels and union representative and filed pleadings & documents. They also adduced oral evidence.

The case of the union in short is that the workers Charan Bouri and 15 others (Named in the reference and hereinafter to be called referred workmen) have been working as Contract Labour engaged by different contractors continuously from time to time on the job of maintenance of water supply system at the Intake well of Bhojudih Coal Washery of M/s. Bharat Coking Coal Limited. (BCCCL in short) from the year 1983. The washery unit was

an unit under Central Coal Washery Organization of erstwhile Hindusthan Steel Limited (HSL) and then of the Steel Authority of India Ltd. (SAIL). It was brought under the administrative control of BCCL. The Washery was established for washing of raw coal for supply to different steel plants. Before establishment of the organization water supply was being made available from Intake well at the Bank of river Damodar to Bhojudih Coal Washery Plant and also for supply of drinking water to the colonies of the company. Uninterrupted supply of water is a permanent nature of job. The same set of labours which include the referred workmen worked all the time though as many as nine Contractors (as mentioned in the written statement) were changed. The representation, protest and talk with the Management by the Union to regularize (departmentalized) their services failed. Consequent to failure of conciliation before the Asst. Labour Commissioner, this reference has been made by the appropriate Government. The Union urged for direction to the management for regularization of service of the referred workmen by taking them to the permanent roll of the Company as Category -I general Mazdoor and allow them all benefits with effect from 1-1-1983.

The case of the Management shun of all details, on the other hand, is that the referred workmen are not the employee under the Management of Bhojudih Coal Washery nor are engaged on any permanent job as claimed and as required under law for departmentalisation. They are not under the direct supervision or control of the Management nor equipments and tools are being supplied by the Management. There are sufficient number of workers already engaged in the said job and additional workers are not required at all against the permanent job. The referred workmen were engaged by the Contractors during summer season only to channelise the water to Intake well through Cacha, (temporary channels) from the up stream water of the concern river.

They are temporarily engaged for annual maintenance of the pumps and the well and that said temporary jobs have not been prohibited by the Government under the Contract Labour (Abolition and Regulation) Act CLR Act. Challenging the maintainability of the reference on various grounds like jurisdiction, absence of employer - employee relation etc. the employer urged for an award justifying their action in not departmentalizing the service of the workmen as legal and entitling them to no relief.

On a careful perusal of the pleadings of the parties, documents relied on and the evidence adduced it appears that there is no dispute relating to the fact that there is no direct relationship of the parties as employer and employee as admittedly the workmen worked under different contractors. Facts also remain undisputed that the workmen have been working since 1983 in the same job under different contractors of the Employer. As such in the face of the

parties at variance on other facts the following issues are required to be determined for proper adjudication of the matter.

(1) Whether the working of the workmen under different Contractors of the BCCL is to be considered as Employer Employee relation between the parties?

(2) Whether the workmen have been working against permanent or temporary nature of job.

(3) Whether the workmen are entitled to be regularized in the service.

As indicated above, there is no dispute that the Contractor under whom the workmen have been working are the Contractors of the BCCL and that same set of workers which include the referred workmen have been continuously working in the same job and at same place since the year 1983. The documents relied on by the union are the Gate pass-Ext. W-1, W/15 to W 22, Payment sheets Ext W-5 to W/12, Attendance register Ext. W/25, Ext W/21. From the very pleading of the Management and also from the evidence of the witness of the Management namely Murali Prasad (MW-1) it is found that the job of uninterrupted water supply to the plant is a permanent nature of works and there are permanent employees engaged in the work. The Management's consistent stand is that the workmen in question were not engaged against the permanent job but against temporary job in summer season only and some times are engaged temporarily for draining water through Catcha channel and in maintenance of pump etc. The oral evidence of the P/W I goes to show that workers engaged in supply of water to the plant for production of goods to the benefit of the Management. Supply of water is absolutely required for working of the washery as well as for drinking purpose. Evidence of the witness for the union Haradhon Mudi (WW-1) on this score remained unchallenged. In view of the above there is no persistent of doubt about the permanent nature of the works in which the referred workmen have been engaged. But question certainly deserves consideration as to whether the workmen are entitled to be considered as employee of the BCCL at all even if the version of the Management is taken for granted that there are other permanent workers engaged in the said work and additional workers are not required. The reported decision of the Apex Court in Steel Authority of India Ltd. case (2001 ILR 961) may be seen. It has been held that "Such cases where the contract is required to discharge statutory liability of the principal employer stand on a different footing and it is not possible to deduce from them the broad principle of law that on the contract labour system being abolished under sub-section (1) of Section 10 of the Contract Labour (Regulation and Abolition) Act the contract labour working in the establishment of the principal employer has to be absorbed as regular employees of the establishment. The Management has not satisfactorily

proved by any sort of evidence that the workmen have been engaged as contract labour during the month of April and May each year on the other hand the Gate pass, Payment register etc. are ample evidence to find the contrary. The Management has failed to prove that the works are prohibited under the C.L.A.R Act. Or at all that the contractors have been issued with the license under the said Act to consider the workmen as contract labours under them. There is thus reason to believe that the real facts are being camouflaged. There is a clear admission by the MW-1 that the workmen have been engaged in supply of water to the plant for production of goods for the benefit of the establishment. The case of the workmen thus stand passed successfully the acid test laid down by the Hon'ble Supreme Court in the case of Hussainbhai V/s. The Alath Factory [19 Sc LJ(15) p. 112] wherein it is held that "The true test may, with brevity, be indicated once again". Where a worker or group of worker labours to produce goods or services and these goods or services are for the business of another, that other is, in fact, the Employer. He has economic control over the workers substance, skill and continued employment. It be, for any reason chokos of the worker is virtually led off. The presence of intermediate contractors with whom alone the workers have immediate or direct relationship in contract is of consequence, when on lifting the veil or looking at the conspectus of tutors governing employment, decern the naked truth, though dropped in different perfect paper arrangement that the real employer is the management "XXXX". Some other decision of the Hon'ble Supreme Court including that of the Steel Authority of India Ltd.(ILR 2001 Pg. 61) have been relied on in support of the above legal position. There is no doubt that the facts and circumstances of this case are different and distinguishable from that of the Limeades Case (2006 Lab, I.C. 865) denying regularisation and hence the ruling is not applicable to this case as the status of the workmen in this case is not that of illegally appointed workers.

In the above circumstances, it can safely be concluded that the action of the Management of Bhojudih Coal Washery of BCCL in not departmentalizing the 16 referred workmen employed in the job of maintenance of Water Supply System at Intake Well Bhojudih Coal Washery is not legal and justified. The workmen are entitled to be departmentalized in appropriate grade i.e. grade-I General Mazdoor and to be treated as Employee of the BCCL from the date of their engagement and shall be entitled to all service benefits as admissible to the regular employees. Monetary benefits accruing out of it shall be disbursed within two months of the notification pending regularisation of service papers. Hence it is ordered

### AWARD

This petitioner under Sec. 2A (2) of the I.D. Act, 1947 filed by Sri Md. Jan, ex-employee of Food Corporation of India in light of the judgment of the Hon'ble High Court

of Andhra Pradesh reported in W.P. No. 8395 of 1989 dated 3-8-1995 between Sri U. Chinnappa and M/s. Cotton Corporation of India and two others challenging the legality and validity of his termination order dated 8-11-2008.

2. The Petitioner has contended that he was appointed due to heavy procurement and bumper crop of paddy in Andhra Pradesh during 1975-76 when Food Corporation of India opened number of procurement centres in the entire State of Andhra Pradesh including Nalgonda District. In the Nalgonda District Food Corporation of India opened various centres at Bhongir, Aleru, Chittial, Suryapet, Huzurnagar, Miryalgunda, Nizamabad etc., the Petitioner was appointed as casual labour @ Rs. 4 per day and continued upto 1981. Thereafter services of the petitioner were terminated without following any process. Against said termination order some of the workers approached the Hon'ble High Court of A.P. in I.D. No. 33/1982 which was disposed off with the direction to consider the case of the Petitioner for reappointment. Against the order dated 8-11-88, the Respondents preferred W.P. No. 1618 and 11320 of 1985, which was disposed off on the assurance given by the Respondent management to consider the question of re-appointment. The Petitioner could not pursue his right due to financial position. However, the Petitioner filed W.P. No. 21564/2000 which was disposed off on 2-3-2001. The Respondent did not comply with the direction of Hon'ble High Court, the Petitioner filed contempt petition that was contested by the Respondent, in that the Hon'ble High Court has taken categorical stand that the petitioner's remedy will not be born before the Hon'ble High Court of A.P., Hyderabad under Art. 226 of Constitution of India unless he has exhausted the remedy available before this Hon'ble Court. The workers who were terminated along with the Petitioner were given appointment by the Respondent on the basis of direction of Hon'ble High Court of A.P., but Petitioner was not given such reappointment. Thus, he has filed the present petition for his reappointment.

3. Counter has been filed by the Respondent. They have contended that the Petitioner was never engaged as casual labour at any point in the Food Corporation of India. Respondents have further alleged that those casual workers who worked in the Food Corporation of India has raised an industrial dispute as I.D. No. 33/1982, wherein they were considered for appointment in the corporation. However, Petitioner has not worked with the corporation nor he raised any industrial dispute, there is no relationship of employer and employee between the Petitioner of this case and the Respondent. The Petitioner for the first time along with others filed W.P. 21564/2000 stating therein that he filed I.D.No. 33/1982 and also W.E.No. 1618/1985. The Hon'ble High Court of A.P., directed the Petitioner to make fresh representation with all particulars. He filed contempt case. The Petitioner has himself stated in the present petition that he did not file I.D.No. 33/1982. One Mr. K. Jan who has

worked with the corporation and who was one of the Petitioners in the ID. No. 33/1982 was given appointment vide proceedings dated 6-9-96 as watchman. The Petitioner was neither engaged as casual labour nor he was a party to the I.D.No. 33/1982. The petition has been filed after much delay and latches, the Petitioner does not deserve any relief.

4. Parties were directed to file their evidence. Petitioner filed his affidavit as his examination in chief and has appeared for cross examination. He has filed the letter dated 20-11-98 by the Food Corporation of India intimating him that his name does not find place in the award in ID No. 33/1982 which is Ex.W1. He has filed Ex.W2 copy of his application for implementation of order of Hon'ble High Court of A.P., dated 2-3-2001. Ex.W3 copy of the letter dated 12-6-2001 intimating him that one Mr. K. Jan has been given appointment in light of direction of the Hon'ble High Court. Ex.W4 application of the Petitioner to implement the order of Hon'ble High Court. Ex.W5 copy of the order dated 2-3-2001 for making fresh representation by the Petitioner to the Respondent. Ex. W6 copy of the contempt petition directing the Respondent to verify the content and making reappointment of the Petitioner.

5. The Respondent has filed affidavit Sri G. Narasimha Raju, Area Manager(District Manager), Food Corporation of India, Nalgonda District and has also presented him for cross examination and prove Ex.M1 to M10

6. I have heard Learned Counsels for the parties. On the date of argument Petitioner and his counsel did not appear. However, the Respondent has appeared and argued the case. I have gone through the pleadings and the evidence produced by the Petitioner and Respondent. The Petitioner in the present petition himself has stated that some of the workers who were terminated by the Respondent had filed ID 33/1982, but the Petitioner did not join in that I.D., the matter went up to the Hon'ble High Court of A.P., and the Hon'ble High Court of A.P. has directed to examine the case of the Petitioners of ID 33/1982 and to give reemployment to them. On the basis of the direction of the Hon'ble High Court of A.P., Petitioners of ID 33/1982 were given appointment. The Petitioner did not joined ID 33/1982 due to financial constraints. However, the Petitioner has stated that he filed Writ Petition before Hon'ble High Court of A.P., bearing No. 21564/2999 the same was disposed of with the direction that Petitioners shall make fresh representation to the Respondent who will examine the representation and take necessary action. The Respondent did not reinstate the Petitioner, then he filed a contempt petition. The Hon'ble High Court of A.P., again directed for making the representation by the Petitioner and to examine the same by the Respondent but no employment was given to the Petitioner. Against this contention of the Petitioner the Respondent has raised objection and has alleged that Petitioner of this case never

worked in the Respondent corporation, one Mr. K. Jan has worked as watchman who raised an industrial dispute vide ID 33/1982 and he has been given appointment. There is no relationship of master and servant at any point of time between the Petitioner and the Respondent management. Petitioner has examined himself in support of his contention and alleged that he was engaged as casual labour directly, he was not sponsored by District Employment Exchange, Nalgonda during the year 1976-81. No notice was given to him at the time of termination of his services. During cross examination he has stated that his name is Md. Jan and he worked for two years in 1975 and 1976 as watchman and he worked under Adil, ADI who used to affix his signature in the acquittance register. The said Adi has given a service certificate to him which he gave to his Advocate. But said certificate has not been filed in this case. He has admitted that he did not join ID 33/1982, he came to know about the ID 33/1982 after its disposal but did not file industrial dispute soon after knowing about the outcome of the industrial dispute in ID 33/1982. He has shown his ignorance about Mr. K. Jan who was Petitioner in ID 33/1982. The Petitioner has not filed any evidence to prove that he ever served as watchman or in any other capacity under Respondent, however, on his own statement he stated that he was given a certificate by Sri Adil, ADI which was given to his Advocate by him. He has not been able to produce Mr. Adil or any other employee of the Food Corporation of India who had worked with the Petitioner during the alleged period of his employment of the Petitioner in the Food Corporation of India or the alleged certificate given by Mr. Adil to Petitioner. Merely, filing of writ petition before Hon'ble High Court of A.P., and direction of Hon'ble High Court of A.P., for the Petitioner to file representation and examination of such representation by Respondent does not confer any right on the Petitioner for employment, unless Petitioner proves that he has worked with the management of Food Corporation of India and he was terminated from the services without following the procedure prescribed in Industrial Disputes Act, 1947. The Respondent witness has categorically stated that Petitioner was never employed by the Respondent management as such, there was no relationship of master and servant between the Petitioner and the Food Corporation of India management. Petitioner has not been able to prove that he was appointed by the Food Corporation of India or he worked as casual labour and his services terminated without following the due procedure. Petitioner's allegation that he was terminated in the year 1976, but for the first time he filed the writ petition in the year 2000 and this industrial dispute in the year 2003. Thus, there is delay and latches on the part of the Petitioner, though there is no limitation for filing the claim petition but the petition should be filed within a reasonable time to prove the prudence of the Petitioner since there is no relationship of master and servant between the Petitioner and the Food Corporation of India nor did not join in ID 33/1982 an in-house enquiry

was conducted by the Respondent wherein it was found that the Petitioner has not been employed by the Respondent at any period of time as such it was the duty of the Petitioner to prove that he was engaged by Respondent as alleged by him, had he been worked with the Respondent management he would have surely joined the Petitioners of ID 33/1982 which he has not done and he has not been able to prove in this case that he was ever engaged by the Respondent to work as a casual labour. As such the Petitioner has got no claim against the Respondent management, the claim petition is baseless and deserves to be dismissed Petitioner is not entitled for any relief and hence this award.

Award passed accordingly. Transmit.

### AWARD

This petition under Sec.2 A (2) of the I.D. Act, 1947 has been filed by Sri Sunkari Prasad, ex-badli filler in light of the judgment of the Hon'ble High Court of Andhra Pradesh reported in W.P. No. 8395 of 1989 dated 3-8-1995 between Sri U. Chinnappa and M/s. Cotton Corporation of India and two others to set aside the termination order dated 20-8-2001 and to reinstate the Petitioner workman with full back wages.

2. It is alleged by the Petitioner that he was appointed as badli filler on 18-10-95 and was confirmed during the year 2000. The Petitioner suffered with ill-health and other family problems, as such he could not be regular to his duties. A charge sheet dated 22-2-2001 was issued alleged that the Petitioner has worked for 14 days during 2000 which amount to misconduct under company's Standing Orders No. 25.25. The Petitioner has submitted his explanation but the Respondent were not satisfied and ordered for departmental enquiry. The Enquiry Officer conducted the enquiry with pre-determined notion. The enquiry was not valid in nature. The Enquiry Officer submitted his report on the basis of a show cause notice dated 6-7-2002 to the Petitioner against which Petitioner submitted his reply on the same date. The Disciplinary Authority did not consider the submission made by the Petitioner and passed dismissal order of Petitioner w.e.f. 24-8-2001 vide order dated 20-8-2001. The Petitioner was absent due to ill-health and the same was stated by the Petitioner before the Enquiry Officer, no challenge was made from the side of the management as such, the submission made by the Petitioner would have been deemed to be correct but the Enquiry Officer has not considered the submission made by the Petitioner workman. He submitted his enquiry report with a predetermined notion as such, the order passed on such enquiry report is bad and deserves to be quashed. Proper opportunity was not given to the Petitioner in the enquiry proceeding.

3. Management has submitted his reply alleging therein that Petitioner remained absent for the year 2000 but for 14 days which hampered the working of the company, the absence of the Petitioner was without any sufficient cause which is grave misconduct within the Standing Orders 25.25 of the company and dismissal is not bad in the light of the case law reported in 1996(1) SCC 302 State of U.P. and others Vs. Ashok Kumar Singh. Petitioner's contention that he was not afforded proper opportunity is incorrect. Due notices were given to the Petitioner to participate in the enquiry proceeding. The notice was acknowledged by the Petitioner and he participated in the enquiry proceeding. Petitioner did not availed the assistance of co-worker though he was given the opportunity to take the help of a co-worker. Petitioner did not produce any sickness proof, thus he failed to produce any documentary evidence before the Enquiry

Officer. During the years 1997, 1998 and 1999 also the Petitioner was not regular to his duties. In the year 1997 he put in only 75 musters, in 1998-103 musters, and in 1999-121 musters. However, in the year 2000 he put in only 14 musters. This prove that the Petitioner was not sincere to his work. He intentionally absented himself without any reason or cause. The company has produced medical facilities by establishing hospitals, the Petitioner did not reported to the company hospital for his sickness thus, his submission that he was absent due to ill-health is unfounded, Enquiry Officer has given his finding on the material placed before him by the management and no fault can be find in the enquiry report, it is based on evidence and Petitioner's dismissal order is disproportionate to the misconduct committed by him since Petitioner was not regular to his duties company has dismissed him which is neither illegal nor invalid.

4. Parties were directed to produce documentary evidence in support of their claims. Petitioner has filed show cause notice dt. 6-7-2001 and dismissal order dated 20-8-2001. However, the Respondent has filed entire domestic enquiry proceedings file explanation submitted by the Petitioner, show cause notice issued to him, his explanation against show cause notice, copy of the statement of the witnesses and that of the Petitioner himself and dismissal order.

5. Before coming to the point of the legality of the order passed by the management it is pertinent to mention that Learned Counsel for the Petitioner moved memo dated 7-7-2009 conceding the validity and legality of the domestic enquiry as such, the domestic enquiry was held to be legal and valid.

6. I have heard counsels for the parties and has gone through the claim petition, counter statement and documents filed by the parties.

7. It is admitted fact that the Petitioner has put in only 14 musters during the year 2000 for which a charge sheet dated 22-2-2001 was issued to the Petitioner against which the Petitioner filed his explanation stating therein that he remained absent due to ill-health and family problems. It is also admitted that domestic enquiry was conducted and Petitioner participated in the domestic enquiry. On the basis of the report submitted by the Enquiry Officer dismissal order has been passed against the Petitioner which is under challenge. In this case this tribunal has to consider,

(1) Whether the absence of Petitioner during the year 2000 was for any sufficient and reasonable cause or not and the report of Enquiry Officer is based on evidence or not.

(2) Whether the punishment imposed upon the Petitioner is disproportionate to the misconduct committed by the Petitioner.

8. **Point No.1:** The Petitioner has submitted that he remained ill during the year 2000 due to which he remained absent and put in 14 musters during the year 2000. His statement was recorded by the Enquiry Officer and during the course of the enquiry he stated that he worked for 14 days and remained absent for 327 days. Due to health problem and personal problems. His wife's health is also not good, had old parents who were also not feeling well. Due to their health and old age, the Petitioner has moved from hospital to hospital for treatment and that too for their service he remained absent. His wife went away with his son and he is searching for them. But has not been able to provide any single document before the Enquiry Officer to substantiate his allegations. In his reply dated 6-3-2001 he has not mentioned that his wife went away with his son and he is searching them. He simply written that his wife was not keeping good health and his parents were also not keeping good health. He took them from one hospital to another hospital for their treatment. But to which hospital, the Petitioner has shown to their parents or to his wife or to himself was neither mentioned in the explanation dated 6-3-2001 nor in his statement before the Enquiry Officer. As against this, the management has produced Mr. M. Sanjeeva Rao and Sri T.S.S. Sastry, clerk to prove that Petitioner remained absent without any leave or without any intimation for 327 days during the year 2000 from January to December. Since absence of the Petitioner was admitted by the Petitioner himself it was the sole duty of the Petitioner to prove that his absence was due to any cogent reason or sufficient cause. Petitioner not able to prove that his absence during the year 2000 was due to sufficient reason. Though he stated that he was absent due to ill-health but he is not able to provide any evidence or proof in support of his illness or illness of any of his family members. Even if it is presumed that Petitioner remained absent due to the ill- health of his family members why he did not informed his superiors regarding his illness has not been explained by the Petitioner. Thus, the finding of the Enquiry Officer that Petitioner's absence for 327 days during the year 2000 was based on evidence and reasoning and no fault can be find in the finding arrived at by the Enquiry Officer.

9. This tribunal is also of the opinion that the Petitioner remained absent without any intimation to his employer during the year 2000 for 327 days, his absence was without any reasonable or sufficient cause and thereby the Petitioner has committed misconduct mentioned in para 25.25 of the Standing Orders of the company. Point No.1 is decided accordingly.

10. **Point No.2:** So far as the question of punishment is concerned the Petitioner has not been able to justify his absence during the year 2000 he has voluntarily admitted before the Enquiry Officer that he remained absent during 2000 and could attend only 14 musters though the Respondent management has stated in the counter

statement that Petitioner remained absent during the year 1997, 1998 and 1999 also which was not mentioned in the charge sheet. However, this fact was not brought before the Enquiry Officer also. As such, the previous absence can not be taken into consideration but the absence in the year 2000 for 327 days is surely a grave misconduct and management has not committed any mistake in passing the punishment of dismissal against the Petitioner. The Learned Counsel for the Petitioner has argued that the Petitioner's family is starving due to dismissal of the Petitioner against which Learned Counsel for the Respondent has argued that Petitioner himself is responsible for the starvation of the family members, the Petitioner was a unwilling worker who has not cared to perform his duties with sincerity as such, the punishment was proper and interference is not required in this case.

11. I agree with the argument of the Learned Counsel for the Respondent and I am also of the considered opinion that the punishment imposed on the Petitioner is neither excessive nor disproportionate and Petitioner is not a deserving person for any lenient view, to be taken in favour of the Petitioner. The Petitioner himself is responsible for the starvation of his family members, no interference is required in the matter of the punishment. Point No.2 is decided accordingly.

12. From the above discussion, the tribunal is of the considered opinion that the claim petition is unfounded, no interference is required in this case Petitioner is not entitle for nay relief, petition deserves to be dismissed and hence, this award.

Award passed accordingly. Transmit.

Sri Saligommula Shankar, ex-worker of M/s. Singareni Collieries Company Ltd., challenged the order of his dismissal dated 6-12-2003 and to reinstate him in the services with full back wages through his claim petition filed under Sec. 2 A (2) of the I.D. Act, 1947 in light of the judgment of the Hon'ble High Court of Andhra Pradesh reported in W.P. No. 8395 of 1989 dated 3-8-1995 between Sri U. Chinnappa and M/s. Cotton Corporation of India and two others.

2. It has been alleged by the Petitioner that he was appointed as badli filler on 16-5-88 and was confirmed on 1-1-94. However, during the year 2002 Petitioner himself suffered with illness and other family problems due to which he could not attend regular duties and could put only 93 days during the year 2002. Charge sheet dated 31-1-2003 was issued to him alleging that Petitioner has committed misconduct under company's Standing Order 25.25 and he was asked to submit his explanation. The Petitioner has submitted his reply to the charges and pleaded his inability to perform duties on account of his own health problems and family problems. He further assured that he will attend duty. Unfortunately without considering any of the above submissions, Petitioner was dismissed w.e.f. 6-12-2003 in a illegal, arbitrary manner violating principles of natural justice. The enquiry was conducted in a routine and mechanical manner with pre-determined intentions. It was a mere formality which resulted in the issuance of impugned dismissal order. The Disciplinary Authority failed to apply his mind while issuing the dismissal order dated 26-6-2003/6-12-2003. The witness who deposed against the Petitioner has no personal knowledge of the charges against the Petitioner. The Enquiry Officer has not considered the submissions made by the Petitioner nor he has considered the medical fitness produced by the Petitioner during the course of enquiry which remained un rebutted. As such it deserves to be set aside and Petitioner be reinstated with full back wages.

3. Respondent has filed counter statement. The Respondent has alleged that Petitioner's allegation that enquiry was lopsided or it was conducted with a pre determined notion is incorrect. Petitioner has not put in sufficient musters. His contention that he was absent on account of ill-health and family problems is put to strict proof. On account of poor musters, the Petitioner was counselled to improve his performance but after counselling the Petitioner could put only 146 musters from January to December, 2003. This shows that Petitioner is not interested in working in Respondent's company and Respondent has not committed any mistake in dismissing the services of the Petitioner because the performance of the Petitioner was not satisfactory. It was effecting the production of the company. The procedure of enquiry was explained to the Petitioner and he has put in his signature on each page of

the proceeding. It proves that enquiry proceeding was conducted in a free and fair manner. Petitioner has not availed the assistance of defence assistant himself. Witnesses produced by the management and their statement was explained in Telugu language to the Petitioner. Petitioner has accepted his guilt. Petitioner has kept quite for three years after dismissal. Hence, the Petition suffers from delay and laches. Petitioner has not been able to prove the plea raised by him during course of enquiry, the conclusion of the Enquiry Officer is based on evidence. It is not a result of predetermined notion or non-application of the mind. Petition deserves to be dismissed.

5. It is pertinent to mention here that though the proceeding taken before the Enquiry Officer was challenged by the workman through his claim petition, but on 2-3-2009 Petitioner's counsel filed memo before this tribunal conceding the legality and validity of the domestic enquiry, thus, the domestic enquiry has been held to be legal and valid.

6. It has been argued by the Learned Counsel for the Petitioner that though Petitioner has conceded to the legality and validity of the domestic enquiry, but he has every right to challenge the findings of the Enquiry Officer, during the course of arguments under Sec. 11A of the Industrial Disputes Act, 1947. He has further argued that Petitioner remained absent during the charge sheeted period and has put in 93 musters during 2002 but during the course of Lok Adalat conducted by this tribunal it was agreed between the management and workers side that such workers who has put in 100 musters during a year preceding the year of dismissal were reinstated in the service. In the present case though the Petitioner's absence is not challenged Petitioner submitted before the Enquiry Officer that due to family problems and ill-health he remained absent. To substantiate his contention Petitioner has filed medical report of his father Sri S. Swamy, his test was conducted on 14-9-2002 and he was advised for biopsy, he has also filed the medical prescription dated 4-9-2002 of his father, 5-9-2002 of his father, diagnosing, 'carcilona stomach' Ultra sound report of his father, prescriptions dated and 7-10-2002 and endoscopy report dated 19-9-2002 wherein biopsy of some growth is suggested in Nizams Institute of Medical Sciences, report of biopsy, consent of workman for performing operation of his father on 14-9-2002, Singareni Collieries Company Hospital prescription dated 13-9-2002, 24-8-2002, 31-8-2002, 7-10-2002 etc. all these documents had not been considered by the Enquiry Officer. Which if considered, was sufficient to prove the cause of absence of the workman for the month of August, September and October. Against this argument, Learned Counsel for the Respondent has argued that Enquiry Officer has considered all the material placed before him and his report is based on evidence produced before him. Petitioner has himself voluntarily admitted his mistake and assured

during the course of enquiry that he will be regular in future and Enquiry Officer has given his finding regarding the evidence produced by the Petitioner. Thus, no fault can be find in the enquiry report or proceeding.

7. I have considered the above argument. It has to be considered that whether the Petitioner has been able to justify his absence and whether his absence is without sufficient cause, cause explained by him is sufficient to remain absent by the Petitioner.

I have gone through the enquiry proceeding record. There is statement of charge sheeted employee wherein he has stated "I remained absent without sanctioned leave or sick for 194 days as stated by Sri K.E. Prasad, Clerk, Grade II due to financial problem and for treatment of my father and his sudden death, I did not file any leave letter or sick on days of my absence. I also admit that I did not indicate reason for my inability to attend my duty". He has further stated that in support of his statement he has submitted medical prescriptions of his father. He has filed the medical treatment paper as mentioned earlier. But there is no mention of these papers in the finding arrived at by the Enquiry Officer. Enquiry Officer has simply stated that the workman has explained that due to financial problem and treatment to his father and sudden death of his father he could not attend the duty, it could not substantiate the same with the relevant proof. I am not convinced with this observation of the Learned Enquiry Officer that the Petitioner has not substantiated his statement by any relevant proof. The workman has filed treatment and pathological tests related papers of his father who was suffering from the gastro problems. His endoscopy and biopsy has been done, the papers produced by the workman proved that workman used to take his father for his check-ups and treatment during the months of August, September and October. As per statement of the Petitioner his father expired. This statement of the Petitioner has not been challenged during the course of enquiry. Thus, it can not be said that Petitioner's father did not die or Petitioner did not attend to his father during his father's illness. Medical papers produced by the Petitioner prove that cause of absence of the Petitioner during August, September and October was the ill-health of Petitioner's father who ultimately expired. This aspect of the matter has not been considered by the Enquiry Officer nor he has given any finding on this aspect. "His finding about not substantiating the statement of the Petitioner is frivolous and can not be accepted." This shows and prove that the Enquiry Officer has not applied his mind while submitting or preparing the enquiry report. The report of the Enquiry Officer is a result of non-application of the mind and it can not be said to be lawful conclusion and report.

8. It is undisputed that Petitioner remained absent under clause 25.25. The misconduct is habitual attendance

or habitual absence from duty without sufficient cause. Absence from duty without sufficient cause is misconduct. In the present case the Petitioner has proved before the Enquiry Officer that his absence for the months of August, September and October was due to sufficient cause, it also proves that his father has not having good health prior to the months of October, 2002, thus, his absence for the year 2002 was for sufficient cause. However, he did not apply for any leave and did not inform his superior officer, he has committed misconduct but the gravity of the misconduct is diluted due to proof of sufficient cause. The above point is answered accordingly.

9. It has been argued by the Learned Counsel for the Petitioner that Petitioner remained absent due to sufficient cause as such the extreme penalty of dismissal was excessive in this case. Against this argument, Learned Counsel for the Respondent has argued that the Petitioner has not informed the office about his absence, he did not sought any type of leave, the production of the company has suffered due absence of Petitioner, during the course of the enquiry though Petitioner undertook to remain regular to his duty has not complied with his own assurance, he put in only 146 musters in the year 2003, thus, the punishment is a proportionate. I have considered this argument though the Petitioner has put only 140 musters in the year 2003, that was not a point for determination during course of enquiry or the Petitioner's attendance for 146 days during 2003, those can not be the basis for imposing the punishment in this matter. No charge sheet has been issued to the Petitioner for his absence during the year 2003. Petitioner has been charged for the absence in the year 2002 only where he has put 93 musters and for that period he has given cogent and reasonable cause that he remained absent due to illness of his father who expired in the year 2002. The Petitioner was busy in the treatment for his father, carrying him from one hospital to other hospital and thus though he remained absent the cause of absence was reasonable and sufficient. This aspect has not been considered by the Disciplinary Authority or Enquiry Officer. Hence, the penalty of punishment is excessive and disproportionate.

10. The Petitioner of this case would have been awarded any other alternative punishment is enumerated in clause 26 of the Company's Standing Orders and thus there is force in the argument of the Learned Counsel for the Petitioner, that in the matter of the present Petitioner, the ends of justice could have been meted out by putting a lesser punishment and not a punishment of dismissal. I am convinced with the argument and I am also of the view that in the light of acts of the present case and evidence put before the Enquiry Officer by the workman, punishment of dismissal is excessive and disproportionate to the misconduct committed by the Petitioner.

11. Petition deserves to be allowed and order of dismissal deserves to be quashed. The order of dismissal is quashed instead of dismissing the Petitioner, the Petitioner is reverted back to a lower grade, with the lowest pay of the grade of his pay and he will be entitled for 50% of the back wages in the lowest grade of pay. The Respondent is directed to reinstate the Petitioner within two months after publication of this award. Hence, this award.

Award passed accordingly. Transmit.

For the Respondent : Sri S. M. Subhani, Advocate.

**AWARD**

This petition under Section 2A (2) of the I.D. Act, 1947 has been filed by Sri Md. Mousin Ali, ex-badli filler in light of the judgment of the Hon'ble High Court of Andhra Pradesh reported in W.P. No. 8395 of 1989 dated 3-8-1995 between Sri U. Chinnappa and M/s. Cotton Corporation of India and two others to set aside the termination order dated 4-11-2001 and to reinstate the Petitioner workman with full back wages.

2. It is alleged by the Petitioner that he was appointed as badli filler on 26-7-1990 and was confirmed as coal filler in the year 1995. He remained regular to his duty till the year 2005. During the year 2006 he suffered with stomach pain and back pain intermittently. While the matter is stood thus, the chargesheet dated 16-2-2007 was issued alleging therein that the Petitioner worked for 54 days in the year 2006 which amounts to misconduct under the Company's Standing Order 25.25. Petitioner submitted his explanation and reason for his inability to perform his duties. But without considering the merit and submissions an enquiry

was ordered with pre-determined notion. During the course of enquiry Petitioner was not given opportunity. The Enquiry Officer submitted lopsided enquiry report holding the workman guilty of the charges proved. A show cause notice dated 29-4-2007 was issued to the Petitioner against which Petitioner submitted his reply on 22-5-2006. However, without considering the merit of submission, Petitioner was dismissed from service w.e.f. 16-11-2007 vide order dated 4-11-2007. Petitioner could not perform his duties on account of his ill-health and family problems. The Petitioner has challenged the enquiry proceeding and finding of the Enquiry Officer on the ground that principles of natural justice were not observed in the case of the Petitioner. The finding of the Enquiry Officer are outside the scope of the chargesheet. The submission made by the Petitioner was not considered by the Enquiry Officer or by the Disciplinary Authority. The finding of the Enquiry Officer is not only contrary to the evidence but also contradictory. The contention of the Petitioner was not challenged and remained un-rebutted but the same was not considered by the Enquiry Officer. The order of dismissal is based on an illegal enquiry report, hence, deserves to be quashed. Petitioner has prayed that the dismissal order be quashed and he be reinstated on the services of the Respondent.

3. Management has filed counter statement wherein it has been contended that Petitioner in his deposition before the Enquiry Officer has stated that it is his mistake to remain absent and did not obtain prior sanction of any leave or sick leave and the Petitioner has stated that he did not report in the colliery hospital nor did he get leave sanctioned or accepted. He did not submit any documentary evidence in support of his claim. The findings of the Enquiry Officer is based on evidence it is neither contradictory nor based on no evidence. Petitioner's performance was not satisfactory during the year 2002, 2003, 2004, 2005, and 2007. Proper enquiry was conducted, Petitioner was given full opportunity to defend his case. In the year 2002 Petitioner has put in only 112 musters, in 2003-113 musters, in 2004-110 musters, in 2005-103 musters, in 2006-54 musters and 11 musters in 2007. This prove that Petitioner's performance was not satisfactory during all these years. The competent authority has considered all these aspects, own admission of the Petitioner and thereby has imposed the punishment of dismissal which is neither excessive nor disproportionate. The action of the management is justified in light of the observation of Hon'ble Supreme Court in the matter of case law reported in 1996(1) SCC 302 State of U.P. and others Vs. Ashok Kumar Singh Petitioner's contention that he was not afforded proper opportunity is incorrect.

Due notices were given to the Petitioner to participate in the enquiry proceeding. The notice was acknowledged by the Petitioner and he participated in the enquiry proceeding. Petitioner did not availed the assistances of co-worker though he was given the

opportunity to take the help of a co-worker. Petitioner did not produce any sickness proof, thus he failed to produce any documentary evidence before the Enquiry Officer. During the years 2002, 2003, 2004, 2005, 2006 and 2007 also the Petitioner was not regular to his duties. This prove that the Petitioner was not sincere to his work. He intentionally absented himself without any reason or cause. The company has provided medical facilities by establishing hospitals at area and zonal headquarters, the Petitioner did not reported to the company hospital for his sickness thus, his submission that he was absent due to ill-health is unfounded, Enquiry Officer has given his finding on the material placed before him by the management and no fault can be find in the enquiry report, it is based on evidence and Petitioner's dismissal order dated 4-11-2007 is not disproportionate to the misconduct committed by him since Petitioner was not regular to his duties as such company has dismissed him which is neither illegal nor invalid.

4. Parties were directed to produce documentary evidence in support of their claims. Petitioner has filed proceedings of enquiry, enquiry report and dismissal order dated 4-11-2007. Respondent has filed entire domestic enquiry proceedings file and dismissal order and Petitioner's representation dated 22-5-2007.

5. Before coming to the point of the legality of the order passed by the management it is pertinent to mention that Learned Counsel for the Petitioner moved memo dated 4-2-2009 conceding the validity and legality of the domestic enquiry as such, the domestic enquiry was held to be legal and valid.

6. I have heard counsels for the parties and has gone through the claim petition, counter statement and documents filed by the parties.

7. It is admitted fact that the Petitioner has put in only 54 musters during the year 2006 for which a charge sheet dated 16-2-2007 was issued to the Petitioner against which the Petitioner filed his explanation stating therein that he remained absent due to ill-health and family problems. It is also admitted that domestic enquiry was conducted and Petitioner participated in the domestic enquiry. On the basis of the report submitted by the Enquiry Officer dismissal order has been passed against the Petitioner which is unchallenged. In this case this tribunal has to consider,

- (1) Whether the absence of petitioner during the year 2006 for any sufficient and reasonable cause? And report of Enquiry Officer is based on evidence or not?
- (2) Whether the punishment imposed upon the Petitioner is disproportionate to the misconduct committed by the Petitioner?

8. Point No.1: The Petitioner has submitted that he remained ill during the year 2006 due to which he remained

absent and put in 54 musters during the year 2006. His statement was recorded by the Enquiry Officer and during the course of the enquiry he stated that he worked for 54 days and remained absent for 253 days due to health problem and personal problems. But has not been able to produce single document before the Enquiry Officer to substantiate his submissions. As against this, the management has produced Mr. R. Srinivasa Rao, Pay Sheet clerk as MW1 to prove that Petitioner remained absent without any leave or without any intimation for 253 days during the year 2006 from January to December. Since absence of the Petitioner was admitted by the Petitioner himself it was the sole duty of the Petitioner to prove that his absence was due to any cogent reason or sufficient cause. However, Petitioner was not able to prove that his absence during the year 2006 was due to sufficient reasons. Though he stated that he was absent due to ill-health but he has not been able to produce any evidence or proof in support of his illness or illness of any of his family members. Even if it is presumed that Petitioner remained absent due to the ill-health, why he did not informed his superiors regarding his illness, has not been explained by him. Thus, the finding of the Enquiry Officer that Petitioner's absence for 253 days during the year 2006 was based on evidence and reasoning and no fault can be find in the finding arrived at by the Enquiry Officer.

9. This tribunal is also of the opinion that the Petitioner remained absent without any intimation to his employer during the year 2006 for 253 days, his absence was without any reasonable or sufficient cause and thereby the Petitioner has committed misconduct mentioned in para 25.25 of the Standing Orders of the company. Point No.1 is decided accordingly.

10. Point No.2: So far as the question of punishment is concerned the Petitioner has not been able to justify his absence during the year 2006 he has voluntarily admitted before the Enquiry Officer that he remained absent during 2006 and could attend only 54 musters though the Respondent management has stated in the counter statement that Petitioner remained absent during the years 2002, 2003, 2004, 2005 and 2007 also but it was not mentioned in the charge sheet. However, this fact was not brought before the Enquiry Officer also as such, the previous absence can not be taken into consideration. The absence of workman in the year 2006 for 253 days is surely a grave misconduct and management has not committed any mistake in passing the punishment of dismissal against the Petitioner. The Learned Counsel for the Petitioner has argued that the Petitioner's family is starving due to dismissal of the Petitioner against which Learned Counsel for the Respondant has argued that Petitioner himself is responsible for the starvation of the family members, the Petitioner was a unwilling worker who has not perform his duties with sincerity as such, the punishment was proper and interference is not required in this case.

11. I agree with the argument of the Learned Counsel for the Respondent and I am also of the considered opinion that the punishment imposed on the Petitioner is neither excessive nor disproportionate and Petitioner is not a deserving person for any lenient view to be taken in his favour. The Petitioner himself is responsible for the starvation of his family members, no interference is required in the matter of the punishment. Point No.2 is decided accordingly.

12. From the above discussion, this tribunal is of the considered opinion that the claim petition is unfounded, no interference is required in this case. Petitioner is not entitled for any relief and hence, this award.

Award passed accordingly. Transmit.

For the Respondent : Sri S. M. Subhani, Advocate.

#### AWARD

This petition under Section 2A (2) of the I.D. Act, 1947 has been filed by Sri J. Chandra Mallanna, in light of the judgment of the Hon'ble High Court of Andhra Pradesh reported in W.P. No. 8395 of 1989 dated 3-8-1995 between Sri U. Chinnappa and M/s. Cotton Corporation of India and two others challenging the legality and validity of proceeding dated 29-5-2001 and to reinstate the Petitioner in service with all consequential benefits.

2. It has been stated by the Petitioner that he was appointed as badli coal filler on 12th December, 1991 and was promoted as coal filler, 1994. A charge sheet dated 21-3-2000 was issued alleging therein that Petitioner was habitual absentee from duty without sufficient cause during the year 1999 which amounts to misconduct under company's Standing Orders clause 25.25. The proceeding dated 29-5-2001, alleges that charge sheet was sent to the

workman's house advising the Petitioner to attend the enquiry and that Petitioner did not attend the enquiry, an ex-parte enquiry was conducted and the Petitioner was dismissed from service. It has further been submitted that if the past record of the Petitioner has been persued it will be proved that Petitioner put in more than 190 musters in the years 1996 and 1997. From 1998 onwards the Petitioner suffered with severe arthritis and jaundice for which he has taken treatment at Government Hospital, Peddapalli and company's hospital. It was due to the poor health of the Petitioner he could put in only 90 musters during 98 and could not attend his duty during 1999. Due to his ill-health and pecuniary condition he went to his native village for financial support and better treatment. He has undergone treatment in his native village. He was not aware of the issuance of the charge sheet or holding of the domestic enquiry. Had the Petitioner been informed regarding enquiry, he could have certainly participated in the enquiry. No notice was issued to the Petitioner, nor the date of enquiry was communicated to him. The Petitioner was bedridden in his native place. He was suffering with jaundice and arthritis and his native place is in a remote area, his family members are illiterates and therefore, the Petitioner he could not participate in the enquiry. The charges levelled against the Petitioner is of serious nature for which the dismissal is the only punishment is not correct. The absenteeism was caused due to his sickness but not otherwise. There was none other to look after the health and other problems of the Petitioner. As such, the Petitioner's non-participation in the enquiry proceeding was due to ill-health. Order passed on the Petitioner is excessive and disproportionate to the misconduct committed by the Petitioner. Hence, it deserves to be quashed.

3. The Respondent has filed counter stating that they have categorically stated that Petitioner was served with the charge sheet dated 21-3-2000 which was acknowledge by the Petitioner when no explanation was submitted by the Petitioner. However, the Petitioner has submitted an application on 24-4-2000 stating therein that due to ill-health he remained absent which was examined and was not found satisfactory. Accordingly enquiry notice dated 9-8-2000 was issued to the Petitioner through registered post directing the Petitioner to attend the enquiry on 23-8-2000. Petitioner did not attend the enquiry. Thereafter notice of enquiry was published in Telgu daily newspaper 'Vaartha' on 21-9-2002 advising the Petitioner to attend the enquiry on 11-10-2000. The Petitioner did not avail the treatment of company Hospital. He put in 90 musters during 1998 and only 5 musters in 1999 and 37 musters in 2000, which proves that the Petitioner was a habitual absentee. He did not participate in enquiry proceeding. The proceeding was set ex-parte and Enquiry Officer submitted his report on the basis of material available before him. A second show cause notice was issued to the Petitioner. The Petitioner failed to submit any explanation to the second show cause notice

and thus he was dismissed from the service. The production results depend upon the overall attendance and performance of each and every individual. They are inter-linked and inseparable and absence of any one of them without prior leave or sanctioned leave hampers the work of the company. Such unauthorised absence creates sudden void, which at time is very difficult to fill up and there will be no proper planning and already planned schedules get suddenly disturbed without prior notice and the company's production will be hampered. Since the Petitioner has not put in sufficient musters in the years 1998, 1999 and 2000 the company management has no other option but to dismiss the Petitioner from the company's services. No illegality has been committed by the management. The punishment imposed on Petitioner is not disproportionate. The Respondent has further alleged that the present petition has been filed after seven years of passing of the dismissal order. No proper and reasonable explanation has been submitted by the Petitioner for filing the present industrial dispute at such belated stage, this act of the Petitioner is also highly improper and the petition deserves to be dismissed on this ground alone.

4. The Petitioner's counsel filed memo dated 4-2-2009 conceding the legality and validity of the domestic enquiry. The domestic enquiry was held to be legal and valid on the basis of the memo filed by the Petitioner's counsel.

5. I have heard counsels for the Petitioner and Respondent under Sec. 11A of the Industrial Disputes Act, 1947 and I have also gone through the claim statement, counter statement and documentary evidence filed by the parties.

6. It has been argued by the Learned Counsel for the Petitioner that though the enquiry proceeding was set ex-parte and Petitioner has not challenged the legality and validity of the domestic enquiry, the Enquiry Officer has committed mistake in non-consideration of the submission made by the Petitioner during the course of enquiry. He has argued that the Petitioner has sent his explanation dated 24-4-2000 coupled with the medical certificate. But the said explanation and medical certificate has not been considered by the Enquiry Officer. The finding of the Enquiry Officer is perverse and based on non-application of the mind and that of predetermined notion. Non-consideration of the submission of the petitioner dated 24-4-2000 vitiated the entire enquiry proceeding and the finding arrived at by the Enquiry Officer. Thus, the punishment imposed on basis of such a perverse findings is also unsustainable in the eye of law. He has further submitted that the absence of Petitioner was for sufficient reason and since the Petitioner was suffering with prolonged illness on account of jaundice he could not attend to his duties in the year 1999. This aspect of the matter was not considered by the Enquiry Officer nor the

Disciplinary Authority has applied his mind to the submission made by the Petitioner. The charges against the Petitioner can not be said to have been proved. He has further argued that the punishment imposed by the Respondent is disproportionate to the misconduct committed by the Petitioner. Against this argument of the Learned Counsel for the Petitioner, Learned Counsel for the Respondent has argued that the Petitioner has put in only 90 musters during the year 1998, 5 musters in 1999 and 37 musters in 2000. From the submission of the Petitioner that he has submitted his reply against the chargesheet dated 24-3-2000 it is evident that chargesheet was served on the Petitioner. The contention of the Petitioner that he remained absent during the entire year 1999 is not sufficient to prove that the Petitioner remained absent due to his ill-health because the Petitioner did not appear before the Enquiry Officer to substantiate his contention. Enquiry Officer was justified in arriving at the conclusion that Petitioner's absence was not supported with any medical prescription issued by the medical practitioner who has said to have issued the medical certificate to the Petitioner. The Petitioner has submitted a xerox medical certificate along with his explanation. If that medical certificate is to be believed, it will prove that the Petitioner has intentionally avoided to appear before the Enquiry Officer. The alleged certificate is dated 9-1-2000. Though it is the xerox copy of the medical certificate it is written in it that he is fit to resume his duties from 20-1-2000 onwards but he has not reported for duty or not appeared before the Enquiry Officer even after 20-1-2000. Mere submission of a medical certificate is not sufficient to prove the alleged ill-health of the petitioner. If the Petitioner was suffering from jaundice, even then, he could have informed regarding his absence to his superiors. Jaundice is not such a disease so as to disable him to intimate his absence well in advance or during the course of his absence. If he was able to go to his Doctor, he could have gone to the post office and send the letter to his superiors informing them of his absence and illness. Thus, the contention of the Petitioner's counsel that submission of the Petitioner and his medical certificate was not considered by the Enquiry Officer is devoid of any merit since the Petitioner himself has absented himself, the Enquiry Officer has submitted his report on the basis of evidence ex-parte produced by the management. In the present case not only notice was sent to the Petitioner but his notice to participate in the enquiry was published in Telugu Daily Newspaper advising him that if he will not appear before the Enquiry Officer the proceeding will be set ex-parte. The Petitioner was said to remain absent due to jaundice in the year 1999, but he has put in only 37 musters in the year 2000 when he was declared fit. This proves that his intention is not good. He is not a willing worker. He does not want to serve the management properly and the management has not committed any mistake in dismissing the services of such a negligent and unwilling worker. He has further argued that the delinquent employee

of this case has filed this petition after 7 years, no plausible reason and explanation has been given why dispute was not raised earlier. That the petition deserves to be dismissed on the ground of delay and latches.

7. I have considered above submission of the Learned Counsels for the parties and I find that this tribunal has to consider the following points in this case:

- (i) Whether the absence of the Petitioner for the year 1999 is based on any reasonable cause and he was prevented for giving reasons why he remained absent.
- (ii) Whether the finding of the Enquiry Officer is perverse and he suffers from non-consideration of Petitioner's submissions and is bad in law.
- (iii) Whether the punishment imposed on the Petitioner is disproportionate to the misconduct by the Petitioner.
- (iv) Whether this petition deserves to be dismissed on the ground of delay and latches.

8. Point Nos. (i) & (ii): It is admitted case of the parties that the Petitioner did not inform to the superiors regarding his absence in the year 1999, it is also admitted case of the parties that Petitioner did not appear before the Enquiry Officer. He has sent an application dated 20-4-2000 to show that he remained absent due to jaundice and he was under treatment. He has submitted xerox copy of medical certificates which was not proved by the Petitioner himself before the Enquiry Officer. In that event of the matter the Petitioner can not be permitted to say that he has submitted certificate and it was not considered by the Enquiry Officer. The Petitioner himself has not taken courage to substantiate his contention by producing himself before the Enquiry Officer. He has no reason to raise the same point before this tribunal. Had he appeared before the Enquiry Officer and proved the medical certificate, he has reason to argue that his submission was not considered by the Enquiry Officer. He remained absent is not a matter of dispute. The absence was due to illness was to be proved by the Petitioner himself. The management witness had appeared before the Enquiry Officer and they had stated that the Petitioner remained absent, he did not inform the company nor he sought any type of leave. This statement of the witness was not challenged by the Petitioner before the Enquiry Officer, during course or argument before this tribunal also, the Petitioner's counsel has not contended that the Petitioner has given any information or he has sought any type of leave for his absence. Learned Counsel for the Respondent has argued that mere filing of medical certificate is not sufficient to prove the illness or reason of absence. He has relied upon the case law reported in 2006(3) ALT 562 of

Hon'ble High Court of A.P. wherein the Hon'ble High Court has held that even if he leave application is supported with the medical certificate, it will not be proper explanation. Here, in the present case the Petitioner has not appeared before the Enquiry Officer, when the medical certificate declared that he is fit to join the duty non-joining of the duty of the declaration of the fitness of the Petitioner is fatal to the case of the petitioner. It shows that petitioner is an unwilling worker and he has procured the medical certificate to justify his absence. I am in full agreement with the Learned Counsel for the Respondent that if this medical certificate is belived it will prove that Petitioner is an unwilling worker because even after declaration of his fitness he has not joined to his duties. He has not informed of his illness. As such, the non-consideration of his submission is neither fatal nor it amounts to non-application of the mind of the Enquiry Officer. The Petitioner has himself not appeared before the Enquiry Officer to press his submission nor he has been able to prove that his absence is for any reasonable cause, this tribunal is of the opinion that the Petitioner's absence for the year 1999 and putting only 5 musters during the year 2000 is not for any sufficient reason, he has remained absent intentionally and ha just obtained a certificate which has not been proved by him, either by his own oral evidencer or by summoning the Doctor to substantiate the certificate issued by him. Thus, the absence of Petitioner is not for any good reason. He has committed the misconduct under company's Standing Orders no.25.25. The Petitioner did not appear before the Enquiry Officer to substantiate his allegations thereby domestic enquiry was set ex-parte thus, the Enquiry Officer has not committed any mistake in not considering the submission of the Petitioner and there is no perversity in the finding of the Enquiry Officer. Point Nos. (i) and (ii) are decided accordingly.

**9. Point No.(iii):** The Learned Counsel for the Respondent has argued that Petitioner remained absent in the year 1999 and 2000 considering the entire period of absence and more so he has put in only 5 musters during the entire period 1999, the management has not committed any illegality in dismissing the service of the Petitioner. The argument of Learned Counsel for the Petitioner that alternative punishment could have been proposed is baseless. I have considered these arguments. Though the Petitioner was not issued any charge sheet for the year 1998. The absence of Petitioner for 1998 can not be considered. But, why the Petitioner remained absent even after his fitness during the year 2000 is a matter of concern he put in only 5 musters. He did not inform his superiors and the work is dislocated due to the absence of the Petitioner. Hence, the management has not committed any illegality in dismissing the services of the Petitioner. The action of the management is legal, the punishment is in proportion to the misconduct committed by the Petitioner.

Point No.(iii) is decided accordingly.

**10. Point No.(iv):** Learned Counsel for the Petitioner has argued that Petitioner has filed this petition after seven years, no explanation has not been given by him. Against this, Learned Counsel for the Petitioner has argued that there is no limitation for filing a petition under Sec 2A(2) of the Industrial Disputes Act, 1947. I have considered this argument. Since, there is no limitation under Sec.2A(2) of the Industrial Disputes act 1947, in filing of petition before Industrial Tribunal the question of latches of delay can not be considered. Point No.(iv) is decided accordingly.

**11.** From the above discussion, this tribunal is of the opinion that the claim petition is unfounded, baseless and misconceived. Petitioner deserves no leniency and no relief to be granted to him which is sought by him. The petition deserves to be dismissed and dismissed. Hence, this award.

Award passed accordingly. Transmit.

**AWARD**

This petition has been filed under Section 2A (2) of the I.D. Act, 1947 in light of the judgment of the Hon'ble High Court of Andhra Pradesh reported in W.P. No. 8395 of 1989 dated 3-8-1995 between Sri U. Chinnappa and M/s. Cotton Corporation of India and two others by Sri Theppa Srinivas an ex-badli filler of M/s. Singareni Collieries Company Ltd., challenging the legality of dismissal order dated 24-7-2005.

It has been alleged in the claim petition that Petitioner was initially appointed as badli filler and later on he was confirmed as coal filler. On 15-3-2001 he was issued with a chargesheet under clause 25.25 of the Company's Standing Orders regarding his habitual absenteeism against which Petitioner submitted his explanation on 23-3-2001, but, without properly considering the submission made by the Petitioner an enquiry was ordered and conducted, wherein Petitioner was not given any opportunity. Basing on the finding of the Enquiry Officer who proceeded with the pre-considered notion that the services of the Petitioner be terminated. The proceedings are conducted in English language not known to the Petitioner. Petitioner submitted his explanation before the Enquiry Officer, but the submission made by the Petitioner was not considered by the Enquiry Officer Petitioner; no finding was given on the submission made by the Petitioner by the Enquiry Officer in his enquiry report. He did not apply the independent mind. He has requested this Tribunal to quash the order dated 24-7-2005 and reinstate the Petitioner with full back wages. He has further alleged that he is the sole bread earner of his family. His absence during 2001 is only on account of ill-health and other family problems. The penalty of dismissal is harsh and disproportionate. Hence, this petition.

3. Respondent management has filed counter statement alleging therein that Petitioner was a habitual unauthorised absentee, as such, the punishment imposed on him is not disproportionate to the misconduct committed

by him. Though the Petitioner was initially appointed as badli filler on 14-11-1996 as dependent of his father Sri Ilaiah. He was issued chargesheet for habitual absenteeism during 2000. The Petitioner submitted his explanation on 23-3-2001 stating therein that he met with accident twice in the year due to which he could not attend to his duties and requested for excuse. The explanation was not found satisfactory. Hence an enquiry was conducted complying with the principles of natural justice in which the petitioner participated. The charges were found to be proved and the Petitioner's services were terminated from 27-7-2005. The allegation that Petitioner's submission was not considered by the officer is not correct. The Petitioner himself has not availed the services of a defence assistant. The Petitioner put in 'nil' dates in 1999, 100 musters in 2000, 102 musters in 2001, 105 musters in 2002, 119 musters in 2003, 61 musters in 2004 and in 2005 (upto June) 28 musters. The Petitioner's performance was not satisfactory in the previous years also. As such, his contention that punishment is harsh-has got on basis.

4. Parties were offered opportunity to produce the evidence. Petitioner has filed office order dated 24-7-2005, copy of chargesheet, letter of Respondent dated 2-5-2006, informing the Petitioner that his representation can not be treated as appeal, and it would not be considered as appeal and his representation has been rejected after careful consideration. The Respondent management has filed 17 documents running in 27 pages, chargesheet and acknowledgement dated 15-3-2001, explanation of the Petitioner dated 23-3-2001, notice of enquiry dated 24-3-2001, another notice of enquiry dated 7-2-2002, enquiry proceeding dated 7-2-2002, 5 pages enquiry report dated 19-2-2002, 3 pages service particulars of the Petitioner, Petitioner acknowledgement dated 24-4-2002, letter from PO, BHPL to C.MGR dated 4-10-2002, Letter from Colliery Manager dated 11-10-2002, and letters from SOM, dated 8-4-2003 and 16-9-2004 Note for disciplinary action dated 23-7-2005, and dismissal order dated 24-7-2005.

5. I have heard Learned Counsel for the Petitioner and the Respondent management and have gone through the claim statement, counter statement and documentary evidence filed by the parties. Before dealing with the issues raised by the Petitioner's counsel it would be pertinent to mention that though the Petitioner's counsel has challenged the legality and validity of the proceeding of enquiry on 17-2-2009 the counsel for the Petitioner moved memo conceding the legality and validity of the domestic enquiry. As such it was held to be legal and valid.

6. During the course of argument Learned Counsel for the Petitioner has argued that the Petitioner has submitted his explanation against the chargesheet received by him wherein the Petitioner submitted that he met with scooter accident twice in the year 2000. He has taken

treatment in the company's hospital and he was not able to attend duty regularly in the year 2000. He has realised his mistake and he be excused for the first time. This contention of the Petitioner has not been considered by the Enquiry Officer. Against this argument of the Learned Counsel for the Petitioner Learned Counsel for the Respondent has argued that since the Petitioner has admitted his mistake before the Enquiry Officer, there was no necessity for the Enquiry Officer to enquire regarding the accident of the Petitioner. Learned Counsel for the Petitioner has further argued that according to the chargesheet the Petitioner has put in 100 musters during the year 2005. He was met with accident twice in that year, as such, he remained absent during the remaining period of the year which amounts to reasonable cause for the absence from the duty by the Petitioner. This aspect of the matter was very crucial in the present case and it was the duty of the Enquiry Officer as well as that of the Presenting Officer to cross-examine the Petitioner regarding the date of the accident, the nature of injuries sustained by the Petitioner and duration of the treatment taken by the Petitioner for the treatment of the injuries received by the Petitioner during the course of that enquiry. Against this argument, Learned Counsel for the Respondent has argued that the Enquiry Officer has taken into consideration that Petitioner met with accident twice in year of charge sheet. But the Petitioner himself has admitted regarding plea of his guilt. The Enquiry Officer has not committed any mistake in arriving at the conclusion that the absence of the Petitioner from duty was without any reasonable cause. Learned Counsel for the Petitioner further argued that even if it is accepted and found to be proved that Petitioner remained absent during 2000, the punishment imposed upon the Petitioner in this case is disproportionate because the Petitioner has given a reasonable cause for his absence during the course of enquiry the statement of the petitioner was not challenged by the Presenting Officer. The cause of absence was reasonably explained by the Petitioner. In view of the matter the Disciplinary Authority was not judicious to the pass order of dismissal from the service. A lesser punishment would have been sufficient in the case of present workman.

7. I have considered the above argument in the light of the arguments advanced by Learned Counsel for the Petitioner and the Respondent and this tribunal has to consider the following points:

- (i) whether the absence of Petitioner was for a reasonable cause ?
- (ii) whether the Enquiry Officer has not considered the statement made by the Petitioner regarding his absence and non-consideration of the Petitioner's contention by the Enquiry Officer amounts to non-application of the mind by the officer?

- (iii) Whether the punishment imposed in the present case is disproportionate? And can it be substantiated by any other punishment?

**8. Point Nos. (i) & (ii):** The Petitioner during course of enquiry has filed his written explanation wherein he has submitted that he met with accident twice during the year 2000, that was the reason for absence from duty. Though has admitted that it was fault and he admit to his guilt. But at the same time, the Petitioner has contended that he met with accident twice in the year and he has taken treatment in company's hospital. This statement of Petitioner was not challenged by the Presenting Officer before the Enquiry Officer during course of enquiry nor any question was asked as to when the Petitioner met with the accident for or how many periods he remained hospitalized for taking the treatment from the company's hospital any other hospital. In light of this submission I have gone through the report of the Enquiry Officer who has mentioned in his enquiry report para 2 that workman has stated that he met with a scooter accident and under went for treatment in company's hospital as well as in private hospital for two months. He has further opined that he worked only 100 days and he remained absent on other days without leave and without sufficient cause. He has assured that he will remain punctual in future. The Enquiry Officer has come to the conclusion that the Register-H i.e., Pay sheet of the company verified by company's witness proved that Petitioner remained unauthorisedly absent on dates shown in the charge sheet. He worked only 100 days in all. He has further arrived at this conclusion that "this act of absenting to duties frequently amounts to misconduct under company's Standing Orders 25.25". His unauthorised absence from duty is wholly unjustified. Sri T. Srinivas has admitted his guilt unconditionally in the presence of management representative, his absence is shown in charge sheet is proved. From the reading of the above enquiry report it is amply proved that the Enquiry Officer has not applied his mind to the submission made by the Petitioner that he met with the accident twice in the year 2000 because, the Enquiry Officer has not given any finding regarding the submission made by the charge sheet the workman during enquiry proceeding. the report can not be said to be based on proper appreciation of evidence.

**9. Point 25.25:** of the company's Standing Orders is regarding the habitual late attendance or habitual absence from duty without sufficient cause. It means the absence without sufficient cause is a misconduct or habitual and late arrival on duty is a misconduct. In the present case the Petitioner has contended that he remained absent because he met with accident twice in the year which was accepted by the management representative that Petitioner met with accident twice in the year 2000. The Petitioner has further contended that he has taken treatment in company's hospital and visited hospital for two months. This contention of the Petitioner was not challenged nor any

finding was given by the Enquiry Officer regarding the submission made by the Petitioner about his absence and reasons for the absence. Thus, the finding of the Enquiry Officer is based on non-application of his judicial mind. The finding is a result of pre-conceived notion without considering the reason for the absence and thus, the finding is perverse and no credence can be given to such a finding. The finding is based on non-application of the mind and non-consideration of the evidence adduced by the charge sheeted employee. Had the Enquiry Officer applied his mind to the facts of the present case he would have come to a different conclusion that though the Petitioner remained absent his absence was due to the reason he met with the accident twice in the year 2000. Even though he met with the accident, he has put in 100 musters, thus is to my mind the Petitioner's absence during the year 2000 was due to his accident twice in the year as such, his absence from the duty was for sufficient cause. Though the Petitioner has admitted that he remained absent but he has explained the reasons for his absence which has not been considered by the Enquiry Officer. Thus, the finding of the Enquiry Officer is based on one sided evidence and non-application of his judicious mind. Thus, this tribunal has come to the conclusion that Petitioner's absence in the year 2000 was due to his accident twice in the year and for sufficient cause. The finding of the Enquiry Officer is based on one side evidence and due to non-application of the mind of the his conclusion are perverse and illegal in the eye of law point Nos. 1 and 2 are decided accordingly.

**10. Point No.3:** It is admitted case of the Petitioner that he remained absent during the year 2000, he has put in only 100 musters during the entire year to which he has pleaded guilty and assured the management that he will improve himself. This tribunal has come to a conclusion that the findings of the Enquiry Officer was perverse based on one sided evidence and non-application of the mind. Thus, the punishment imposed on such a perverse enquiry report is not sustainable in the eye of law. No doubt, the Petitioner remained absent he did not inform his superior offices, not sought prior permission for leave, this act of the Petitioner is misconduct, contrary to the Standing Orders No.25.25 but deserves lenient punishment for his misconduct. The Punishment of dismissal from service in the case of the present Petitioner is excessive and disproportionate, as such, the punishment imposed by the management deserves to be quashed and an alternative punishment is imposed on petitioner. The punishment of dismissal is set aside. The Petitioner is to be punished with reversion to initial pay scale of coal filler, he will be reinstated within two months from the receipt of this order and he will put in the lowest grade of his pay. Point No.3 is decided accordingly. In the light of the above discussion, the Petition deserves to be partly allowed. The order of dismissal is set aside. The Petitioner is ordered to be

reinstated as coal filler but at a lowest scale of pay, he will be entitled for 50% of the back wages @ lowest pay scale. Hence, this award.

Award passed accordingly. Transmit.

#### AWARD

This is a petition under Section 2A (2) of the I.D. Act, 1947 filed by Sri A. Harinath Babu, ex-employee of State Bank of India in light of the judgment of the Hon'ble High Court of Andhra Pradesh reported in W.P. No. 8395 of 1989 dated 3-8-1995 between Sri U. Chinnappa and M/s. Cotton Corporation of India and two others challenging the proceeding dated 18-5-2004 stating that the Petitioner dismissed by this proceeding, to quash this proceeding and reinstate Petitioner into service with full back wages.

2. It has been alleged by the petitioner that he joined Respondent bank in the year 1977 as Messenger and was promoted as Assistant in the year 1984. During this period he was transferred to various branches of State Bank of India. In the month of October, 1999 the Petitioner was transferred to Rajampet branch. He has put in 26 years of service in the Respondent bank and has been discharging his duties with utmost sincerity to satisfaction of his superiors. While working at Rajampet branch, the Assistant General Manager and Disciplinary Authority of Respondent bank served a memorandum of 5-2-2002. As per memorandum, the Respondent bank decided to place the Petitioner under suspension for certain serious irregularities reported to have been committed by the Petitioner. He was kept under suspension w.e.f. 5-2-2002. The Petitioner was

further served with a memorandum dated 12-9-2002 which was a charge sheet, a copy of which is being filed with the claim petition. Petitioner gave reply to the charge sheet denying the allegations levelled against him. Then, Respondent appointed Enquiry Officer to enquire into the allegations levelled against the Petitioner and the Petitioner was informed about conducting of preliminary hearing on 4-12-2002. The Respondent bank lodged a police complaint regarding the irregularity committed by the Petitioner. The Petitioner was made suspected, accused in the complaint. The said complaint was registered as criminal case Crime No. 39 of 2002 under Sec.464 to 465 of the Indian Penal Code. On receipt of the information regarding lodging of the complaint Petitioner obtained anticipatory bail from the court of Addl. Sessions Judge, Cuddapah. There are certain guidelines which has to be followed by the Disciplinary Authority to prosecute a bank employee or to take disciplinary action him which was not followed by the Respondent bank. The Petitioner filed writ petition Hon'ble High Court of A.P., to stay the departmental proceedings pending adjudication of the criminal case, which was pending before the Hon'ble High Court of A.P., Hyderabad. In the mean time the bank management on the basis of departmental enquiry has imposed a punishment of dismissal by proceeding dated 18-5-2004, which is liable to be set aside. The Petitioner approached the Hon'ble High Court of A.P., who advised him to approach Labour Tribunal, hence, this petition.

3. The Respondent has filed counter statement denying the allegation made in the petition. The alleged circular is not binding on the management. The Petition was given opportunity to participate in the domestic enquiry. The writ petition alleged to have been filed by the Petitioner was withdrawn by the Petitioner himself. The Petitioner has tried to stall the enquiry proceeding. The domestic proceeding for enquiry was conducted affording ample opportunity to the Petitioner. Order of dismissal was passed on the basis if the enquiry report. The charges levelled against the Petitioner were of serious nature. The Petitioner has withdrawn amounts from the account of the deceased customer which came to his knowledge, and this irregularity committed by the Petitioner came to the notice of the management when the legal heirs of the deceased customers made a claim for the balance lying in the account and the claim petition has got no force and deserves to be dismissed.

4. Parties were asked to produce their respective evidence. Respondent management has produced the record pertaining to the domestic enquiry. The case was pending for several dates for hearing on the validity of domestic enquiry. On 19-3-2010, since Petitioner did not appear to challenge the legality and validity of the domestic enquiry, it was held to be legal and valid due to non-challenged by the Petitioner and case was posted for

argument on 12-4-2010. On 12-4-2010 also the Petitioner called absent and thus, the argument of the Respondent's counsel was heard.

5. I have gone through the pleadings of the parties and documents produced on behalf of the Respondent management. So far as the question of domestic enquiry is concerned the record shows that Petitioner has participated in the enquiry proceeding, he has cross examined the management witnesses, he not only participated in the domestic enquiry but he has engaged a defence counsel during the domestic enquiry who has cross examined the management witnesses. The Enquiry Officer has submitted report that the charges against the Petitioner is proved. The Petitioner has not been able to produce single documents either before Enquiry Officer or along with his claim statement to show that he was innocent or that he has not withdrawn amount on the alleged dates from the accounts of Sri K. Narasaiah and S.H. Basha Saheb (Deceased) and thereby the enquiry report submitted by the Enquiry Officer has found that the Petitioner has withdrawn the amount from the accounts of above named account holders and thereby the Respondent bank has dismissed the Petitioner from services. The Petitioner as an employee of the bank should be trustworthy as custodian of the money deposited by the bank customers but he has breached the trust of the customers and have withdrawn their amounts for his own benefits and gains thereby the bank has not committed any illegality or irregularity in dismissing the services of the Petitioner workman. The punishment imposed by the management is not disproportionate to the misconduct committed by the Petitioner. This petition has got no force and deserves to be dismissed. Hence, this award.

Award passed accordingly. Transmit.

Dictated to Smt. P. Phani Gowri, Personal Assistant transcribed by her corrected by me on this the 19th day of April, 2010.

### AWARD

1. The Central Government, MOL, New Delhi vide notification No. L-12012/414/2001-UIR(B-I) dated 22/26-3-2002 has referred the following dispute for adjudication to this tribunal.

2. Whether the action of the Assistant Manager, State Bank of India, Agra, in terminating the services of Sri Mukesh Kumar son of Sri Hari Singh with effect from 25-02-2000 (Forenoon) is legal? If not to what relief the workman concerned is entitled?

3. The case in short as set up by the concerned workman is that he was appointed at the post of Safai Karmchhari by the opposite party at its Jeevani Mandi Branch Agra, on 27-12-96. The claimant worked hardly and with honesty for whole day during the office hours without any complaint. Apart from the work of Safai Karmchhari, the claimant also worked as in record room during the period 11-4-97 to 24-11-97. The claimant was orally transferred to work at Kamla Nagar Branch in District, Agra, on its opening where the opposite party took the work from the claimant as a regular and permanent Safai Karmchhari. The claimant during the tenure of his service submitted repeated representation with request to make him permanent in the service of the opposite party but the opposite party did not pay any heed to such representations of the complainant. Rather the complainant was verbally assured by the officers of the bank that in case he continues to work in the bank his services will be regularized in near future on the availability of the post. He has further alleged that during the tenure at Kamla Nagar Branch of the opposite party bank he had worked for more than 240 days of continuous service. The claimant has also alleged that on account of his representation the authorities of the opposite bank became annoyed from him. The claimant has further alleged that the opposite party bank removed his services with effect from 25-2-2000 without giving him any notice, notice pay in lieu of notice or retrenchment compensation or even without serving any charge sheet. The claimant after illegal dispensation of his service, he through registered notice dated 17-7-2000 made a request to reinstate

him in service but the said request remained un-replied and on account of post relinquished by him several outsiders were engaged by the opposite party. In furtherance of the same the opposite party engaged the services of Sri Jai Singh at its branch S.N Hospital, Sri Mukesh son of Tikchu at branch office Haribagh Colony Dayalbagh and Sri Maklesh son of Sri Ramesh at their Balkeshwar Branch to work as Safai Karmchhari. The opposite party violated the provision of Section 25-D of the Act read with rule 77. The claimant is unemployed from the date of his illegal termination of service. In this way the entire action of the opposite party is in violation of Section 25F, 25G and 25H of Industrial Disputes Act and is therefore, liable to be turned down with direction that the claimant is entitled for his reinstatement in the service of the bank with full back wages, continuity of service and all consequential benefits.

4. The opposite party has filed a detailed written reply against the claim statement of the workman, inter-alia, raising preliminary objection that the claim of the claimant is not an industrial dispute, provisions of Section 25F, 25G and 25H of the Act are not applicable in the case of the complainant, therefore, the claim of the complainant is not maintainable before this tribunal.

5. On merit it has been pleaded by the opposite party that it is a fact that the claimant had worked at Agra City Branch as Labour and performed the job of excavenging the branch for which the claimant has not been issued any appointment letter by the opposite party. The claimant had worked only for 1 or 1-1/2 hour in a day after opening of the branch. Opposite party has further pleaded that when the claimant was not a regular employee of the opposite party question of transferring his service from one branch to another branch does not arise. The opposite party has conceded the fact that they received the representation of the claimant but it is wholly wrong to allege by the claimant that he was ever assured by the officers of the branch that his services will be regularized as and when vacancy arises or that he was removed from the services of the bank due to animosity on the part of the officers of the branch. The claimant has never completed 240 days of continuous service as claimed by him. Question of making compliance of the provisions of the Act does not arise in the case of claimant as he was engaged on the basis of exigency of work. It is also pleaded by the opposite party that the persons named by the claimant who were engaged/appointed by the bank after dispensation of his service is wholly incorrect and unfounded. As a matter of fact the names of those persons were sponsored by the employment exchange and after they were found successful in interview, they were given regular appointment in the bank. On the basis of above, it has been prayed by the opposite party that the present claim of the claimant is unfounded and devoid of merit, therefore, is liable to be rejected.

6. The claimant has filed rejoinder in support of his claim statement but has nothing stated new except reiterating the facts already pleaded by him in his claim petition.

7. I perused the documentary as well as oral evidence.

8. The only short question to be decided in this reference is, whether the claimant has worked for 240 days continuously in a year preceding the date of his termination. Whether he has acquired any status under the provisions of Industrial Disputes Act. It is true that the initial burden lies on the claimant to prove that he has worked for 240 days or more in a calendar year.

9. Opposite party has produced one Sri Ravi Mohan Yadav Field Officer as management witness no.1. He stated on oath that the claimant Sri Mukesh Kumar had never worked in the office of AGM SBI Agra or under him on 25-2-2000 or before this. It is stated that to appoint any person in the bank there is prescribed procedure. The claimant had never been appointed at any point of time after adopting prescribed procedure. He stated that the claimant used to work occasionally or casual as a casual labour on part time basis to clear the branch premises for a total period of 1 or ½ hours per day and he also used to be paid Rs.50 as labour charges. On or before 25-2-2000, the claimant never worked for 240 days in the previous twelve months. Claimant has given an application to appoint him permanently on 10-2-2000 which is on the file. He was never removed from the service orally or otherwise.

10. Claimant has also adduced himself in evidence as witness W.W.1 Mukesh Kumar.

11. I have examined the oral evidence of both the witnesses. He admitted that when he was engaged he was not given any appointment letter. He was asked to work orally. He was not given any termination letter.

12. Opposite party has invited my attention to the paper no.12/9 and 12/10 filed by the opposite party bank. Both these papers bear the signatures of the claimant, as admitted by him. On paper no.12/10 there is a date as 10-2-2000. In this form it has been written that—at the time of opening of the branch the sweeper was not posted hence he was engaged for having clean the branch on daily rate basis as casual labour. In column no.6, there is a sub column with mention date on which worked. It contains December 1998 to December 1999 and it contains an endorsement on its reverse to the effect—see on its reverse. On the reverse side there is a detail of 163 days only. In this regard there is an argument from the claimant side that it was filled by the manager himself and he has filled it wrongly. I have given due thought to this contention also. Claimant has admitted in his cross examination that he did not work for a single day in the month of February 2000. Therefore, I do not find any force in the contention of the claimant A.R. that there was some malafide on the part of the opposite party in filling the form that is paper no. 12/9 and 12/10 because he

has never made any complaint before any authority in this regard.

13. Claimant has filed photocopies of the vouchers showing that he has worked with the opposite party. He has filed paper nos. 1 to 56, showing that he worked in the Jeevani Mandi branch of the opposite party. He has filed also paper nos. 1 to 104, showing that he had worked in the Kamla Nagar Branch Agra. He has also prepared a rough chart of the vouchers. I have also given due consideration to that. According to claimant he has been removed from service on 25-2-2000, therefore, it has to be seen whether he has worked for 240 days continuously. I tried to examine the vouchers with effect from 24-2-99 to 25-2-2000, photocopy in this regard have been filed by the claimant, there are certain vouchers which are not legible and there are certain other vouchers which are in the name of other persons. Now it is the contention of the authorized representative for the claimant that work was taken from him but he was forced to sign the vouchers fraudulently in the name of other persons, but there is no such reference to this effect in the pleadings. He has also not given any conclusive evidence which may be believable that he was forced to sign the vouchers on behalf of other persons. This part of evidence is not believable. Chart which has been shown at the back of paper no.12/10 contains the description of 163 days from December, 1998 to December, 1999. Even if I proceed to examine from Feb. 1999 to Feb. 2000, it appears that the claimant has not worked for 240 days or more continuously. Opposite party has filed number of documents which are original vouchers. Copy of the letter of the bank, photocopy of the vouchers and reference book on staff matters, copy of the written statement filed by the employer before ALC.

14. Both the parties have invited my attention towards the joint inspection report. I have also given due thought to this report also. As per this report, a joint inspection was carried as per direction of the court by the parties and this report contains the description of inspection. It has contained the description of working days of the claimant right from Jan. 1999 to Feb.2000. In this report for the month of Jan 1999 it has been shown that vouchers were not found available at that time but for the month of Feb, March, April, May, vouchers were found and report was prepared and for the month of June and July certain vouchers were available and certain were not found and for the month of July and August vouchers were found and taken on record. For the month of October no voucher was found. For November 1999 only one voucher was found and for December 1999 and Jan 2000 and Feb. 2000 no voucher was found. Later on bank has also placed the relevant record regarding those vouchers which were not found previously.

15. As I have already said that initial burden lies on the claimant to prove that he has worked for 240 days continuously. Now the claimant has not been able to show

before that counting all these vouchers whether photocopies or the original which are in his name makes to show that he had worked for 240 days continuously.

16. It has already been stated that his name was never called from the employment exchange; he was never issued any appointment letter.

17. There was no permanent vacancy at that time and that he was not appointed by following prescribed recruitment rules. He was engaged as a part time casual labour occasionally for a few hours per day. Therefore, considering the whole evidence I find that he has not worked for 240 days continuously in a calendar year preceding the date of termination of service.

18. It is also the contention of the claimant that when he was removed, some junior workers have been retained and some other new workers have been appointed. Opposite party has stated on oath that at the present time one Smt. Guddi who was working at Tajganj Branch has been transferred to this branch as a Safai Karmchhari and she has been working on this post permanently. Claimant has mentioned in his pleadings that one Sri Jai Singh was engaged at SN Hospital Branch, Sri Mukesh son of Tikchu at Haribagh Colony, Dayal Bagh Branch and Sri Kamlesh at Balkeshwar branch. First of all I would say that the claimant has himself stated that he was working at Kamla Nagar branch and not at any other above branch and this fact has also not been raised by him either before ALC or any other authority before introducing evidence before this court. There is also no reference to this effect also. Moreover, claimant has not been able to prove this fact.

19. Claimant has produced number of rulings.

20. I have respectfully gone through the principle laid down by the Hon'ble High Court and Apex Court.

21. Claimant produced FLR 1985(51) SC in between H.D. Singh & Reserve Bank of India page 494. In this case the Hon'ble Apex Court held that RBI issued some confidential circular for its official which amounts to unfair labour practice, but in the present case there are no such facts.

22. He also produced [2001(90) FLR 744] Rajasthan High Court, in between State & Har Chand. In this case it was found that certain other persons were given appointment after termination of workman. But in the present case I have already stated that no such workman junior to the claimant was engaged at Kamla Nagar Branch of the bank or was given employment.

23. Therefore, claimant is not entitled for any relief on the basis of principle held in the aforesaid cases as the facts are different.

24. Opposite party has also produced a number of rulings

- a. 2004 Lab IC 2791 SC in between Mukund Limited versus Mukund Staff and officers Association.
- b. 2005 Lab IC 238 Allahabad High Court in between

Wasiullah Petitioner versus Labour Court. In this case there was dispute regarding computation of 240 working days—there was no averment that petitioner apprentice was paid wages for weekly holidays and for leave period—said weekly holidays and leave period cannot be included while completing continuous service. In the present case also there is no averment of the claimant that he was being paid for the holidays and the leave period.

- c. Similarly in 2005 Lab I 1899 Karnataka High Court in between Himalaya Drug Company Bangalore petitioner versus Taj Ahmad—In computation of 240 days, it was held Sundays and Gazetted Holidays on which daily wage did not work and for which no wages have been paid either under any notification of statute cannot be counted.

25'. Therefore, considering the factual and legal position of the present case I am of the clear view that the claimant has not been able to prove that he has worked for 240 days or more continuously in a calendar year preceding 12 months from the date of termination. Therefore, he has not acquired any status and opposite party has not committed any breach of section 25-D of the Act read with rule 77, 25F, 25G and 25H of the Act. Accordingly it is concluded that the reference is liable to be decided against the claimant and it is decided so with the result that the claimant is not entitled for any relief.

The Matrix of the facts as culled out from the proceedings are as under :—

1. The Government of India, Ministry of Labour by its Order No. L-12012/27/2008-IR (CM-I) dated 11th July, 2008 in exercise of the powers conferred by clause (d) of Sub-section (1) and sub-section 2 (A) of Section 10 of the Industrial Disputes Act, 1947 have referred the following dispute to this Tribunal for adjudication :

“(i) Whether the action of the Management of M/s. Alitalia Linee Aeree Italiane, SPA , Mumbai in dismissing the services of M/s. Payal Pareek, Flight Interpreter-cum-Commercial Attendant, w.e.f. 8-11-2007 is justified and legal ? (ii) To what relief is the concerned workman entitled ?”

2. Claim Statement is filed at Exhibit 5 by the concerned workman stating and contending that, she joined 1st Party as a flight interpreter and commercial attendant (Cabin crew), by appointment order dated 17-10-2005. She further states that, as per salary calculations/slip she was to receive Rs. 53,664 per month which was annual salary of Rs. 6,43,968. According to 2nd party when she joined 1st Party she was drawing net monthly salary of Rs. 45,954. According to the concerned workman she was posted

against permanent vacancy and has completed probationary period. It is her case that, she was terminated by letter dated 8-11-2007 without following due process of law. No enquiry was conducted, no notice was given. According to 2nd Party said termination is illegal and bad in law. So she prayed that, the same be quashed and set aside with directions to the 1st Party to reinstate her with benefits of back wages and continuity of service.

3. Though notice was served on 1st Party nobody appeared in the reference and challenge the claim of the 2nd Party. So order was passed to proceed ex-parte. On that 2nd Party filed her affidavit, in lieu of her examination-in-chief, at Exhibit 9, in support of her case. Even said affidavit was not challenged by cross examining the 2nd Party. So this evidence remained unchallenged which led us to pass the following order :

**ORDER**

1. Reference is allowed;

2. 1st Party is directed to reinstate the 2nd Party Payal Pareek on her post with benefits of back wages and continuity of service.

3. No order as to its costs.

**AWARD-II**

The Matrix of the facts as culled out from the proceedings are as under :

1. The Government of India, Ministry of Labour by its Order No. L-12011/11/2003-IR(B-II) dated 22nd April, 2003 in exercise of the powers conferred by clause (d) of Sub-section (1) and sub-section 2 (A) of Section 10 of the Industrial Disputes Act, 1947 have referred the following dispute to this Tribunal for adjudication :

“Whether the action of the Management of Bank of India, Mumbai South Zone, Mumbai to remove Shri Babusingh Shrist from service w.e.f. 3-3-2001 is justified ? If not, to what relief the workman Shri Babusingh Shrist is entitled to?”

2. To support the subject matter in the reference, the Statement of Claim is filed by the General Secretary of the Union at Exhibit 5 making out the case that, Workman involved in the Reference i.e. Babusingh Shrist worked with the 1st Party for 38 years. The dismissal of the concerned Workman is bad in law.

3. According to the General Secretary of the Union, the concerned Workman joined his services as sub-staff with 1st Party on 1st April, 1963. He served for 38 years

with 1st party. Voluntary Retirement Scheme was declared by the Bank and concerned Workman Shri S. Babusingh Shrist applied for Voluntary Retirement.

4. At that time, office of the South Zone of the Bank served charge sheet, charge sheet on concerned workmen leveling charge of remaining absent on duty for 82 days without permission. Said absentee was in the year 2000. In fact Bank was aware of the sickness of the mother of the concerned Workman for which he was on leave. Besides Bank was aware that, daughter of the concerned Workman was turned into madness due to harassment given to her by her husband. All these reasons were known to the Bank, still it purposely proceeded against the concerned Workman. He was asked to admit the charge on assurances that, he will be permitted to take VRS. When he admitted the charge, instead of passing any suitable order, order of dismissal was issued against the concerned Workman which is not just and proper. According to general Secretary, the enquiry on the basis of which the, concerned Workman was dismissed from the employment was not at all an enquiry. No opportunity was given to the concerned Workman to participate in the enquiry and cross examine the witnesses of the Bank and permit to lead evidence in support of his case to show reason behind his absenteeism. So it is stated that, dismissal order dated 3rd April, 2001 requires to be set aside with directions to the Bank to take him back in the employment with benefits of back wages and continuity of service.

5. This is disputed by the Bank by filing written statement at Exhibit 8 making out the case that, charge sheet was served on the concerned Workman about absenteeism of 87 days. Concerned Workman accepted the charge and admitted the guilt of the charges leveled against him of remaining absent, without intimation. Said is misconduct for which punishment is given under Section 19.5 of the Bipartite Settlement. The charge of absenteeism without intimation for more than 30 days empowers the Management to take action of dismissal. In fact it was misconduct. Besides that, he remained absent for 568 days prior to that and for that he was removed and then taken in the employment still there was no improvement in the attendance of the concerned Workman. His service record was not good. The enquiry was conducted by following the due process of law. The concerned Workman appeared in the enquiry and when he admit the guilt, question of leading evidence against the concerned Workman or proceeding against him to prove the charge which was admitted by him does not require to do by following lengthy procedure. So it is stated that, the decision taken by the Bank to remove the concerned Workman from its employment is just and proper and does not require to interfere.

5. In view of the above pleadings Issues were framed by my Ld. Predecessor at Exhibit 12. Out of those Issue No.1 was deleted and Issues Nos.2 and 3 were treated as preliminary Issues which were on the point of fairness of enquiry and perversity the finding. While passing Award I

on 13th December, 2007 this Tribunal observed enquiry was fair, proper and finding not perverse.

6. Now we are on the point of action taken by the Management and Issue to that effect is at Serial No.4 of Exhibit 12 which I answer as follows:

ISSUES	FINDINGS
(4) What relief can be granted to the workmen at this stage?	No relief

#### REASONS :

##### ISSUE NO. 4 :

7. This time we are on the point of decision taken by the Management. According to Management on the basis of inquiry and finding given by the Enquiry Officer, it took action of dismissal. According to Management charge of absenteeism was leveled against the concerned workman alleging that, said workman seems not interested to report on duty from 6-3-2000 to 1-6-2000. There was absenteeism of 87 days during span. According to Management, concerned workman remained absent for 87 days as well as did not get permission which affected on the working of the Management. Management is a Bank where concerned workman was working as a sub-staff. According to Management concerned workman applied for VRS on the ground that, nobody is there at his residence to look after his grown up daughter who is totally mentally deranged and anybody is there to take care of her. According to Management without sanction of said VRS concerned workman remained absent which was treated as misconduct. Charges of absenteeism as misconduct were framed, enquiry was initiated. Opportunity was given to the concerned workman to explain about his absenteeism, and after following procedure and after conducting enquiry and relying on the finding given by the Enquiry Officer, Disciplinary Authority decided to remove the concerned workman from the employment.

8. As far as enquiry and finding of the Enquiry Officer is concerned, this Tribunal observed enquiry was fair and proper and this Tribunal also observed finding was not perverse.

9. Thus we are on the point of punishment i.e. on the point of action taken by the Management on the charge of absenteeism. We have to consider the position of the concerned workman as well as the business of the Management which is a Bank.

10. Here Management is a Bank where 2nd Party concerned workman was working. Admittedly he remained absent without intimation. Even in the cross 2nd party admitted that, he remained absent for 87 days. It is admitted that, the concerned workman did not informed the Management about his absenteeism and even did not give reason of his absenteeism. Even witness examined by concerned workman did not know for how many days he was absent and for what reason he was absent.

11. Written arguments are submitted by the 2nd Party at Exhibit 40 and by 1st Party at Exhibit 42. Perused written arguments submitted by both and case laws. The Written submissions which reveals that, 2nd party has habit of remaining absent. Even it reveals that, he was previously convicted for absenteeism on number of occasions. Charges leveled against the concerned workman were of, he remained absent unauthorisedly from 6-3-2002 to 1-6-2000 which was of 87 days without any intimation and permission. Said charge was proved against the concerned workman. It also reveals that, even Management by sending various letters dated 24-3-2000, 11-4-2000, 5-5-2000 and 24-5-2000 invited him to report on duty but was of no use. Since it was not considered by the concerned workman and he did not report for duty though he was invited by the Management from time to time and even Bi-partite Settlement permit the Management to take action on the charge of remaining unauthorisedly absent without intimation for a period of 30 days as per Clause 19.5(P) of 6th Bi-partite Settlement. Even case of the Management is that, in the charge sheet said was mentioned which was not disputed by the 2nd party concerned workman. Even for 568 days, previously he remained absent and he was warned for the same from time and again. It is case of the Management that, previously he was convicted on 6 occasions on different occasions for incurring excessive debts which had resulted in Bank receiving salary attachment orders on numerous occasions between 1981-83. According to Management after proper domestic enquiry said charge against the concerned workman was proved and relying on the finding given by the Enquiry Officer, it compelled the Disciplinary Authority to take action of dismissal.

12. In support of the action taken by the Management in that premises Management placed reliance on the citation published in 2006 ( 110) FLR page 956 of our Hon'ble High Court in the case of Rasik Govid Mankar vs. Oberoi Towers, citation published in 2002 (92) FLR page 215 of Gujarat High Court in the case of Mahesh Kumar narottambhai Kanthairia vs. Admin., Officer, Nagar Prathmik Shikshan Samiti, Surat, decision of our Hon'ble High Court in Writ Petition No.1221 of 2009 in the case of Shantaram Dhondu Kapse vs. The Chairman & Managing Director, citation published in 2004 III CLR page 289 of Delhi Court in the case of Delhi Transport Corporation vs Sardar Singh, citation published in 2008 (1) CLR page 978 in the case of L & T Komatus Ltd. vs. N. Udayakumar, citation published in 2005 (III) CLR page 539 in the case of Larsen & Toubro Grahgk Sahakari Sanstha Maryaddit, Bombay vs. Tanaji Kashinath Vishwe & ors; and citation published in 2007 III CLR page 446 of our Hon 'ble High Court in the case of Tata Engineering & Locomotive Co. Ltd., vs. Ishwarchand Tarachand Jain and ors.

13. Considering this and considering the case laws referred by the Managements' representatives to justify its action of dismissal in the case of absenteeism which

amounted to misconduct and considering past record which reveals that, the 2nd Party had habit of remaining absent where no improvement was shown and where previously also he was convicted does not permit the 2nd Party to challenge the decision of the Management. On the contrary decision taken by the Management Disciplinary Authority has force as previously also he was convicted on number of occasions on account of absenteeism.

14. Besides the concerned workman applied for VRS it itself shows that, he do not want to work and he want exemption from the work. Once VRS is sought, it is sufficient to show that, the concerned workman did not want to work and wanted relief from the work.

15. Considering all this coupled with the case made out by both, I am of the view that, since the charge of absenteeism against the concerned work is proved and the decision taken by the Management relying on the finding given by the Enquiry Officer, I conclude that, it does not permit this Tribunal to intervene in the decision of the Management. So I answer this Issue to that effect and passes the following order :

**AWARD PART-I**

The matrix of the facts as culled out from the proceedings are as under :

1. The Government of India, Ministry of Labour by its Order No.L- 12012/94/2007-IR(B-II) dated 28th November, 2007 in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of section 10 of the Industrial Disputes Act, 1947 have referred the following dispute to this Tribunal for adjudication:

"Whether the action of the management of Dena Bank, Bandra Kurla Complex, Mumbai in dismissing the services of Shri Jatin Joshi, Special Assistant w.e.f. 15-7-1999 is justified? If not, what relief Shri Jatin Joshi is entitled to?

2. Claim Statement is filed by the 2nd Party concerned workman at Exhibit 5 stating and contending that, he joined the services of the 1st Party w.e.f. 8-1-1968 and worked continuously till his services were illegally terminated with effect from 15-7-1999. According to 2nd Party he worked as a Clerk and did work in major Branches in Mumbai City. It is his case that, lastly he worked as a Special Assistant till he was dismissed from the employment. According to 2nd Party as a Special Assistant he was to attend all sort of clerical work under the supervision of Branch Manager and the said work was to write ledger, filling in the Pass Books, working in Deposit Section and was supposed to prepare DDs on other miscellaneous work. According to him he lastly worked at Peddar Road Branch.

3. It is case of the 2nd Party that, in 1992 Management introduced Voluntary Retirement Scheme (VRS) along with Pension benefits and initially the workman opted for the pension in the year 1992. It is his case that, later on said scheme was made applicable to the employees who worked for 28 years treating them eligible to claim full pension. According to him he did not apply initially. He further states that, in December, 1995 he applied for VRS and requested Bank to relieve him from the employment from January, 1996 and requested for benefits of VRS along with benefits of full Pension and other benefits applicable to the employees who are opting for VRS. It is his case that, though he applied for VRS but nothing was informed to him by the Bank. It is his case that, in February, 1996 Personnel Department of the 1st Party orally informed the concerned workman that, his VRS is sanctioned and letter will be sent to him in due course. It is his case that, he did not receive it officially from the Bank. It is his case that, under that impression, he left the Mumbai and went to Delhi under impression that, his VRS is sanctioned and he need not require to report on duty and he did not join the work. It is his case that, after 31-3-1996 on his personal visit to Delhi while he was attending his personal work at Delhi, he received Bank's letter dated 8-4-1996 at his residence informing him that, his VRS request is rejected.

According to him on reading that letter he was shocked because from December, 1995 till April, 1996 he was given understanding that his application was sanctioned and he will be relieved and that, he will receive a letter to that effect from the Bank with all benefits attached to the Voluntary Retirement Scheme. It is his case that, due to his personal problems he had to leave for Delhi and unable to keep in touch with the Bank and lastly he receive intimation of rejection of his VRS application.

4. It is his case that in June, 1996 he received show cause notice dated 12-6-1996 from the Bank leveling certain allegations. It is his case that, he replied those charges orally as well as in writing. It is his case that, on hearing him it was informed to him that, no action will be taken against him. It is his case that, further from the steps taken by the Bank he learnt that, Bank has treated said allegations as misconduct and decided to proceed against him. It is his case that, by that Bank want to throw him out of the job and with that motive served the charge sheet on him and instituted enquiry. It is his case that, the alleged charges of misconduct were not proved against him. No opportunity was given to him. It is his case that, enquiry was not fair and proper. It is his case that, Enquiry Officer was bias and finding given by him is perverse. It is his case that, no time was given to him to attend the enquiry and to be represented by a proper representative. It is his case that, no opportunity was given to him and enquiry was not proper and bias decision was taken by the Enquiry Officer on which the Management acted and decided to dismiss him from the employment. So it is his case that, enquiry is not fair and proper and findings given by the Enquiry Officer is perverse. He also claims that, decision taken by the Management on such faulty inquiry is disproportionate and require to set aside with directions to reinstate him with benefits of back wages and continuity of service.

5. This is disputed by the 1st Party by filing Written Statement at Exhibit 6 stating and contending that, case made out by 2nd Party is not true and correct one. It is case of the 1st Party that, 2nd Party unauthorized remained absent. It is case of the First Party that, since 7-3-1996, without any intimation 2nd Party remained absent. It is case of the 1st Party that leave was not granted to him and it was not sanctioned by the Bank. It is case of the 1st Party that, on 8-4-1996 it informed the 2nd Party about the prayer of the 2nd Party for VRS disclosing that, he is not entitled for the benefits of VRS and cannot seek VRS. It is case of the 1st Party that, 2nd Party remained absent unauthorisedly and as such there was no alternative but to proceed against him. It is case of the 1st Party that, though opportunity was given to him he did not participate in the enquiry and though opportunity was given he did not take part in the enquiry and allowed the Management to proceed ex-parte. It is case of the 1st Party that, Enquiry Officer issued a show cause notice and notice of enquiry dated 5-10-1998 informed him that, enquiry is fixed on 29-10-2010

at 11-30 a.m. It is case of the 1st Party that, enquiry was adjourned on the request of the 2nd Party. It is case of the 1st Party that, even on 11-11-1999 enquiry was adjourned at the request of the 2nd Party still he did not turn up. Again enquiry was postponed to 26-11-1998 and again 2nd Party remained absent and it left no option for the Enquiry Officer but to proceed ex-parte against him and record the minutes to that effect. According to 1st Party enquiry notices dated 5-10-1998, 11-11-1998 and 26-11-1998 were not responded by 2nd Party workman. He did not participate in the enquiry and he did not reply those notice and take part in the enquiry. According to 1st Party decision taken by it ex-party is just and proper on the basis of the findings recorded by the Enquiry Officer on the basis of the Management witness and relying on that charge of absenteeism observing as proved against him. Besides this some other charges of over drawing (TOD) in giving Bank account of self and relatives were levelled against the concerned workmen to which no reply was given by 2nd Party. It is case of the 1st Party that, based on charges which were observed as proved against the 2nd Party by conducting an enquiry, 1st Party decided to take action of dismissal which is just and proper and does not require interference and the reference be rejected.

6. Rejoinder is filed by the 2nd Party at Exhibit 7 making out the same type of story saying that, enquiry is not fair and proper and finding perverse and pray to reinstate him with benefits of back wages and continuity of service.

7. In view of the above pleading issues were framed at Exhibit 9. Out of which Issue No. 1 and 2 which are on the point of enquiry and perversity of the findings are taken first as preliminary issue which I answer as follows:

ISSUES	FINDINGS
--------	----------

- |                                |     |
|--------------------------------|-----|
| 1. Is enquiry fair and proper? | Yes |
| 2. Is finding perverse?        | No  |

Reasons:

Issue Nos. 1 & 2:

8. 2nd Party claims that, he was illegally terminated on false charges and false enquiry. According to him enquiry was not fair and proper. He claims that, no opportunity was given to him. According to him finding given by the Enquiry Officer is perverse since it was not on evidence before him. Said is challenged by Management saying that inquiry was conducted, opportunity was given and finding was pronounced by inquiry officer which is just and proper. To prove that, he relied on his affidavit filed at Exhibit 10 in lieu of his examination-in-chief where he reproduced his case and pray to declare that, enquiry nor fair and proper and finding perverse. In the cross he admits that, charge sheet dated 13-5-1998 was replied by him as per page 13 of Exhibit 8. He admits that, there was communication of appointment of Enquiry Officer, as per page 18 of Exhibit 8. He admits that, he was informed about

preliminary hearing on 29-10-1998, as per page 20 of Exhibit 8. He admits that, he did not appear in the preliminary enquiry. He admits that, he was served with enquiry proceedings as per pages 21 and 22 of Exhibit 8. He admits that, even he was informed about the further date of enquiry of 11-11-1998. He admits that, he received pages 21 to 28 of Exhibit 8 regarding enquiry proceedings. He admits that, he has not submitted his written submissions as instructed in the above letter. He admits that, he was served with written submissions of the Presenting officer. He admits that, he received written communication sent by Disciplinary Authority as per page 37 of Exhibit 8. He admits that, opportunity was given to him by Disciplinary Authority as per page 45 of Exhibit 8. He admits that, he attended personal hearing. He admits that, hearing was given to him on proposed punishment. He admits that, he preferred appeal on his punishment. He admits that, hearing was given on punishment as per minutes recorded on page 54 of Exhibit 8. When question was put to him on what basis he claim that, enquiry was not fair and proper to which he replied that, his reply to the charge sheet was not considered by the Enquiry Officer while giving findings.

9. That means he admits that, he received charge sheet and opportunity was given to him and thus his grievance is that, since reply given by him to the charge sheet was not considered while giving findings by the Enquiry Officer. It is to be noted that, reply to the charge sheet by any way cannot be treated as an evidence, as reply should be submitted by giving evidence. Here admittedly by 2nd Party did not participate in the enquiry. He did not enter in the witness box and appeared before the Enquiry Officer. Even evidence is not produced of any type by him when sufficient opportunity was given to him. In this situation I am of the view that, there was no point in saying that, his reply was not considered by the Enquiry Officer while giving finding. Against that, bank examined its one witness, Harendra Dwarkadas Bengali, and filed his affidavit at Exhibit 12 in lieu of his examination-in-chief, who is a Inquiry Officer and says that, enquiry is fair and proper and finding not perverse. In the cross he admits that, enquiry was conducted by him and he gave findings, He states that, enquiry was fair and proper and full and fair opportunity was given to the 2nd Party.

10. Written arguments are filed by the 2nd Party at Exhibit 14 and by 1st party at Exhibit 15.

11. Perused the evidence and written arguments of both. As observed above 2nd Party though served with various notices of enquiry dates, admittedly he did not participate in the enquiry. He did not produce any evidence. He admits that, he was served with various correspondence sent by Enquiry Officer including appointment of the Enquiry officer, charge sheet, further dates of the enquiry and finding of the Enquiry officer. He admits that, even hearing was given to him on punishment. When all these things are there and when no evidence is there question arises what require to observe inquiry is fair and proper?

Besides when he unable to show how enquiry was not fair and proper, in my considered view, there is no point in considering the grievance of the concerned workman that, enquiry was not fair and proper just because finding is given by the Enquiry officer relying on the evidence of the Management's witness and relying on the evidence produced by the Management. Here Enquiry Officer says that, Branch Manager was examined by the Presenting Officer. Even enquiry proceedings produced from pages 25 to 28 of Exhibit 8 support that. When those documents are on record and when Enquiry Officer recorded finding and on that where question of fairness of inquiry arises. In this situation in my considered view, it cannot be said that, finding of the enquiry officer is perverse. Even if we peruse the report of the Enquiry Officer i.e. finding given by him we find that, it is on evidence produced by the witness of the Bank.

12. Considering all this coupled with the case made out by both, I observe though opportunity was given to the concerned workman, he did not participate in the enquiry. Besides considering his reply when Court made query on which point, he says that, enquiry was not fair and proper any how finding was perverse to which he says that, his reply to the charge sheet is not considered has no meaning. So I have to conclude that, enquiry was fair and proper and finding not perverse. Hence, I answer these issues to that effect and conclude that enquiry is fair and proper and finding not perverse.

13. In view of the above discussions I conclude that charge against the concerned workman as proved as far as misconduct is concerned. Hence the order :

#### ORDER

- Enquiry is fair and proper ;
- finding of the enquiry committee not perverse;
- I direct both the parties to participate in the Reference on the point of punishment.

#### AWARD

The Government of India, Ministry of Labour by its order No. L-12012/201/2004-IR (B.II) dated 10-1-2005 referred the following dispute under section 10(1)(d) of the ID. Act, 1947 for adjudication to this Tribunal between the management of Vijaya Bank and their workman. The reference is,

#### SCHEDULE

"Whether it is a fact that Shri P. Renu Rao was engaged as a Temporary Substitution-Staff during the period from Oct. 83 to 2000 by the management of Vijaya Bank? If so, whether the action of the management of Vijaya Bank in not providing regular employment to Sri P. Renu Rao, Temporary Peon, Guntakal branch and terminating his services is legal and justified what relief the workman is entitled to?"

The reference is numbered in this Tribunal as I.D. No. 5/2005 and notices were issued to the parties.

2. The Petitioner filed claim statement stating that he was appointed as a temporary peon in the S.C. quota on 5-10-1983 at Guntakal branch of Respondent. In view of the

circular NO. 166 of 88 his application was sent for consideration for regularizing his services as he worked for more than 90 days. He was directed to appear vide letter dated 16-1-89 to appear for interview on 3-1-1989 for permanent absorption in the bank. He appeared for interview. Without any reasons he was orally informed that his services were terminated w.e.f. 1-6-2003. He approached through union the Assistant labour Commissioner(C) which conciliation ended in failure and hence, this reference. He prayed to direct the Respondent to set aside the oral termination order dated 1-6-2003 and reinstate him into services with all attendant benefits.

3. No counter and documents were filed by Respondent, hence case was set ex-parte. Petitioner filed chief examination affidavit and marked Ex. W1 to W5 documents. This court has passed ex-parte award on 12-9-2006 giving relief to the Petitioner for absorption.

4. But, in view of the direction of the Hon'ble High Court of A.P., Hyderabad in W.P.No.67630/2007 filed by Respondent, the Respondent has filed memo on 5-2-2008 enclosing a D.D. bearing No.511838 dated 31-1-2008 for Rs. 5000 in favour of the Petitioner and filed counter and documents.

5. In the Counter, Respondent denied the averments made in the petition. It is submitted that as per circular No.166/88, the temporary employees who had worked during the period 1-1-1983 to 30-6-1988 are eligible to apply to the bank for consideration for regular employment as Peons in the Bank. That the petitioner has not completed 90 days service during the said period from his attaining the age of 18 years i.e. 1-6-1984 to 30-6-1988. Also, the Petitioner has raised this dispute after lapse of 13 years. That the Petitioner was never engaged for a period of 240 days in any calendar year. Hence, the petition be dismissed.

6. Later Respondent cross examined the Petitioner. Respondents filed chief examination affidavit of Sri P. Narsimha Rao, Assistant Manager, and marked Ex. M1 to M9 documents.

7. On 4-2-2010, Petitioner reported dead as back as in the month of February, 2009. On 22-3-2010, both parties called absent. No petition has been filed to bring the L.Rs. on record. In absence of Petitioner's L.Rs. this case is dismissed. Hence, Nil Award is passed. Transmit.

Dictated to Smt. P. Phani Gowri, Personal Assistant transcribed by her corrected and pronounced by me on this the 22nd day of March, 2010.

### AWARD

Chairman, K.G. Denim Ltd., Coimbtour came to meet Chairman and Managing Director, Punjab National Bank on 13th of November, 2007. While going inside the cabin of the Chairman & Managing Director of the bank, the visitor kept his mobile phone outside. When he came out of the cabin of the Chairman & Managing Director, he found his mobile phone missing from the place where it was kept by him. He lodged a report with the bank authorities. Search for the said mobile phone was conducted. Persons present in the office were interrogated. Rakesh Dabas, who was working as peon in General Services Administration Division, Bhikaji Cama Place, New Delhi, got that mobile phone recovered from a place on top of an almirah, kept on 5th floor of the said building, during night hours of 14th November, 2007.

2. Rajesh Dabas was placed under suspension on 15-11-2007 and a charge sheet was served upon him on 26-11-2007. Reply to that charge sheet was submitted by him on 3rd of December, 2007, which reply was found not satisfactory. Disciplinary Authority instituted departmental enquiry, vide order dated 11th of December, 2007. Shri M. K. Rai was appointed as Enquiry Officer, who conducted the enquiry. Shri Dabas participated in the enquiry. Documents were supplied to him. Opportunity to produce documents, cross examine management's witnesses and to examine witnesses in his defence were accorded to Shri Dabas. Enquiry Officer submitted his report to the Disciplinary Authority on 29th of March, 2008.

3. Copy of the enquiry report was sent to Shri Dabas vide letter dated 29-3-2008 for his comments. Comments submitted by Shri Dabas vide letter dated 14-4-2008 were considered by the Disciplinary Authority. Shri Dabas notice dated 14-5-2008 was served upon Shri Dabas.

Personal hearing was accorded to him by the Disciplinary Authority on 22-5-2008 and thereafter punishment of compulsory retirement with superannuation benefits was awarded to him, vide order dated 5-6-2008. Shri Dabas opted not to prefer an appeal against the punishment order.

4. A claim statement was filed by Shri Dabas before the Conciliation Officer. Management filed its written statement against that claim. Since conciliation Proceedings failed, the appropriate Government referred the dispute to this Tribunal for adjudication, vide Order No. L-12012/29/2010-IR(B-II), New Delhi dated 19th of April, 2010 with the following terms :—

“Whether the action of the management of Punjab National Bank in imposing compulsory retirement with superannuation benefit punishment, vide order dated 5-6-2008 on Shri Rajesh Dabas, the workman, is legal and justified? What relief the concerned workman is entitled to?”

5. While sending a reference to this Tribunal for adjudication the appropriate Government commanded Shri Dabas to file his claim statement before this Tribunal within a period of 15 days. Despite the command, so given the claimant opted not to file his claim statement before this Tribunal.

6. Notice was sent to Dabas by this Tribunal on 26-4-2010 by registered post at house No.605, Village & Post Office Ladpur, Delhi the address provided by the appropriate Government in terms of reference. It was returned back by the postal authorities with the remarks that without parentage of the addressee, he could not be traced. Another notice was sent to Shri Dabas by registered post on 10th of May 2010, which was also returned with the same remarks. Notice was sent to Shri Dabas by registered post on 20th of May, 2010. It was returned back by the postal authorities with the remarks “returned”.

7. As per address provided by the appropriate Government, Rajesh Dabas resides in house No. 605, Village Ladpur, Delhi. It is matter of common knowledge that in Villages people know each other by their names and occupation. Parentage is not a sine qua non to ascertain identity of an individual. His identity can be gathered by his house number and avocation or profession. Father of Rajesh Dabas is no more in this world as is evident out of the record. Documents filed by the management highlight that father of Dabas expired long back. In such a situation identity of Shri Dabas can well be located in a village like Ladpur, by reaching his residential house. At the cost of repetition, it is said that notices were sent to the house No. 605, Village Ladpur, Delhi-110081. Therefore, all these facts are sufficient to infer that notices were taken to the residential house of Dabas by the postal authority and he got those notices sent back with ulterior motives. Last notice have been received back with the remarks

"returedn". That remark makes it clear that the said notice was got returned by Shri Dabas. Therefore all presumption lies in favour of the fact that Shri Dabas had knowledge of this reference and dates of hearing fixed by this Tribunal. Despite service of the notice on him, he opted not to appear before the Tribunal.

8. No claim statement was filed on behalf of Shri Dabas to agitate his grievance over the matter. Absence of claim statement on his behalf makes it clear that his grievances against the punishment of compulsory retirement with superannuation benefits stand subsided. Now he does not want to raise any dispute against the punishment, so awarded to him.

9. The management filed its response to the notices sent to them. It was pleaded in the response that Shri Dabas was suspended and charge sheeted. His reply to the charge sheet was found not satisfactory. Hence disciplinary enquiry was initiated against him. Report of the Enquiry Officer has been filed by the management. I have perused the said report. It emerges over the record that due opportunities were given to Shri Dabas by the Enquiry Officer to defend himself. In that process documents supplied to him. He was permitted to cross examine the management witnesses, submit his documents and examine witnesses in his defence. His defence representative remained present alongwith him on all dates during the course of enquiry. Principles of natural justice were followed. Enquiry report is not found preverse by the Tribunal. Therefore, it is obvious that findings of the Enquiry Officer were in consonance with principles of natural justice and fair play.

10. Enquiry report was sent to Shri Dabas for his comments. His comments were considered and show cause notice was served upon him. After giving personal hearing, punishment of compulsory retirement with superannuation benefits was awarded to him. Whether that punishment commensurate with the misconduct committed by Shri Dabas? For an answer legal propositions are to be noted. It is well established that right of an employer to inflict punishment of discharge or dismissal is not unfettered. The punishment imposed must commensurate with gravity of the misconduct, proved against the delinquent workman. Prior to enactment of Section 11-A of the Industrial Disputes Act, 1947 (in short the Act), it was not open to the industrial adjudicator to vary the order of punishment on finding that the order of dismissal was too severe and was not commensurate with the act of misconduct. In other words, the industrial adjudicator could not interfere with the punishment as it, was not required to consider propriety or adequacy of punishment or whether it was excessive or too severe. Apex Court, in this context, had, however, laid down in *Bengal Bhattee Coal Company* (1963 (1) LLJ 291) that where order of punishment was shockingly disproportionate with the act of the misconduct which no reasonable employer would impose in like circumstances, that itself would lead to the inference

of victimization or unfair labour practice which would vitiate order of dismissal or discharge. But by enacting the provisions of Section 11-A of the Act, the Legislature has transferred the discretion of the employer, in imposing punishment, to the industrial adjudicator. It is now the satisfaction of the industrial adjudicator to finally decide the quantum of punishment for proved acts of misconduct, in cases of discharge or dismissal. If the Tribunal is satisfied that the order of discharge or dismissal is not justified in any circumstances on the facts of a case, it has the power not only to set aside order of punishment and direct reinstatement with back wages, but it has also the power to impose certain conditions as it may deem fit and also to give relief to the workman, including award of lesser punishment in lieu of discharge or dismissal.

11. It is established law that imposing punishment for a proved act of misconduct is a matter for the punishing authority to decide and normally it should not be interfered with by the Industrial Tribunals. The Tribunal is not required to consider the propriety or adequacy of punishment. But where the punishment is shockingly disproportionate, regard being had to the particular conduct and past record, or is such as no reasonable employer would ever impose in like circumstance, the Tribunal may treat the imposition of such punishment as itself showing victimization or unfair labour practice. Law to this effect was laid by the Apex Court in *Hind Construction and Engineering Company Labour* (1965 (1) LLJ 462). Likewise in *management of the Federation of Indian Chambers of Commerce and Industry* (1971 (II) LLJ 630) the Apex Court ruled that the employer made a mountain out of a mole hill and had blown a trivial matter into one involving loss or prestige and reputation and as such punishment of dismissal was held to be unwarranted. In *Ram Kishan* (1966 (1) LLJ 982) the delinquent employee was dismissed from service for using abusive language against a superior officer. On the facts and in the circumstances of the case. The Apex Court held that the punishment of dismissal was harsh and disproportionate to the gravity of the charge imputed to the delinquent. It was ruled therein, "when abusive language is used by anybody against a superior, it must be understood in the environment in which that person is situated and the circumstances surrounding the event that led to the use of abusive language. No straight-jacket formula could be evolved in adjudicating whether the abusive language in the given circumstances would warrant dismissal from service. Each case has to be considered on its own facts".

12. In *B.M. Patil* [1996 (11) LLJ 536], Justice Mohan Kumar of Karnataka High Court observed that in exercise of discretion, the Disciplinary Authority should not act like a robot and justice should be moulded with humanism and understanding. It has to assess each case on its own merit and each set of fact should be decided with reference to the evidence recording the allegation which should be

basis of the decision. The past conduct of the worker may be a ground for assuming that he might have a propensity to commit the misconduct and to assess the quantum of punishment to be imposed. In that case a conductor of the bus was dismissed from service for causing revenue loss of 50p to the employer by irregular sale of tickets. It was held that the punishment was too harsh and disproportionate to the act of misconduct.

13. After insertion of Section 11-A of the Act, the jurisdiction to interfere with the punishment is there with the Tribunal, who has to see whether punishment imposed by the employer commensurate with the gravity of the act of misconduct. If it comes to the conclusion that the misconduct is proved, it may still hold that the punishment is not justified because misconduct alleged and proved is such as it does not warrant punishment of discharge or dismissal and where necessary, set aside the order of discharge or dismissal and direct reinstatement with or without any terms or conditions as it thinks fit or give any other relief, including the award of lesser punishment, in lieu of discharge or dismissal, as the circumstance of the case may warrant. Reference can be made to a precedent in *Sanatak Singh* (1984 Lab. I.C. 817). The discretion to award punishment lesser than the punishment of discharge or dismissal has to be judiciously exercised and the Tribunal can interfere only when it is satisfied that the punishment imposed by the management is highly disproportionate to the degree of the guilt of the workman. Reference can be made to the precedent in *Kachraji Motiji Parmar* [1994 (II) LLJ 332]. Thus it is evident that the Tribunal has now jurisdiction and power of substituting its own measure of punishment in place of the managerial wisdom, once it is satisfied that the order of discharge or dismissal is not justified. On facts and in the circumstances of a case, Section 11A of the Act specifically gives two folds powers to the Industrial Tribunal, first is virtually the power of appeal against findings of fact made by the Enquiry Officer in his report with regard to the adequacy of the evidence and the conclusion on facts and secondly of foremost importance, is the power of reappraisal of quantum of punishment.

14. Power to set aside order of discharge or dismissal and grant relief of reinstatement or lesser punishment is not untrammelled power. This power has to be exercised only when Tribunal is satisfied that the order of discharge or dismissal was not justified. This satisfaction of the Tribunal is objective satisfaction and not subjective one. It involves application of the mind by the Tribunal to various circumstances like nature of delinquency committed by the workman, his past conduct, impact of delinquency on employer's business, besides length of service rendered by him. Furthermore, the Tribunal has to consider whether the decision taken by the employer is just or not. Only after taking into consideration these aspects, the Tribunal can upset the punishment imposed by the employer. The

quantum of punishment cannot be interfered with. But recording specific findings on points referred above. No indulgence is to be granted to a person, who is guilty of grave misconduct like cheating, fraud, misappropriation of employers fund, theft of public property etc. A reference cannot be made to the precedent in *Bhagirath Mal Barmar* (1995 (I) LLJ 960).

15. Here in the case *Shri Rajesh Dabas* was charged with the offence of theft of a mobile phone of a govt. bank. He got that mobile phone recovered on the same day. Theft is a serious misconduct. Such misconduct committed by an employee, tarnishes the image of the employer as well as of the institution. No confidence can be retained in such an employee. Such an employee is a burden on the institution. He can not be retained in service. In view of the foregoing reasons it is crystal clear that punishment of compulsory retirement with superannuation benefit, awarded to Dabas vide order dated 5-6-2004 is legal and justified. There are no reasons to interfere with the punishment so awarded. Dabas is not entitled for any relief. The reference is answered, accordingly. Award passed be sent to the appropriate Government for publication.

## AWARD

National Institute of Financial Management, Faridabad (hereinafter referred to as the Institute) imparts professional training to probationers of Indian Accounts and Finance Services. The Institute got itself registered under the provisions of Contract Labour (Regulation and Abolition) Act, 1970 (in short the Contract Labour Act). It awarded contract for maintenance of building of the Institute to a contractor. The contractor engaged various contract labours, who were deployed in the campus of the Institute to carry out work awarded to him. Claimant was one of those contract labours, deployed by the contractor, in the campus of the Institute. Claimant, alongwith others, filed Writ petition No. 8437 of 1999 before High Court of Punjab & Haryana, which petition was disposed of by the High Court with a direction to the Director of the Institute to decide representation dated 14-10-98 by passing a speaking order within a period of three months. The said representation was decided by the Director of the Institute within the stipulated period. Writ petition No. 10975 of 2000 was filed for getting order dated 20-12-99, on the strength of which representation was decided by the Director of the Institute, quashed. The said writ petition was dismissed as withdrawn. A claim statement was filed before the Conciliation Officer by Shri Vinod Ram, against that termination of his services, by the Director of the Institute on 1-10-99, is illegal. Since conciliation proceedings failed, the appropriate Government referred the dispute to this Tribunal for adjudication, vide order No.L-12012/85/2004-IR(B-II), New Delhi dated 3rd of September, 2004, with the following terms:

“Whether the action of the management of National Institute of Financial Management, Faridabad in terminating the services of Vinod Ram Peon w.e.f. 1-10-1999 is just and legal? If not, what relief the workman is entitled to?”

2. Claim statement was filed by Shri Vinod Ram pleading that he was working as an office boy/peon in the Institute since 1st of January, 95. He was getting a sum of

Rs. 1902/- PM as his wages. His services were terminated without any rhyme or reasons on 1-10-99. He had filed a writ petition before High Court of Punjab & Haryana for getting his services regularized. The said writ petition was disposed of with a direction to the Director of the Institute to decide his representation by way of a reasoned order. In pursuance of that order, an Enquiry Officer was appointed. The Enquiry Officer had not informed him of the date when he was to collect facts. No copy of the enquiry report was given to him. Report of the enquiry officer was not fair and impartial. Rejection of his representation, on the basis of that enquiry report, is not proper. He present that termination, of his services by the Director of the Institute is illegal and amounts to unfair labour practice. He claims reinstatement in service with continuity and full back wages.

3. The Institute demurred the claim pleading that being a Training Institute it imparts professional training to the probationers of Central Accounts and Finance Service, hence its activities does not fall within the purview of an ‘industry’. The claimant was a casual labour employed by the contractor in connection with the work of the Institute. The Institute has got itself registered under the provisions of Contract Labour Act. It had entered into an agreement with a contractor to provide labours for casual nature of jobs. The claimant was deployed by the contractor. He was never engaged by the Institute, hence relationship of employer and employee does not exist between the parties. Filing of the writ petition before High Court of Punjab & Haryana has not been disputed. It has been pleaded of vide order dated 10th of August, 1999 passed by the High Court was complied with in letter and spirit. Representation dated 14-10-98 was considered and disposed of vide order dated 20-12-99. Aggrieved by the order dated 20-12-99, writ petition No. 10975 of 2000 was filed. In the said writ petition contractors, namely M/s. Keshav Security Services and/or M/s. P Chand were arrayed as respondents. They filed their affidavits before the High Court projecting that the claimants were their employees. The said writ petition was dismissed as withdrawn. In view of the facts detailed above, it was not proper on the part of the claimant to raise a dispute before the Conciliation Officer or to file the present claim. Claim under reference is liable to be dismissed.

4. On pleadings of the parties following issues were settled by my Id. predecessor:

1. Whether the National Institute of Financial Management, is an ‘industry’? If so, its effect?
2. Whether there existed any relationship of employer and employee between the parties?
3. Whether the enquiry, if any, conducted by the resposder t was fair and proper?
4. Relief.

5. Claimant has examined himself in support of his claim. Shri S.C. Chauhan, Adminstrative Officer, entered

the witness box on behalf of the management. No other witness was examined by either of the parties.

6. Arguments were heard at the bar. Shri Satya Narain Sharma, authorized representative, advanced arguments on behalf of the claimant. Shri P.P. Gosain, authorized representative, presented his point of view on behalf of the management. I have given my careful consideration to the arguments advanced at the bar and cautiously persued the record. My findings on issues involved in the controversy are as follows:

#### Issue No.1

7. Shri S.C. Chauhan testified that National Institute of Financial Management, is a training institute run by Ministry of Finance, Government of India, New Delhi. Being a training institute, it is not an 'industry'. It is an autonomous society registered under the Societies Registration Act, 1860. The Institute accords professional training to the probationers who are allotted accounts and audit service, after qualifying civil services examination. The Central Government ought not have referred the dispute for adjudication to this Tribunal.

8. Shri Gosain argued that the Institute is not an industry within the meaning of clause (j) of Section 2 of the Industrial Disputes Act, 1947 (in short the Act). Shri Sharma had refuted the claim put forward by Shri Gosain. He presents that the Institute is an "industry". Since a claim has been made by the Institute that it can not be termed as an "industry" within the meaning of clause (j) of Section 2 of the Act, hence it become expedient to know as to what type of enterprises can be termed as an industry. For an answer, the definition of "industry" as entered by clause (j) of Section 2 of the Act is to be considered. Definition of word "industry", provided in the aforesaid clause, is reproduced thus:

"Industry" means any business, trade undertaking, manufacture or calling of employers and includes any calling, services, employment, handicraft, or industrial occupation or avocation of workmen".

9. The definition of "industry" is both exhaustive and inclusive. It is in two parts. The first part says that it "means" any business, trade, undertaking, manufacture or calling of employers" and then goes to say that it "includes any calling, service, employment, handicraft or industrial occupation or avocation of workmen". Thus one part defined it from the stand point of the employer, and the other part from the stand point of the employees. The first part of the definition gives the statutory meaning of the industry, whereas the second part deliberately refers to several other items of industry and bring them in the definition in an inclusive way. The first part of the definition determines any industry by reference to occupation of employers in respect of certain activities viz., business, trade, undertaking, manufacture or calling. The second part

views the matter from the angle of employees and is design to include something more in what the term primarily denotes. By this part of the definition any calling, employment, handicraft, industrial occupation or avocation of workmen is included in the concept of industry. This part gives extended connotation.

10. Gloss was put on the definition of word "industry" by the High Courts and the Apex Court time and again. The question as to what is "industry" has continuously baffled and perplexed the courts. A graph of the cases decided by the Apex Court, if plotted on the background of the expression used in two parts of the definition of "Industry", would represent rather a zig zag curve. There have been various judicial ventures in this rather volatile area of law. The decided cases show that the efforts were made to evolve test by reference to characteristics regarded as essential for constituting an activity as an "industry". Various cases would show that the Apex Court have been guided more by empirical rather than a strictly analytical approach. Most of the decisions have centered around the expression "undertaking" used in the definition. In Banlore Water Supply and Sewerage Board (1978 Lab. I.C.778) the Apex Court reviewed the earlier decision on interpretation of the wide words encompassed in the definition and formulated positive and negative principles for identifying "industry", as enacted by clause (j) of Section 2 of the Act. It would be expedient to reproduce the authoritative pronouncement of the Court, in the very words set out in the majority decision, handed down by Justice Krishna Iyer, which are extracted thus:

"I. "Industry" as defined in S.2(j) and explained in Banerji (Air 1953 S.C. 58) has a wide import.

- (a) Where (i) systematic activity, (ii) organized by co-operation between employer and employee (the direct and substantial element is chimerical), (iii) for the production and/ or distribution of goods and services calculated to satisfy human wants and wishes (not spiritual or religious but inclusive of material things or services geared to celestial bliss i.e. making on a large scale prasad or foods) prima facie, there is an "Industry" in that enterprise.
- (b) Absence of profit motive or gainful objective is irrelevant, be the venture in the public, joint private or other sector.
- (c) The true focus is functional and the decisive test is the nature of the activity with special emphasis on the employer-employee relations.
- (d) If the organization is a trade or business it does not cease to be one because of philanthropy animating the undertaking.

II. Although section 2(j) uses words of the widest amplitude in its two limbs, the re-meaning cannot be magnified to overreach itself.

- (a) "Undertaking must suffer a contextual and associational shrinkage as explained in Banerjee and in this judgement, so also, service calling and the like. This yields the inference that all organized activity possessing the triple elements in I (supra), although not trade or business, may still be 'industry' provided the nature of activity, viz, the employer -employee basis, bears resemblance to what we find in trade or business. This takes into the fold 'industry' undertaking calling and services, adventures, "analogous to the carrying on the trade or business". All features, other than the methodology of carrying on the activity viz in organizing the co-operation between employer and employee, may be dissimilar. It does not matter, if on the employment terms there is analogy.
- III Application of these guidelines should not short of their logical reach by invocation of creeds, cults or inner sense of incongruity or outer sense of motivation for or resultant of the economic operations. The ideology of the Act being industrial peace, regulation and resolution of industrial disputes between employer and workmen, the range of their statutory ideology must inform the reach of the statutory definition. Nothing less, nothing more.
- (a) "The consequences are (i) professions, (ii) clubs (iii) education institutions, (iv) co-operatives (v) research institutes, (vi) charitable projects and (vii) other kindred adventures, if they fulfil triple tests listed in (supra), cannot be exempted from the scope of section 2(j).
- (b) A restricted category of professions, clubs co-operatives and even gurukulas and little research labs may qualify for exemption if in simple ventures, substantially, and give by the dominant nature criterion, substantively no employees are entertained but in menial matters, marginal employees are hired without destroying the non employee character of unit.
- (c) If, in a pious or altruistic mission many employ themselves, free or for small honoraria or like return, mainly, drawn by sharing in the purpose or cause, such as lawyers volunteering to run a free legal services clinic or doctors serving in their spare hours in a free medical centre or ashramites working at the bidding of the holiness, divinity or like central personality, and the services are supplied free or at nominal cost and those who serve are not engaged for remuneration or on the basis of master and servant relationship, then, the institution is not an industry even if stray servants, manual or technical, are hired. Such eleemosynary or like undertaking alone are exempt not other generosity, compassion, developmental passion or project.

#### IV. The dominant nature test:

- (a) Where a complex of activities, some of which qualify for exemption, other not, involves employees on the total undertaking, some of whom are not "workmen" as in the University of Delhi case (AIR 1963 S.C. 1873) or some departments are not productive of goods and services if isolated, even then, the predominant nature of the services and the integrated nature of the departments as explained in the Corporation of Nagpur (AIR 1960 SC. 675) will be the true test. The whole undertaking will be industry although those who are not "workmen" by definition may not benefit by the status.
- (b) Notwithstanding the previous clauses, sovereign functions, strictly understood (alone) qualify for exemption, not the welfare activities or economic adventures undertaken by Government or statutory bodies.
- (c) Even in department discharging sovereign functions, if there are units which are industries and they are substantially severable, then they can be considered to come within S.2(j)
- (d) Constitutional and competently enacted legislative provisions may remove from the scope of the Act categories which otherwise may be covered thereby.

V. We overrule *Safdurjung* (AIR. 1970 SC. 1407), *Solicitors' case* (AIR. 1962 SC. 1080), *Gymkhana* (AIR. 1968 SC. 554), *Delhi University* (AIR. 1963 SC. 1873), *Dhanrajgirji Hospital* (AIR. 1975 SC. 2032) and other rulings whose ratio runs counter to the principles enunciated above, and the *Hospital Mazdoor Sabha* (AIR. 1960 SC. 610) is hereby rehabilitated."

11. Principles laid down in *Bangalore Water Supply & Sewerage Board* (supra) hold ground. Therefore, the controversy raised in the present matter will be adjudicated in view of the law laid by the Apex Court in the above precedent. *Shri Chauhan* swears that *National Institute of Financial Management* being training institute is not an industry. As training institute, the Institute accords professional training to probationers, who are allotted Accounts & Audit Services, after qualifying civil services examination. The Institute is an autonomous society registered under the Societies Act, 1860. It is being run by Ministry of Finance, Govt. of India, New Delhi. He opines that the Government would not have referred the dispute for adjudication.

12. The question whether the activity of running an educational institute would fall within the definition of an 'Industry' was answered by the Apex Court in *Corporation of City of Nagpur* (1960 (1) LLJ 523), in an affirmative manner. The reasons given for the proposition was as to whether that service can equally be done by a private person. In

University of Delhi (1963 (II) L.J. 3256) Apex Court ruled that University of Delhi was not an 'industry' for two reasons viz (i) the teachers are not workmen, (ii) the work of the University could not be assimilated to the position of any 'trade', 'business' or 'calling' or 'occupation' within the meaning of clause (j) of section 2 of the Act. But in Bangalore Water Supply and Sewerage Board (supra) a majority of seven judges bench held that it is not the predominant number of employees employed, enjoys the benefits of the Act but the true test is the predominant nature of the activity. In the case of trade, business or an educational institution, the nature of the activity is ex hypothesi. Education which being a service to the community is an 'industry'. Besides there may be any number of activities of an educational institution, such as a printing press, a transport department and clerical and menial staff etc. which may be severable from the teaching activities of the University. These operations viewed separately or collectively, by themselves may be treated as an 'industry'. On these reasons the Apex Court observed that the University of Delhi case was wrongly decided and education in its institutional form is an 'industry'.

13. In Baroda Borough Municipality (1977 (I) L.J. 18) the Apex Court held that though municipal activity could not be truly regarded as business or trade, yet it would fall within the scope of expression 'undertaking'. Non-profit undertaking of the municipality were included in the concept of 'industry' even if there is no private enterprise. The court reiterated that branches of work can also be regarded as analogous to carrying out of a trade or business would fall within the meaning of 'industry' in clause (j) of section 2 of the Act. In reaching the decision the Apex Court relied precedent in D.N. Poojari (supra) and ruled that it would be sufficient that the activity is an 'undertaking' analogous to the carrying on of a trade or business and involves cooperation between the employers and employees. This result was reached by examining the meaning of the expression 'undertaking' to cover adventures not strictly trade or business but 'objects' vary similar'. Reference can also be made to Mazdoor Bikhana Club Employees Union (supra).

14. In Indian Standard Institute (1966 (I) L.J. 35) the Apex Court suggested that in order to be recognized as an undertaking analogous to trade or business, the activity must be an economical activity in the sense that it is productive of material goods or material services. In Bangalore Water Supply and Sewerage Board (supra) the Apex Court laid down that an activity systematic, i.e. habitually undertaken for the production or distribution of goods for rendering material services to the community at large or a part of such community with the help of employees is an undertaking. An 'industry' thus was said to involve cooperation between the employer and employees for the object of satisfying material human needs but not for one

self nor pleasure nor necessity for profit. Lack of business and profit motive or capital investment would not take out an activity from the scope of 'industry'. If other conditions are satisfied, it is the activity in question which would be the definition and the absence of investment of any capital is not the fact that the activity is conducted for profit motive or not, would not make material difference. Conversely, the existence of profit motive will not necessarily convert the activity into 'industry' if other tests are not satisfied.

15. As emerge out of the facts testified in *Indian Standard Institute*, the Institute imparts professional training to probationers of Indian Accounts and Audit Services. The Question for consideration comes as to whether the activities of the Institution would fall within the ambit of 'industry'. The activity, organized by cooperation between the employer and employee and production and/or distribution of goods and services calculated to satisfy human wants and needs. Not even a word has been said on behalf of the Institute to dispute that the activities carried on by it are systematic, organized by the cooperation between the employer and employee. The mere fact that the activities were being carried on by the Government, would not take out the Institute from the ambit of an "industry". In *Baroda Mazdoor Sabha* (supra) the Apex Court considered the proposition as to whether undertakings run by the Government can fall within the ambit of an "industry". In answer that proposition the Apex Court considered as to whether such activities can be carried on by a private individual or group of individuals. by giving affirmative answer to that proposition it was ruled that a hospital is an "industry", even if it is run by the Government without a profit motive and with public funds. Absence of business and profit motive or capital investment would not take an activity out of sweep of an industry, if other conditions are satisfied. Therefore, the mere fact that the Institute is being run by the Ministry of Finance, Government of India, New Delhi would not take out its activities from the ambit of an "industry". The Institute carries on its activities through cooperation between the employer and employees to provide training to the probationers of Indian Account and Audit Services. Such professional training is a material service provided by the Government of India to the probationers of the aforesaid services which situation answers the third test provided by the Apex Court in Bangalore Water Supply and Sewerage Board Case (supra). It is not part of sovereign function of the Government to impart training to probationers of Indian Audit and Accounts Offices. Sovereign functions alone qualify for exception. Training to probationers can be imparted by an institute run by private individuals. Many a times even probationers go to private institutes for specialised training. Therefore, those activities cannot form part of the sovereign functions. Triple test laid by the Apex Court stands satisfied by activities of the Institute. Mere fact that there was no profit motive activity would not take out those activities from the pale of 'industry', as defined in clause (j) of section 2 of the Act. Consequently it is concluded that the Institute

is an 'industry'. Issue is therefore, answered in favour of the workman and against the management.

## Issue No. 2

16. Vinod Ram unfolds that he joined services as peon with the Institute in the year 1995. He was paid his wages @ Rs.1300 PM. He worked with the management upto 30-9-99. At that time his wages Rs.1902 PM. In August, 1999, he filed a writ petition before Punjab & Haryana High Court seeking directions to the management for regularization of his job. On account of some technicalities, the said writ petition was withdrawn. Feeling annoyed, his services were terminated. However, he admits that no appointment letter or identity card were issued to him. One Vinod working as Peon with the management, informed him about vacancy for the post of peon. He met Administrative Officer who appointed him as peon. He used to sign salary register, when his wages were paid to him. He claims that he is unknown to M/s. Keshav Securities or M/s. Prem Chand, contractors.

17. S.C. Chauhan deposed that Vinod Ram was never appointed by the Institute. He never marked his attendance with the Institute. The Institute never paid any wages to him. He was an employee of M/s. Keshav Security Services, who was a contractor for supply of man power to the Institute. M/s. Keshav Security Services was having a license to supply manpower, under the provisions of the Contract Labour Act. About 45 persons were supplied by M/s. Keshav Security Services. Vinod Ram never worked under direct control and supervision of the Institute. Affidavit, copy of which is Ex.MW1/3, was filed by Shri D.K. Sharma, Proprietor of M/s. Keshav Security Services before High Court of Punjab & Haryana.

18. Claimant laid emphasis on documents proved by him, to have a finding in his favour to this effect that he was an employee of the management. On the other hand Shri S.C. Chauhan presents that Vinod Ram was never appointed by the management. Therefore, appreciation of documents relied by the claimant is expedient, since it would give meaning to his deposition. Ex. MW1/4 is scanned, it came to light that Shri R. Ramachandran, Associate Professor, issued a certificate stating that Vinod Ram had worked with him for the past 3 years. He was impressed very much by his way of working. He strongly recommended his services to any organization or person. These contents are being given as per record. Vinod Ram was serving Shri R. Ramachandran as an employee of the management. As employee of a contractor can be deployed with Shri R. Ramachandran and in that capacity he may serve Shri R. Ramachandran. Recommendation made by Shri R. Ramachandran on service of Vinod Ram, in any organization or person is well suggestive that Vinod Ram was not an employee of the management. Ex. MW1/3 presents that Vinod Ram was going to attend some outside work, assigned to him by professor S.M. Singh. Ex. MW1/5

further projects that Vinod Ram attended duty on a holiday, which fact was certified by Shri P. Ratnaswamy, Associate Professor. Ex. WW1/5, Ex. WW1/6 and Ex. WW1/7 present those very facts.

19. Ex. WW1/8 certifies that Vinod Ram and others attended duties on Sundays and holidays. Their salaries for corresponding days were requested to be released. This office note was prepared by Ms. Deepa and was counter signed by a Professor. Shri Sharma argued that this documents would go to show that Vinod Ram was a direct employee of the management. This document is to be appreciated in the light of surrounding circumstances. As detailed above Vinod Ram and others were deployed by M/s. Keshav Security Services with the management. They were performing various casual jobs on behalf of the said Security Service. They were deployed on Sundays and Holidays also. For release of their salary for those days office note was prepared. Question for consideration comes as to whether salaries of Vinod Ram and others were released directly to them or to the contractor. No evidence worth name was produced by the claimant to show that on the basis of the said office note pay were wages directly released in his favour. On the other hand management produced ample evidence to show that the claimant was an employee of M/s Keshav Security Services and D.K. Sharma proprietor of that Security Services filed his affidavit before the High Court of Punjab and Haryana, affirming those facts. Management presents that claimant was paid his wages by M/s. Keshav Security Services. In the light of these facts when Ex. WW1/8 is appreciated, it emerges that this document only gives an account of fact that Vinod Ram and others performed their duties on Sundays and holidays and for release of their wages in favour of their employer office note was prepared and acted upon. Therefore, Ex. WW1/8 nowhere espouse cause of the claimant.

20. Much has been spoken by the claimant on contents of documents Ex. WW1/10. Shri S.K. Ghosh, Associate Professor and Programme Coordinator, details in this document that Vinod Ram and others worked on Saturdays, Sundays and for and after office hours on working days. He recommended wages to be paid to them. Claimant argued that recommendation of honorarium is suggestive of the fact that he was an employee of the Institute. His designation has been projected as that of a office boy. His designation needs release of honorarium in his favour go to establish that he was an employee of the management. argued Shri Ramachandran, friend the counsel he advanced by Shri claimant that honorarium is a payment made to a person for a service rendered. Honorarium may also mean a fee for service rendered. Honorarium may be defined as a recompense for service rendered. It is a voluntary fee to one exercising a liberal profession. It can be said to be a fee or payment to a professional man for service on which the custom requires the payment of a fixed

remuneration be placed, as a physician's honorarium and honorarium for literary work. Therefore, honorarium can be said to mean honorary reward or a fee for services rendered. It may connote a purely gratuitous payment or a fee for services rendered. Contra to it salary may be defined as fixed payment made periodically to a person as compensation for regular work, reimbursement for services rendered, fee or honorarium. This is one aspect. Honorarium and fee are used almost as they are interchangeable terms.

21. In view of the aforesaid definition, it can be said that honorarium is a recompense for services rendered or a voluntry fee to one exercising liberal profession. For example a barrister's fee or a gratuity given for professional services. Thus sanction of honorarium in favour of the claimant and the others by Professor S.K. Ghosh nowhere go to establish that the claimant and others were in the employment of the management. It was a gratuitous payment recommended in his favour when he rendered services on Saturdays, Sundays and beyond office hours on working days, deployed in the capacity of an employee of the contractor.

22. Ex.WW1/11 is another document on which reliance has been placed by the claimant. On the strength of this document claimant wants to agitate that the management was in a position of issuing commands to him. He tried to assert that relationship of command and obedience was there between the parties and it would go to project existence of relationship of employer and employee between the parties. When Ex.WW1/11 was considered it emerge over the record that the claimant and others were instructed to attend office on Sundays and holidays during training programme by Dr.N.P. Singhal. Whether mere relationship of command and supervision would constitute employer and employee relationship between the parties? For an answer to this proposition, it is to be taken note of as to how a contract of service is entered into. The relationship of employer and employee is constituted by a contract, express or implied between employer and employee. A contract of service is one in which a person undertakes to serve another and to obey his reasonable orders within the scope of the duty undertaken. A contract of employment may be inferred from the conduct which goes to show that such a contract was entered into with or without express or implied intention. In fact, there was no payment of the fee to the claimant and others by the employees. And such intention, however, it may be rebutted by showing that the relationship between the parties concerned was on a different footing. If the parties were rotations or partners or were directors of a limited company which employed no staff, where the claimant, at the time when his services were engaged, could not have known the identity of his employer, there must be a clear and some act or conduct by which the parties recognised and acknowledged as master or servant.

23. A person acting under the direction of another is obviously employed by the person under whose directions he is performing the job. Legal connotation of word "employed" is well known. It connotes existence of relationship of master and servant between the employer and the employee. In other words, it involves the concept of employment under a contract of service. The word "employed" does not necessarily mean employed in casual work. It may merely mean "keeping (him) in the service". Where A agreed with B that he, as solicitor of the company, should receive and accept a salary at Rs.1200 per annum, instead of sending him an annual bill of costs, and would act for the company for that salary, in all matters connected with the company, with certain exceptions, it may be pertinent to determine what are the obligations upon the parties to such an agreement. It appears that for a year, at least, the attorney would be bound to transact the general business of the company for that salary only, and A would be bound for the same period at least to keep him in his retainer and employment as an attorney and solicitor; though, A might have no work to do. Similarly, medical advisers may be employed at a salary to be ready in case of illness, members of theatrical establishment in case their labours should be needed; household servants in performance of their duty when their masters wish; in these and other similar cases, the requirements of actual service is distinct from the employment by the party employing by the party employing. The test which has to be applied in determining the question as to whether a person is employed in a commercial establishment is whether he is wholly or principally employed in connection with the business of the said establishment. As soon as it is shown that the employment of the person is either wholly or principally connected with the business of the establishment, he falls within the definition of an employee. Reference can be made to T.Devdasan [1972 (25) F.L.R. 226].

24. A person will be an employee, if he is employed for wages in or in connection with the work of an establishment or if he is directly employed by the principle employer on any work of or incidental or preliminary to or connected with the work of the establishment or if he is employed by or through an immediate employer on the premises of the establishment or if his services are temporarily lent or let on hire to the principal employer by the person with whom the person whose services are so lent or let on hire has entered into contract of service. The term also includes any person employed for wages connected with the administration of the establishment or any part, department or branch thereof with the purchase of raw material for or the distribution or sale of the products of the establishment. Reference can be made to *Ganarabikan Mills Limited* [1974 (2) I.L.J 530]. The word "employed" takes within its sweep any person wholly or partially employed on wages by an employer in or in connection with any trade, business or manufacture carried on by him. Existence of a jural relationship of master and servant is the main attribute of the word "employee". It

involves the concept of employment under a contract of service; in contradication to contract for service.

25. In Food Corporation of India [1985 II LLJ (4)], the Apex Court ruled that the expression "employed" has at least two known connotations, viz relationship brought by express or implied contract of service in which the employee renders service for which he is engaged by the employer and the latter agrees to pay him in cash or kind, as agreed between them. It discloses a relationship of command and obedience as essential condition for a person being an employee and that there should be, in other words, a relationship between the employee and him as that of master and servant. Where a contract employee a workman to do work which is connected with a third person, the workman of the contractor would not, without something more, become the workman of the third person.

26. Identification mark of servant is that he should be under the control or supervision of the employer in respect of details of his work. Element of control of work besides other factor have a bearing on the result. who is the pay master, who can dismiss, how long the service lasts, all have to be kept in mind, to adjudicate relationship of employer and employee between the parties. Here in the case the claimant was being paid by the contractor, his services were at the discretion of the contractor and he alone had the power to take disciplinary action against him. In case of exigencies the management tried to issue instructions to the claimant and others to attend duties on Saturdays and holidays. Simply this fact would not go to answer all ingredients of master and servant relationship between the parties. The claimant was on pay roll of M/s Keshav Security Services who had deployed him and others to render services to the management, during training programme. Training programme used to continue on Sundays and holidays also. Therefore, it comes over the record that for conduct of training programme in smooth manner the claimant and his associates were deputed on Sundays and holidays too. This command, which was given to the claimant on the strength of Ex. WW1/11, is not sufficient to conclude existence of relationship of master and servant between the parties. Therefore, submission advanced by Shri Sharma are found to be meaningless. The same are therefore, discarded.

27. Ex.MW1/3 is the affidavit filed by Shri D.K. Sharma before High Court of Punjab & Haryana. Claimant could not dispel this documents when he tried to purify testimony of Chauhan by ordeal of cross-examination. He could not question genuineness of this document. When Ex.MW1/3 is pursued, it came to light that the claimant and others were employees of M/s Keshav Security Service. Shri D.K. Sharma affirmed those facts before the High Court. This document go to clinch the issue. It emerges over the record that the claimant was an employee of M/s Keshav Security Services and not of the management.

28. Claimant admits that a writ petition was filed before High Court of Punjab & Haryana, wherein M/s Keshav Security Services was arrayed as a party. It is his case that in that writ petition he made prayer for regularization of his job with the management. Therefore, out of these facts it stands crystalised that claimant projects that he was an employee of the contractor, namely, M/s Keshav Security Services, but he made an effort to get his services regularized with the management. Hence it is clear that the claimant implicitly admits that he was an employee of the contractor. It is not his case that employment of contract labour in any process/operation or other work in the establishment of the management was prohibited by way of notification issued by the Central Government under sub-section (1) of Section 10 of the Contract Labour Act. When employment of contract labour in any process, operation or other work of the establishment was not prohibited, the employment of the claimant as a contract labour by the management will not constitute direct relationship of employer and employee between the parties.

29. No evidence worth name has come over the record that the management was registered under section 7 of the Contract Labour Act or M/s Keshav Security Services was a licensee under section 12 of the Act. When a principle employer or a contractor violates the provisions of section 7 or 12 of the Contract Labour Act, the only consequence provided under the Contract Labour Act is the penal provision as envisaged under the Contract Labour Act, for which reference may be made to section 23 and 25. Merely because contract or employer had violated any provisions of the Contract Labour Act or the rules, the contract labour would not be deemed to have become the employee of the principle employer. Law to this effect was laid by the Apex Court in Dina Nath (1992 Lab.I.C.75). Therefore, it is evident that the claimant was a contract labour employed by the contractor, namely, M/s Keshav Security Services to render stenographic services to the management. Non registration of the management or violation of the provision of Section 12 of the Contract Labour Act by the contractor would not confer a status of an employee of the principal employer on the claimant.

30. In view of the foregoing discussions it is concluded that the claimant has not been able to establish that he was an employee of the Institute. Management could prove that he was engaged by the contractor, who had deployed him in the premises of the Institute. Consequently it is evident that the claimant has not been able to establish relationship of employer and employee between the parties. Issue is, therefore, answered in favour of the management and against the claimant.

Issue No. 3

31. When High Court commanded the Institute to dispose of representation dated 14-10-98, an enquiry was under taken to ascertain facts. It has been presented before

me that the said enquiry was undertaken by M/s Anjali A. Srivastava. On the basis of the facts detailed by Ms. Srivastava, representation dated 14-10-98 was disposed of vide order dated 20-12-99. writ petition No. 10975 of 2000 was moved against the said order, which was dismissed as withdrawn. The enquiry conducted by Ms. Srivastava was in pursuance of the order passed by High Court of Punjab & Haryana and the order dated 20-12-1999 was assailed but that action was withdrawn on behalf of the claimant and his associates. Under these situation there is no necessity for this Tribunal to adjudicate whether that enquiry was fair. Issue is accordingly answered.

#### Relief.

32. Since there was no relationship of employer and employee between the claimant and the Institute, the claim put forward by the claimant that his services were dispensed with by the Institute has no substance. He cannot seek reinstatement of his service with the Institute, not to talk of absorption of his service. His claim is liable to be dismissed. Though the claimant has not been able to establish relationship of employer and employee between the parties, yet he is not entitled any relief even in the proposition that such a relationship is presumed. He admits that he met the Administrative Officer at the instance of one Vinod. Administrative Officer appointed him without following any procedure for recruitment for the post of peon. No case has been projected by him to the effect that an advertisement appeared in newspaper or names were called from employment exchange, test or interview was conducted, reservation policy for Scheduled Caste or Scheduled Tribes candidates was followed, when he was appointed as peon. It is evident that his appointment was dehors the rules. In Uma Devi [2006 (4) SCC 1] the Apex Court considered the proposition as to whether the persons who got employment, without following of a regular procedure or even from back door or on daily wages can be ordered to be made permanent in their posts, to prevent regular recruitment to the posts concerned. Catena of decisions over the subject were considered and the court declined the submissions of the workmen to be made permanent on the post which was held by them in temporary or adhoc capacity for a fairly long spell. The Court ruled thus:

“With respect, why should the State be allowed to depart from the normal rule and indulge in temporary employment in permanent posts? This Court, in our view is bound to insist on the State making regular and proper recruitments, and is bound not to encourage or shut its eyes to the persistent transgression of the rules of regular recruitment. The direction to make permanent- the distinction between regularization and making permanent, was not emphasized here-can only encourage the State, the modal employer, to flout its own rules and would confer undue benefits on a few at the cost of many

waiting to compete. With respect the directions made in Piara Singh [1992 (4) SCC 118] is to some extent inconsistent with the conclusion in para 45 of the said judgement therein. With great respect, it appears to us that the last of the directions clearly runs counter to the constitutional scheme of employment recognized in the earlier part of the decision. Really, it cannot be said that this decision has laid down the law that all ad-hoc, temporary or casual employees engaged without following a regular recruitment procedure should be made permanent.”

33. Taking note of some of recent decision, the Apex Court held that the State does not enjoy a power to make appointments in terms of article 162 of the Constitution. The Court quoted its decision in Girish Jyanti Lal Vaghela [2006 (2) SCC 482] with approval, wherein it was ruled thus.

“The appointment to any post under the State can only be made after a proper advertisement has been made inviting applications from eligible candidates and holding of a selection by a body of experts or a specially constituted committee whose members are fair and impartial through a written examination or interview or some others rational criteria for judging the inter se merit of candidates who have applied in response to the advertisement made. A regular appointment to the post under the State or Union cannot be made without issuing advertisement in the prescribed manner which may in some cases include inviting applications from the employment exchange, where where eligible candidate get their names registered. Any regular appointment made on a post under the State or Union without issuing advertisement inviting applications from eligible candidates and without holding a proper selection where all eligible candidates get a fair chance to compete would violate the guarantee enshrined under article 16 of the Constitution”.

34. In P. Chandra Shekhara Rao and others [2006 (7) SCC 488] the Apex Court referred Uma Devi's Case (Supra) with approval. It also relied the decision in Uma Rani [2004 (7) SCC 112] and ruled that no regularization is permissible in exercise of statutory powers conferred in Article 162 of the Constitution, if the appointments have been made in contravention of the statutory rules. In Somveer Singh [2006 (5) SCC 493] the Apex Court ruled that appointment made without following due procedure cannot be regularized. These legal precedents denounce claim for regularisation, when appointment to a post is violative of established procedure or recruitment rules. Claimant also seeks back door entry in Govt. service, by way of reinstatement and regularization of his job. Hence his claim is dismissed. An award is, accordingly, passed. It be sent to the appropriate Government for publication.

**AWARD**

Sri D. Govinda Roa, Ex-employee of Indian Institute of Geomagnetism has filed petition under Sec. 2 (A) (2) of the I.D. Act, 1947 in view of the judgment of the Hon'ble High Court of Andhra Pradesh reported in W.P. No. 8395 of 1989 dated 3-8-1995 between Sri U. Chinnappa and M/s. Cotton Corporation of India and two others challenging his termination order dated 31-12-95 as illegal, unwarranted and bad and for his reinstatement in the service.

2. It has been alleged that the workman was appointed as contingent helper at Magnetic observatory in the office of the R1 on 4-6-94 on consolidated pay of Rs. 1200 per month for a period of one year but he continued in service after expiry of one year upto 31-12-95, all of a sudden he received letter dated 17-5-95 enclosed to the letter dated 16-12-95 terminating his services w.e.f. 31-12-95. He made representation but no response was given by the respondent management. Termination of the service is illegal and violation of Sec. 25F of the I.D. Act, 1947. Juniors to the petitioner are in the service of respondent management. Hence, the order of termination is illegal and deserves to be dismissed.

3. Counter was filed by the respondent management alleging therein that the petitioner was appointed as contingent helper for a period of only one year. The post to which the petitioner was appointed as liable to fill in exigencies and to be terminated on the expiry of such terms or on expiry of exigency. The contingent employees engaged for a specific job shall not be entitled for regularization of the services. The petitioner was informed on 7-12-95 that his services as contingent helper are discontinued w.e.f. 31-12-95 afternoon. The petitioner was appointed for one year and his services were extended for half year as such giving of retrenchment compensation does not arise in the present case because the petitioner was a contingent mazdoor which is temporary, his service was liable to be terminated without notice. The respondent management is a institute which is purely scientific research organization and no industrial activity is carried out in the institute, hence provision of Sec. 25F of the I.D. Act, 1947 does not apply. They have relied on 1970 (2) APLJ 137, 1983 (1) ALT 55 (SN) and A.I.R. 1997 S.C. 1855. It has further been alleged that no person has been engaged in place of petitioner. The petitioner's services were discontinued as the task was completed by giving 15 days notice, though the institute was not bound to give any

notice to the petitioner even though notice has been given notice 15 days earlier from the date of disengagement from the post/job. Petition has got no force and deserves to be dismissed.

4. Petitioner has filed appointment and termination order dated 7-12-95 and has produced his affidavit and presented himself for cross examination. Respondent has also filed the letter of appointment, letter of disengagement, notice dated 16-12-95 a copy of government order regarding implementation of the recommendation of a committee on Organization of Scientific Research, copy of registration certificate, affidavit of Sri S. Sankaran and presented him for cross examination as MW1.

5. I have heard Learned Counsel for the parties and I have gone through the evidence on record. It has to be seen whether the petitioner was entitled for retrenchment compensation and the respondent organization comes under Industrial Disputes Act. The respondents contention is that the organization is a scientific research institute and registered under Society Registration Act which does not carry out any industrial work like manufacturing or sale. Thus, the petition is not maintainable. The Learned Counsel for the Petitioner has relied on case law it has been disclosed in the counter filed by respondent management. It was the responsibility of the petitioner to prove that the respondent organization is an industry engaged in manufacturing and sale of goods. Though the Petitioner has filed his affidavit but he has not been able to prove that the Respondent organization is engaged in manufacturing or sale of industrial articles. In his affidavit the Petitioner has not averred single word that the Respondent organization is an industry. As against this the Respondent witness Sri S. Sankaran has stated that organization is only a scientific research organization, no manufacturing work is carried out in this organization. The Petitioner was engaged as contingent helper. There was no work with the organization, thereafter the services of the Petitioner were terminated for want of work. He has been cross examined at length but nothing has come out from his cross examination which may go to prove that the Respondent organization is a manufacturing unit or there was work with the Respondent management for the post of helper. As such, the services of the Petitioner were terminated for want of work. He was initially appointed for one year and he continued for 6 months more on the basis of availability of work. He was served with notice 15 days prior to the termination of his services. As such he was not entitled for any compensation since the organization does not come within the meaning of industry as defined in Industrial Disputes Act, 1947. The Petitioner is not entitled for any relief. The petition is misconceived and deserves to be dismissed. Hence, this award.

Award Passed accordingly. Transmit.

### AWARD

This is a reference made under Section 10(1)(d) of Industrial Disputes Act. The reference is:

“Whether the demand of Shri Alexander George for regularisation of his services under the management of Bharat Sanchar Nigam Limited, Kerala Circle is legal and justified? If yes, to what relief the workman is entitled to?”

2. The facts of the case in brief are as follows:—The workman Sri. Alexander George was a casual labourer in the Telecom Department at Kunnicoode exchange. According to him he was initially engaged during 1982. Though he was working continuously for more than 240 days every year he was not empanelled as an approved Mazdoor in spite of the order of Central Administrative Tribunal. The worker approached High Court by a Writ

Petition. There was a direction to move the authorities concerned under Industrial Disputes Act. Thereafter the management started to deny work to the claimant. The workman submitted representations to the department praying for regularisation of his service. The management is trying to treat the engagement as contractual service. However the worker has never entered into a contract with the management. The management obtained his signature on a document by coercive methods. There is master-servant relationship between the parties. The so-called contract is only a camouflage. The work is of perennial nature. After the writ petition the management has denied work to the claimant. He is entitled to be reinstated and regularised in service.

3. According to the management the claim is not maintainable. The workman was neither recruited nor appointed as a casual labourer by the management. It is not correct to say that he was engaged initially in 1982 and he had worked continuously for more than 240 days every year. He had worked only intermittently. After deserting the work on 22-10-1984 he had never approached the management till he submitted representation on 12-1-1993. He was not entitled to be empanelled as he did not satisfy the conditions laid down in the order in OA of Central Administrative Tribunal. His claim was considered several times by the management and was rejected stating reasons. Reference was made as per order in Writ Petition. This claim is barred by principles of res judicata as well as estoppel. The management has not disengaged the worker, but he has not reported for work after October 1984 and was not heard of for 8 years. The claim is stale. He is not entitled either for notice or compensation as he had abandoned the work in 1984. The department of telecom had banned engagement of casual workers w.e.f. 30-3-1985 as per circular. Due to ban a number of cases were filed in CAT. A scheme was devised by CAT for empanellment and regularisation of casual workers who fulfill conditions mentioned in the scheme. Since the workman did not satisfy those requirements he could not be empanelled or regularised in service. Thereafter the Department of Telecom itself formulated a scheme as a one time measure for empanellment and regularisation of casual labourers. However the claimant did not satisfy the conditions in the scheme. After the ban the work of temporary nature are got executed on contract basis. There was no threat or coercion by the department for obtaining signature in any document. The Claimant who had quoted the lowest rate was awarded certain work of temporary nature. There is no employer-employee relationship between the workman and the management. The claimant has no right for regularisation in service.

4. In the light of the above contentions the following points arise for consideration:

1. Whether an industrial dispute exists?

2. Whether the claimant is entitled for regularisation?

5. The evidence consists of the oral testimony of WW1 and documentary evidence of Exts. W1 to 3 on the side of the workman and no evidence on the side of the management.

6. **Point No.1:** The management has challenged the maintainability of the dispute. According to them the claimant is not a workman defined under S.2(s) of I.D. Act and the dispute is not an industrial dispute under Section 2 (k) of I.D. Act. The claimant is incompetent to raise an individual dispute without the juncture of either trade union or a number of workmen in the establishment. S.2(k) of Industrial Disputes Act defines 'industrial dispute'.

(k) "industrial dispute" means any dispute or difference between employers and employers or between employers and workmen or between workmen and workmen, which is connected with the employment or non-employment or the terms of employment or with the conditions of labour, of any person;".

The Hon'ble Supreme Court has decided in a number of cases that an individual workman cannot raise an industrial dispute and it has to be espoused either by union or by a number of workman in the establishment. The decisions are:

Central Provinces Transport Services Ltd. v. Raghunath Gopal Patwardhan (1957) 1 LLJ 27 (SC), Newspaper Ltd. v. Industrial Tribunal (1957) 2 LLJ 1 (SC), Workmen of Dimakuchi Tea Estate v. Dimakuchi Tea Estate (1958) 1 LLJ 500 (SC), Workmen v. Dharam Pal Prem Chand (1965) 1 LLJ 668 (SC) & Workmen of Indian Express Newspaper Pvt. Ltd. v. Management of Indian Express Newspapers Pvt. Ltd. (1970) 2 LLJ 132 (SC).

Later a Single Bench of Hon'ble High Court of Kerala decided the same issue in Mangalam Publications (India) Pvt. Ltd. v. thampy 2006 (2) KLT 327.

A Division Bench of Kerala High Court held in Co-operative Sugars Ltd. v. Palghat District Progressive Sugar Workers Union 1997 (2) KLT S. N. 4 that unless an industrial dispute exists legally and the same is duly referred a Tribunal will not have jurisdiction to adjudicate and decide the same. Mere reference will not confer jurisdiction on the Tribunal.

7. In view of this legal position the dispute raised by the workman individually cannot be treated as an industrial dispute within S.2 (k) of I.D. Act. If so, the reference itself is incompetent and there is no industrial dispute existing for adjudication by this court. Any adjudication on any aspect of the dispute will be without jurisdiction and void. Therefore it has to be held that there

is no industrial dispute for adjudication and this court has no jurisdiction to go into the dispute referred and decide it.

8. **Point No. 2:** The claim is for regularisation in service. But in view of the fact that this court has no jurisdiction to decide the dispute and any decision taken would be void, I don't propose to determine this point.

In the result an award is passed finding that the reference is incompetent and there exists no industrial dispute for adjudication.

The award will come into force one month after its publication in the Official Gazette.

Dictated to the Personal Assistant transcribed and typed by her corrected and passed by me on this the 28th day of May, 2010.

# AWARD

Aeroflot Employees Union (hereinafter referred to as the Union) represents interest of all workmen working

with Aeroflot Russian International Airlines (hereinafter referred to as the Management) and is competent to raise voice against unfair labour practices and irregularities committed by the management. The Management is an Airlines of Russia which operates in India from Indira Gandhi International Airport, New Delhi. The management is under an obligation to abide by all labour laws, rules and regulations, prevalent in the Country. Union had raised an industrial dispute against the management through demand letter dated 2-5-2005. Management failed to consider their demands and the Union was left with no option but to initiate conciliation proceedings by filing a statement of claim before the Conciliation Officer. When the conciliation proceedings failed the appropriate Government referred the dispute to this Tribunal for adjudication, vide its order No. L-11012/11/2006-IR (CM-I), New Delhi dated 1-6-2006 with the following terms:

“Whether the demand of the Aeroflot Employees Union from the management of Aeroflot Russian International Airlines, that the workman may be placed in proper pay scales and granted facilities under well defined service conditions as per labour laws is justified? If so what orders are necessary in this regard?”

2. The details of the workmen who have been working with the management are as under:

3. The Union claimed that discrepancies have been observed in payment of increments, bonus, allowances to the above workmen, and they have been deprived of the facilities, such as medical facilities, insurance benefits, shift allowances, night allowances and authorised leave etc. The management has been resorting to illegal and malicious means of pressurizing and coercing the employees to furnish fresh bio-datas alongwith photographs, with a view to make them contract employees. Some of the employees yielded to illegal demand of the management and submitted their bio-datas while they have been working with the management earnestly and sincerely for a period of 10-25 years. Shri Harminder Singh, Y. K. Sen, S.K. Sharma, Abhinav Kumar, and Shashikant Gupta have yielded to this malicious design of the management. They have been working since 1995 but they were constrained to sign a fresh contract of fixed term appointment of one year and at the expiry of that term the management has illegally and arbitrarily terminated their services. The action of forcing and coercing regularly appointed workmen to sign contract amounts to unfair labour practice in view of Section 2 (ra) read with the Vth Schedule of the Industrial Disputes Act, 1947 (in short the Act). The management cannot abolish work of regular nature and to give fixed term contractual appointments. Union asserts that all workmen have been discharging their duties for more than 10 years and they were appointed as regular employees. Services of Mr. Y. K. Sen were terminated on the pretext of reduction in work, but in fact the management appointed two persons just before terminating the services of Mr. Y. K. Sen. Fresh contractual appointments are hit by the doctrine of public policy, hence illegal and void. The management is acting in breach of the fundamental rights and directive principles of state policy as enshrined in Articles 39D, Article 14 & 16 of the constitution of India. 'Equal pay for equal work' has been considered as part of fundamental right in catena of decisions by the Supreme Court. Discrepancy has been observed in salary structure at various level viz. Loader, Jr. Operator, Security guard, Driver etc. The management has been fixing salary at various levels without taking into consideration status and seniority of the workmen. The management is deducting EPF contributions from the

employees, but share of the management is not being deposited in the EPF. As per Section 6 Employee's Provident Funds and Miscellaneous Provisions Act, 1952 the management is bound to deposit its own share of PF but no such account is being maintained by the management. The workmen who do not come under ESI scheme are not afforded proper medical facilities. Management is not following leave rules properly. Claimant sought prosecution of concerned officers of the management for committing unfair labour practices and violating various labour laws, with a direction to the management to refrain from committing unfair labour practices and to lay down appropriate conditions of service for the employees of the company.

4. Management contested the claim pleading that the present dispute is not maintainable, since it has not been espoused by substantial number of workmen. No demand letter was served on the management. It has been projected that the management is providing all statutory benefits/facilities to its employees. The management never asked any of its employee to submit fresh bio-data and/or accept contract employment. It is submitted that the management never indulged in any kind of anti workmen activities. It has been claimed that the present reference is liable to be answered in favour of the management and against the union.

5. The Tribunal was without a Presiding Officer from December, 2007 till 21st of April, 2009.

6. During the course of adjudication testimony of Shri Suresh Kumar, the President of Aeroflot Employees Union was recorded. When Suresh Kumar was under cross examination, the Union conducted a meeting, took a decision not to agitate their grievance over the matter and authorized Suresh Kumar to make a statement in that behalf. Accordingly Suresh Kumar made a statement in the matter detailing therein that the Aeroflot Employee Union have decided not to proceed with the dispute. He was authorised vide resolution dated 23-5-2010 to make a statement in that behalf. He proved copy of that resolution as Ex.W-I. He declares that the Union had decided not to agitate its grievances on the present controversy.

7. In the light of the facts and circumstances detailed by Shri Suresh Kumar on oath, it emerged that Aeroflot Employees Union took a decision not to agitate their grievance on the controversy. It emerge over the record that dispute between the parties have subsided. Now, there are no grievances of the union on which a redressal is sought. Since dispute between the parties have melted away, accordingly it is announced that demand of Aeroflot Employees Union for placing workmen of Aeroflot International Russian Airlines in proper pay scales and for grant of other facilities have been abandoned. An award is, accordingly, passed in favour of the management and against the claimant union. It be sent to the appropriate Government for publication.

### AWARD - PART-II

The matrix of the facts as culled out from the proceedings are as under:

1. The Government of India, Ministry of Labour by its Order No. L-11012/58/99-IR (C-I) dated 4th February, 2000 in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2 (A) of section 10 of the Industrial Disputes Act, 1947 have referred the following dispute to this Tribunal for adjudication:

“Whether the action of the Management of Air India Ltd. Mumbai, in terminating the services of Shri Ramdas Z. Bhalerao, Ex-Contract Labour w.e.f. 26-8-96 is legal and justified? If not, what relief the workman concerned is entitled to?”

2. Workman Shri Bhalerao had joined the Management Air India from June, 1989 as Sweeper. By Statement of Claim (Exhibit 6) Workman contended that, by virtue of judgment and order of Hon'ble Supreme Court in SLP No. 14116 of 1996 dated 11-4-1997 his services were regularized since covered by Writ Petition No. 487 of 1990 w.e.f 27-3-1996. It is averred that meanwhile on 26-8-1996 while the workman was on duty and was doing the sweeping work, opposite the Paint Shop in ASD/MAINT and in between M/s. Major Group near the lavatory, while passing he saw one scrap item lying there and since it was scrap he picked up for the purpose of throwing it to garbage. However, while he was proceeding towards dustbin he was questioned by Security feeling he committed theft of it. It is case of the Union that, he being an active member of the Union to wreck in vengeance of that, foisted him falsely alleging he committed theft of that scrap material and he was issued charge sheet for that

240346/10-26

allegation by the letter dated 23-10-1996. It is averred that, workman had replied that charge sheet by the letter dated 1-11-96. However, ignoring that he was dismissed without conducting inquiry as per model standing orders w.e.f 26-8-1996. It is pleaded that, the management by the letter dated 10-3-1997 decided to proceed with the inquiry and in violation of the Principles of Natural Justice, completed the proceedings on 10-12-1997 without giving opportunity. It is contended that, by making farce of inquiry, the inquiry officer by the report dated 1-7-1998 held him guilty and based on the findings in violation of the provisions of the Model Standing Orders dismissed him. It is case of the Union that, consequently since the enquiry being not fair management cannot terminate him on such faulty inquiry and pray to direct the Management to reinstate him in service with full back wages.

3. Management Company resisted the claim of workman by filing Written Statement (Exhibit 7) contending that, since workman was in the employment till the alleged termination on 26-8-1996 till the passing of order dated 8-12-1998 there was no cause of action for the order of reference and since the Tribunal is to confirm itself in the reference and Reference needs to be rejected, being not maintainable. It is pleaded that, the workman committed theft of the company's property therefore he was given charge sheet and that, the workman participated in the inquiry. It is pleaded, inquiry officer by the findings dated 1-4-1998 held him guilty of which copy was given to him and that taking into consideration the explanation given to that by the workman, he was dismissed from the services vide letter dated 8-12-1998. It is averred services of workman were not terminated on 26-5-1996 as alleged and that inquiry being fair and proper it does not vitiate. Consequently Management prayed to dismiss the claim of the workman.

4. By Rejoinder (Exhibit 9) workman reiterated the recitals in the Statement of Claim denying the averments in the Written Statement contending that, one sided enquiry was conducted in violation of rules and regulations.

5. On these pleadings Issues were framed at Exhibit 10. Out of them Issues Nos. 1 to 3 were decided by my Predecessor, by passing Award I dated 24-2-2003 holding enquiry fair, proper and finding not perverse.

6. Now, we are on the Issue of action taken by the Management on which following Issues were framed which I answer as follows :

Issues	Findings
4. Whether the action of the Management of AIR India Ltd., Mumbai in terminating the services of Shri Ramdas Z. Bhalerao	Yes

Ex-Contract Labour w.e.f. 26-8-1996 is legal and proper?

5. What relief the workman concerned is entitled to? No

#### REASONS

#### ISSUES NOS. 4 & 5 :

7. This time we are on the point of quantum of punishment. By passing Award I my Ld. Predecessor observed enquiry fair and proper and finding not perverse. It is to be noted that charge of theft was levelled against the concerned workman. The enquiry was conducted where enquiry officer observed the charge of theft was proved against the concerned workman. Said is not disturbed by any Authority.

8. On the basis of the said findings of the Enquiry Officer, action of termination was taken by the Management and it is challenged by the 2nd Party. To support his case, concerned workman, filed affidavit of Sanjay D. Katkar at Exhibit 27 in lieu of his examination-in-chief however no evidence is lead by 1st Party on the point of quantum of punishment. Written arguments are filed by 2nd Party at Exhibit 38 and by 1st Party at Exhibit-39.

9. Perused the written submissions of both and the evidence lead.

10. As stated above 2nd Party, was convicted by issuing order on the charges of theft. Said charge of theft was proved in the enquiry and relying on the finding of the Enquiry Officer, Disciplinary Authority took action of termination. As far as finding given by Enquiry Officer holding concerned workman guilty of the charges of theft is concerned is not disputed and not disturbed by any Authority. So finding given by the Enquiry Officer and confirmed by this Tribunal subsists. Here charge of committing theft was declared as proved against the concerned workman.

11. Now, question is whether punishment of dismissal against the proved charge of theft is maintainable?

12. Considering the gravity of charge which was proved against the concerned workman of theft and considering the concerned workman was working at the Air Port where such employees come in touch with the baggage and articles of the customers i.e. of passengers who are utilizing the services of the 1st Party, require to consider. Allegations against the concerned workman were that, he was looking after the unattended and unclaimed articles lying at the Air Port and was trying to steal it. The explanation given by the concerned workman that, he was trying to put in wastage and nobody hear him and he was involved in the incident without any reason since he was active member of the Union. However, said was not considered and charge of committing theft was levelled against him. Inquiry was initiated and finding given by

Enquiry Officer as proved as well as upheld by this Tribunal by giving opportunity to both. When charge of theft had been proved which is not disturbed by any authority and which is of very serious nature, in my considered view, the decision taken by the Management of dismissal does not require to interfere. Besides Advocate of the 1st party placed reliance on the citation published in AIR 2007 SC page 152 of the Apex Court while deciding the case of Depot Manager, A.P.S.R.T.C. v/s Raghuda Siva Sankar Prasad, decision given by the Hon'ble Bombay High Court in Writ petition No.6419 of 2008 in the case of Kolhapur Zilla Sahkari Dudha Utpadak v/s Shivaji Shankar Pharakate & anr; and citation published in 2000 II LLJ page 1367 in the case of Managing Director, Bharat Gold Mines Ltd., Kolar Gold Field and Sundareshan & ors. Where it is observed that when charge of misconduct liken theft is proved, which is of a serious nature, in that case it is a serious misconduct and no leniency is required.

13. Considering this approach and considering the gravity of the offence proved against the concerned workman, I am of the view that, the concerned workman is not entitled for any relief. So I answer the above issues to that effect and passes the following order:

### AWARD

1. The present reference is arising out of the Government Notification vide Memo No. L-12011/108/2006-IR (B-II) Dated 28-5-2007, to adjudicate the issue as described in the Schedule below.

### SCHEDULE

“Whether the action of the management of United Bank of India in denying permanent Head Cashier post to Shri Kanu Lal Dey, CCG, Battala Branch, Agartala and thereby depriving Head cashier special allowance is justified or not? If not justified, to what relief Shri Kanu Lal Dey, CCG, Battala Branch, Agartala is entitled?”

2. Notices were issued to the parties and on their appearances before the Court, they filed their respective Written Statements.

3. Factual Scenario : That the United Bank Employees Union is a Registered Trade Union having its Registered Office at, 11 Hemanta Basu Sarani Kalkata-I. The employees of United Bank of India all over the country are the members of the Union. The Workman Kanu Lal Dey is also member of the Union. the Secretary, UBI Employees Union has submitted Written Statement alleging inter-alia that there are three cadres of employees in the Bank such as, Subordinate Cadre, Clerical Cadre and Officer Cadre.

The employees in the Clerical Cadre are entrusted with the jobs of clerical nature including handling of cash. There are some employees who are exclusively entrusted with the duty of the cash handling while some other employees are to perform the duties of clerical nature along with cash handling. These categories of classes are known as Cash-cum-General Clerk (CCG). The Head Cashier of the Cash Department holds a responsible post and he is entrusted with a special duty for smooth function of cash transaction. Considering the responsibility a special pay is granted to this Post. Person appointed as Head Cashier is entitled to get special pay so long he holds this post. Even if he is entrusted with other works still he is entitled to get his special pay. The further case of the Union is that Sri Santosh Ch. Das, Head cashier retired on superannuation on 31st January, 2004 at Batthala Branch. The eligible persons holding the Post of cash-cum-General Clerks working in different Branch with the Bank under the Regional Manager, UBI, Agartala submitted their Applications exercising their options to be posted as Head Cashier in the Battala Branch. The workman Kanu Lal Dey also applied. He was appointed as Cash-cum-General Clerk on 1-8-1987 and had been discharging his duties in the Battala Branch. Consequent upon to the retirement of Santosh Chandra Das, the workman Kanu Lal Dey exercised his option to be appointed as Head Cashier in Battala Branch on 19th November, 2003. After the retirement of Santosh Chandra, workman Kanu Lal Dey took over charge of temporary Head Cashier. After few days one of the Typist-Clerk who was not assigned of the duties submitted an application expressing her desire to convert her Post as Cashier-cum-General Clerk. The application was allegedly accepted by the concerned Regional Manager and her appointment in the Post of Typist-cum-Clerk was converted to Cashier-cum Clerk with effect from 9th February, 2004. She had not even exercised her option to be appointed as Head cashier in the Battala Branch at the cut off date on 31-12-03. According to the Secretary of the Union, Smt. Jayanti Goshwami, a Typist-cum-Clerk working in the Battala Branch was not eligible to exercise her option to be appointed as Head Cashier in as much her Post of Typist-cum-Clerk was converted to Cash-cum-General Clerk on February, 2004. As a matter of fact, neither Jayanti Goshwami was eligible for the Post of Head Cashier nor she exercised her option as fixed by the Management. That on 27th January, 2005, Smt. Jayanti Goshwami was substantially appointed as Permanent Head Cashier by the Regional Manager of the UBI at Agartala. Her appointment was absolutely illegal. It has been alleged that the workman Kanu Lal Dey was holding the Post of cashier-cum-General Clerk from 1-8-1987 and Smt. Jayanti Goshwami was holding the post of Cash-cum-Clerk from 9-2-2004 that too consequent upon to her irregular conversion for the post of CCG. It is thus, apparent that the workman Kanu Lal Dey was senior to Jayanti Goshwami. Being highly aggrieved with the illegal appointment, the

workman Kanu Lal Dey brought this matter to the notice of the Union who eventually raised Industrial Dispute. In spite of several attempts, the matter could not be settled up in conciliation proceeding. The Asstt. Labour Commissioner (C), Silchar submitted his failure report and thereafter the Government referred the dispute for adjudication. The Union also submitted additional Written Statement refuting the plea raised by the Management in their Written Statement.

4. The Management contested this proceeding by filing a Written Statement denying all the facts as narrated by the Union secretary. According to the Management, the Bank Administration is controlled and regulated by Head Office and for smooth functioning of the Bank, different Circulars are being issued by the H.O. from time to time. When a vacancy arises the eligible employees of the same Branch may apply for the Post of Head Cashier. Asstt. Head Cashier/Cashier In -Charge expressing their option 30 days prior to the date of the vacancy so arises. But the period may be extended up to one month, from the date of vacancy so arises. When no applications are received for the Post of Head Cashier, Assistant Cashier, Cashier In-Charge then the Post of Head Cashier may be offered to a Senior most Clerk of the Branch. According to the Management, that Sri Santosh Chandra Das retired from the Post of Head Cashier on attaining the age of superannuation on 31-1-04 and as per bank Rules the senior CCGs namely Ashim Kr. Chakrabarty & Smt. Manika Ghosh were asked to take over charge of Cashier but they declined. The next senior most CCG Sri Kanu Lal Dey was also asked to take over charge as Head Cashier but he also refused. Finding no other alternative Smt. Jayanti Goshwami was asked to take over charge as Head Cashier. Kanu Lal Dey did not raise any objection due to the alleged illegal appointment of Jayanti Goshwami. According to Management no illegality has been committed by the Management. According to the Management the W.S. submitted by the Union appears to be devoid of merit and it may be dismissed.

5. The solitary witness for the workman, the Union Secretary Mr. Swapan Kumar Bhattacharjee has submitted his evidence-in-Affidavit supporting the claim of the workman. He has exhibited some documents. Cross examination was reserved. In the mean time the Union Secretary, Sri Swapan Kumar Bhattacharjee and workman Kanu Lal Dey submitted prayer before this Court with copies to the Management informing that the concerned workman has been promoted to the next higher grade. The workman has prayed before this Tribunal that since he has already been promoted he does not have any grievance and the proceeding may be dropped.

6. Having considered the entirety the facts and circumstances of the case, the Ref. Case stands disposed for non-prosecution.

7. Send the Award to the Government as per procedure.

#### AWARD

This is a case taken under Sec.2 A (2) of the I.D. Act, 1947 by the Industrial Tribunal & Labour Court, Visakhapatnam in view of the judgment of the Hon'ble High Court of Andhra Pradesh reported in W.P. No.8395 of 1989 dated 3-8-1995 between Sri U. Chinnappa and M/s. Cotton Corporation of India and two others and transferred to this Court in view of the Government of India, Ministry of Labour's order No. H-11026/1/2001-IR (C-II) dated 18-10-2001 bearing I.D. No. 199/2002 and renumbered in this Court as L.C.I.D. No. 53/2005.

2. Petitioner filed this petition stating that he was appointed by R2 on 1-10-1997 as a Supervisor and he was shifted to M/s. Techno Fabrics since 1-6-99 in the same capacity. He was offered to be paid Rs. 3500 per month before shifting, but was paid Rs. 1725 monthly and was promised to get the difference amount in future, but was not paid. Later he was under rest w. e.f. 15-5-2002 to 30-5-2002 and on 31-5-2002 he was not allowed to resume duty though he submitted fitness certificate. Though he represented the management vide letter dated 3-6-2002, in turn he received termination order dated 4-6-2002. That the Petitioner received full and final settlement for Rs. 7,798.70 ps. He prayed to direct the Respondents for reinstatement and such other benefits as this court deems fit.

3. A Counter was filed by the Respondent denying all the allegations made by the Petitioner therein. That the Petitioner joined the service of the R2 as an unskilled workman in July, 1999 and upgraded to semi-skilled category from 1-3-2001. In May, 2002 the Petitioner was informed that the contract work awarded to the respondent by the Hindustan ship Yard is nearing completion, hence, no further work for the employees and hence he was asked to take the full and final settlement and it is prayed that the petition be dismissed.

4. Third Respondent filed counter, reiterating the facts mentioned by R1 and R2. Parties were directed to file their respective evidence. As Petitioner died his LRs were taken on file and Smt. Ameti Uma Maheswari filed evidence affidavit as LR. She was cross examined by management and she has filed affidavit WW2. Sri. M. Srirama Murthy. Later WW2 was absent.

5. Both parties called absent for several adjournments. Hence, evidence of parties closed. The case is dismissed in absence of parties. Accordingly a Nil Award is passed. Transmit.

### AWARD

Passed on : June 3, 2010

The Central Government vide notification No. L-40012/181/2003-IR (DU), Dated 27-5-2004 by exercising its power under Section 10 sub-section (1) sub-section 2(A) Clause (d) of the Industrial Disputes Act, 1947 has referred the following Industrial dispute for adjudication to this Tribunal :—

“Whether the action of the management of Telecom now known as BSNL, in terminating the services of Sh. Rajinder Kumar, ex-helper w.e.f. 8-3-2003, is just and legal? If not, to what relief the concerned workman is entitled to and from which date?”

As per claim statement the workman was employed on 13-1-1998 as a helper of Cable Splicer Prem Singh and worked under respondent no.2 i.e. Sub Divisional Engineer, BSNL, Naraingarh District Ambala (Haryana) till 8-3-2003, when his services were terminated without complying the provisions of Section 25F of the Industrial Disputes Act, 1947 (hereinafter called as 'Act'). The claimant completed more than 240 days service during every calendar year. The persons junior to him were retained in service and fresh recruitment was also made without asking him to rejoin the post against which he was employed and which was existing at the time of his termination. The work for which he was employed was of a permanent nature. He has alleged violation of Section 25F, 25G and 25H of the Act and claimed reinstatement with all consequential benefits including full back wages.

The claim was contested by the respondent on the grounds that the claimant is not a workman and he was not engaged by the respondent nor was paid the wages. He was not an employee nor was he recruited according to the recruitment rules nor there is any post of helper. In the circumstances, the question of terminating his services does not arise. Provisions of the Act are not applicable in the case. The service record of a person who is either engaged on contract basis to perform the work on work order basis or engaged by the contractor to perform the job under the contract agreement is not maintained by the department. According to the respondent the claimant had made a vague averment about the regularization of services of any junior and because the claimant was not engaged as a casual labour nor he was a member of the service nor any wages paid to him nor he was appointed/terminated by the management, so the question of making fresh recruitment in his place also does not arise. It has been further stated in the written statement that no post of helper existed in the BSNL nor there exist any work of such nature as alleged by the workman.

In replication the claimant further stated that his daily attendance was being marked by the concerned officer of the respondent. In the replication he has also disclosed the names of Puran Chand and Ranjit as the junior workmen, who are still working. He has alleged that his services were terminated with malafide intention to adjust one Sandeep Kumar.

The pleadings of the parties give rise to the following issues for decision:—

1. Whether the claimant in the employment of the respondent and his services were terminated by the respondent employer?
2. Whether his services were termination in violation of Section 25F, 25G and 25H of the Act?
3. To what relief workman is entitled?

In support of his case the claimant filed his own affidavit and produced copies of two certificates and affidavit of one Smt. Ishwari Devi, who had worked in Telephone Exchange, Naraingarh as Sweepress. He also summoned Nathi Ram a Fore Mechanic of the management, who allegedly issued a certificate, relied on by the workman and is marked as W-2 and also Prem Singh with whom the claimant has alleged to have worked. The witness is alleged to have issued him another certificate marked as W-3.

In Support of his case the respondent has filed an affidavit of S. C. Jain, AGM, Legal Cell, JMTD, Ambala.

I have heard the learned counsel for the parties and gone through the evidence on record. My findings on the issues are as follows:—

### Issue No. 1.

Claimant says that he was employed under respondent no.2 as helper of Cable Splicer Prem Singh. The question is who had employed him? What is the evidence of his employment? Who was the Pay Master? How long his service lasts? Who was his controlling and supervising authority and what was his nature of job?

Pleadings and evidence of the claimant are silent on the point as to who had employed him? There is no appointment letter or any other evidence regarding his employment with the respondents. There is nothing on record to show that respondent ever paid any wages to him. Prem Singh has been summoned as a witness by the claimant. He was the best person to tell about the employment of the claimant. The claimant has alleged to have worked as helper to Prem Singh and it should have been asked from Prem Singh under whose orders claimant was doing the job and who was paying his wages.

So far as the length of service is concerned, according to the claimant he worked from 13-1-1998 to 8-3-2003. Her witness Smt. Ishwari Devi, who was Sweepress in the Telephone Exchange, in her affidavit has supported the claim but during cross-examination she stated that she cannot say who had engaged the claimant. She, however, stated that the claimant used to go for work with Prem Singh. Again it was not put to Prem Singh that the claimant worked as his helper from 13-1-1988 to 8-3-2003. Nathi Ram, workman's witness has stated that Attendance Register of the claimant was not being maintained and Shri S. C. Jain, A. G. M. Legal Cell Management witness has stated in cross-examination that he checked the muster roll before submitting the affidavit and the name of the claimant is not on the muster roll. Thus, there is no evidence worth reliance that the claimant worked from 13-1-1998 to 8-3-2003.

The certificate marked as W-2 stated to have been issued by Nathi Ram contains the details of the days on which the claimant worked during the calendar year of 1998. This certificate says that the claimant had worked during the year 1998 and nothing more. However, in view of the statement of Nathi Ram this certificate too cannot be relied on. Nathi Ram a workman's witness did admit his signatures on the certificate but the details were denied by him. According to his statement the certificate is a product of forgery on a stolen paper bearing his signatures.

The claimant has not led any evidence to show as to who was his controlling and supervising authority? It is significant that in his cross-examination by management, Nathi Ram stated that the claimant had worked on daily wages. But in the Certificate W-2 and W-3, allegedly to have been issued by Nathi Ram and Prem Singh workman's, witnesses the claimant has been shown as a contract labour. Thus there is no definite evidence about

his status. Even if it is accepted that he worked as helper of Prem Singh then there is nothing to show that the job was of permanent nature. It is obvious that it was not a skilled job.

It is thus clear that not even a single ingredient of the employment has been made out by the claimant. There is no evidence to prove that the claimant was workman of respondents and there was a relationship of employer and employee between them. He was paid by the respondents and the respondents had any controlling or supervising control over him. He also failed to prove that he was in service from 13-1-1998 to 8-3-2003, the date of his alleged termination. In the absence of relationship of employer and employee between the respondents and claimant the question of termination of his services by the respondents does not arise. Issue no. 1 is decided against the workman.

#### Issue No. 2

Since the workman had utterly failed in proving his employment with the respondent and the termination of his services by the respondent is not involved in the case, hence, the violation of Section 25F, 25G and 25H of the Act does not arise. Issue No. 2 is decided against the workman.

#### Issue No. 3

From the above discussions, it is clear that the claimant is not entitled to any relief.

In short it is held that the claimant was not in the employment of the respondent or management of Telecom now known as B.S.N.L. and therefore, the question of termination of his services does not arise. The claimant is not entitled to any relief. The reference is answered against him. Let a copy of the award be sent to the Central Government after due compliance.
